BILLING CODE 4910-13-P

CONSUMER PRODUCT SAFETY COMMISSION

16 CFR Part 1231

[Docket No. CPSC-2015-0031]

Safety Standard for High Chairs; Correction

AGENCY: Consumer Product Safety Commission.

ACTION: Notice of proposed rulemaking; correction.

SUMMARY: The United States Consumer Product Safety Commission (“Commission” or “CPSC”) is correcting a Notice of Proposed Rulemaking (“NPR”) that appeared in the **Federal Register** of November 9, 2015 (80 FR 69144). The document proposed a safety standard for high chairs. The Commission is correcting an error in the proposed regulatory text concerning rearward stability.

DATES: As established in the November 9, 2015 NPR, comments on the proposed rule are due by January 25, 2016.

FOR FURTHER INFORMATION CONTACT:

Stefanie C. Marques, Project Manager, Directorate for Health Sciences, U.S. Consumer Product Safety Commission, 5 Research Place, Rockville, MD 20850; telephone: 301-987-2581; email: smarques@cpsc.gov.

SUPPLEMENTARY INFORMATION: In the **Federal Register** of November 9, 2015 (80 FR 69144), the Commission published an NPR proposing to establish a safety standard for high chairs pursuant to section 104(b) of the Consumer Product Safety Act of 2008 (“CPSIA”; Pub. L. 110-314, 122 Stat. 3016). The NPR proposed to incorporate by reference ASTM F404-15, *Standard Consumer Safety Specification for High Chairs* (“ASTM F404-15”) into 16 CFR part 1231 and proposed more stringent requirements than those specified in ASTM F404-15 for rearward stability and warnings on labels and in instructional literature. The NPR contained an error, which the Commission is now correcting.

The correction pertains to proposed 16 CFR 1231.2, paragraph (b)(2), regarding the rearward stability index (“SI”) the Commission proposed to require for high chairs. The preamble to the NPR (page 69151, section VIII.A.,

titled *Description of Proposed Changes to ASTM Standard, Rearward Stability*) and the briefing package available on the Commission’s Web site correctly described and discussed the Commission’s proposal to require high chairs to have an SI of 50 or more. However, the proposed regulatory text on page 69159 of the NPR misstated the proposed requirement as prohibiting high chairs from having an SI of 50 or more.

The Commission hereby makes the following correction to the NPR appearing on page 69144 in the **Federal Register** of November 9, 2015:

§ 1231.2 [Corrected]

■ On page 69159, in the third column, in § 1231.2, in paragraph (b)(2), “6.5.2 *Rearward stability*—When tested in accordance with 7.7.2.6 (paragraph (c)(3) of this section), a high chair shall not have a Rearward Stability Index of 50 or more.” is corrected to read “6.5.2 *Rearward stability*—When tested in accordance with 7.7.2.6 (paragraph (c)(3) of this section), a high chair shall have a Rearward Stability Index of 50 or more.”

Dated: January 15, 2016.

Todd A. Stevenson,

Secretary, *Consumer Product Safety Commission*.

BILLING CODE 6355-01-P

SECURITIES AND EXCHANGE COMMISSION

17 CFR Part 240

[Release No. 34-76922; File No. S7-15-15]

RIN 3235-AL74

Access to Data Obtained by Security-Based Swap Data Repositories and Exemption From Indemnification Requirement

AGENCY: Securities and Exchange Commission.

ACTION: Reopening of comment period.

SUMMARY: The Securities and Exchange Commission (“Commission”) is reopening the comment period for proposed amendments to rule 13n-4 under the Securities Exchange Act of 1934 (“Exchange Act”) related to regulatory access to security-based swap data held by security-based swap data repositories. The proposed rule amendments would implement Exchange Act provisions that conditionally require that security-based swap data repositories make data available to certain regulators and other

authorities. Recent legislation has modified certain underlying statutory provisions.

DATES: The comment period for the proposed rule published September 14, 2015, at 80 FR 55182, is reopened. Submit comments on or before February 22, 2016.

ADDRESSES: Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/proposed.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number S7-15-15 on the subject line; or
- Use the Federal eRulemaking Portal (<http://www.regulations.gov>). Follow the instructions for submitting comments.

Paper Comments

- Send paper comments to Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File Number S7-15-15. This file number should be included on the subject line if email is used. To help us process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s Internet Web site (<http://www.sec.gov/rules/proposed.shtml>). Comments are also available for Web site viewing and printing in the Commission’s Public Reference Room, 100 F Street NE., Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly.

Studies, memoranda, or other substantive items may be added by the Commission or staff to the comment file during this rulemaking. A notification of the inclusion in the comment file of any such materials will be made available on the SEC’s Web site. To ensure direct electronic receipt of such notifications, sign up through the “Stay Connected” option at www.sec.gov to receive notifications by email.
