

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-76844; File No. SR-BATS-2015-123]

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use of BATS Exchange, Inc.

January 7, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 30, 2015, BATS Exchange, Inc. (the “Exchange” or “BATS”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members⁵ and non-members of the Exchange pursuant to BATS Rules 15.1(a) and (c) (“Fee Schedule”). The changes to the Fee Schedule pursuant to this proposal are effective upon filing.

The text of the proposed rule change is available at the Exchange’s Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed

any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to increase the standard rate for routing and removing liquidity from other market centers for both securities priced at or above \$1.00 and for securities priced below \$1.00. Specifically, the Exchange proposes to increase the fee for orders yielding fee code X, which results from an order routed to a displayed market that removes liquidity using the Parallel D, Parallel 2D, ROUT, ROUX⁶ or Post to Away⁷ routing strategy from \$0.0029 to \$0.0030 per share in securities priced at or above \$1.00 and from 0.29% to 0.30% of total dollar value in securities priced below \$1.00. The Exchange proposes to reflect these changes to the Fee Schedule in the Standard Rates table, the Fee Codes and Associated Fees table, and in Footnote 8. In addition to the increase to the Exchange’s standard routing fee, the Exchange proposes to increase the fee for orders yielding field code Z, which results from an order routed to a dark liquidity venue (except through the SLIM routing strategy) from \$0.00200 to \$0.00250 per share.

Implementation Date

The Exchange proposes to implement these amendments to its Fee Schedule January 4, 2016.⁸

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁹ in general, and furthers the objectives of

⁶ Parallel D, Parallel 2D, ROUT, and ROUX are the Exchange’s standard best execution routing strategies and are further described in Rule 11.13(b)(3)(A), (B), and (G).

⁷ Post to Away is a routing strategy that posts an order on another market center. Although the Post to Away routing strategy had various specific fees and rebates for adding liquidity on other market centers, Post to Away routed orders can potentially remove liquidity and are charged the Exchange’s standard routing fee when they do. See Rule 11.13(b)(3)(H).

⁸ The Exchange notes that the date of the Fee Schedule was amended to January 4, 2016 in a separate fee filing. See Securities Exchange Act Release No. 76709 (December 21, 2015), 80 FR 80827 (December 28, 2015) (SR-BATS-2015-115).

⁹ 15 U.S.C. 78f.

Section 6(b)(4),¹⁰ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange believes that its proposal to increase the standard rate for routing and removing liquidity in securities priced at or above \$1.00 and in securities priced below \$1.00 for Parallel D, Parallel 2D, ROUT, ROUX, and Post to Away routed executions and the increased fee for orders routed to a dark liquidity venue represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities in that they are designed to, in part, cover the costs of routing. While Members that route orders through the Exchange’s standard routing strategies will be paying higher fees due to the proposal, the increased revenue received by the Exchange will be used to fund the Exchange generally, including the cost of maintaining and improving the technology used to handle and route orders from the Exchange as well as programs that the Exchange believes help to attract additional liquidity and thus improve the depth of liquidity available on the Exchange. Accordingly, although the cost of routing is increasing, the Exchange believes that the increase is a modest increase and that higher routing fees will benefit Members in other ways. Furthermore, the Exchange notes that routing through the Exchange is voluntary. Lastly, the Exchange also believes that the proposed amendment is non-discriminatory because it applies uniformly to all Members.

B. Self-Regulatory Organization’s Statement on Burden on Competition

These proposed rule changes do not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that any of these changes represent a significant departure from previous pricing offered by the Exchange or pricing offered by the Exchange’s competitors. Additionally, Members may opt to disfavor the Exchange’s pricing if they believe that alternatives offer them better value. Accordingly, the Exchange does not believe that the proposed changes will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets. The Exchange believes that its proposal would not burden intramarket competition because

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and paragraph (f) of Rule 19b-4 thereunder.¹² At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
