SUPPLEMENTARY INFORMATION: As an entity created and funded by Congress, LSC has a duty to the American people to pursue its fundamental mission of equal access to justice. With this primary goal in mind, the LSC Board adopted a plan in 2012 setting forth the strategic goals that would guide LSC for five years, ending in 2016. The LSC Board is now in the process of updating and revising the strategic plan for an additional four year period. As part of this process, the LSC Board is seeking input from the public and interested stakeholders on whether the goals articulated in the current LSC strategic plan for 2012-2016, which is available at http://www.lsc.gov/sites/default/files/LSC/lscgov4/LSC_Strategic_Plan_2012-2016-Adopted_Oct_2012.pdf, are still suitable and timely and whether new goals, if any, should be considered. A summary of the goals follows.

The first and primary goal listed in the LSC strategic plan for 2012-2016 is to maximize the availability, quality, and effectiveness of the civil legal services that LSC's grantees provide to eligible low-income individuals. LSC identifies three avenues through which it can best accomplish this goal: (1) Identifying and replicating best practices associated with delivering high quality civil legal assistance to the poor by its grantees; (2) promoting the development and implementation of technologies that maximize the availability of legal information and assistance; and (3) expanding the availability of civil legal assistance through the most effective use of pro bono services and other private resources by LSC's grantees.

The second goal listed in the LSC strategic plan for 2012-2016 is to become a leading voice for civil legal services for poor Americans by providing national leadership and opportunities for collaboration with others committed to promoting civil legal services, including other funders of legal aid, governmental agencies, and judicial systems throughout the country.

The third and final goal listed in the LSC strategic plan for 2012–2016 is to achieve the highest standards of fiscal responsibility both for itself and its grantees. As a steward of congressional funds collected from the American taxpayer, LSC has a duty to be a prudent with the use of the resources allocated to it. LSC's goal is to comply with the parameters expressed by Congress and conform to the highest professional standards of fiscal transparency and accountability, both within the Corporation and in its fiscal oversight of those who receive funds from LSC.

Dated: January 15, 2016.

Stefanie K. Davis,

Assistant General Counsel.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA–2016–013]

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide agencies with mandatory instructions for what to do with records when agencies no longer need them for current Government business. The instructions authorize agencies to preserve records of continuing value in the National Archives of the United States and to destroy, after a specified period, records lacking administrative, legal, research, or other value. NARA publishes notice in the **Federal Register** for records schedules in which agencies propose to destroy records not previously authorized for disposal or to reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

DATES: NARA must receive requests for copies in writing by February 22, 2016. Once NARA appraises the records, we will send you a copy of the schedule you requested. We usually prepare appraisal memoranda that contain additional information concerning the records covered by a proposed schedule. You may also request these. If you do, we will also provide them once we have completed the appraisal. You have 30 days after we send you these requested documents in which to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting Records Management Services (ACNR) using one of the following means:

Mail: NARA (ACNR); 8601 Adelphi Road, College Park, MD 20740–6001.

Email: request.schedule@nara.gov.

FAX: 301–837–3698.

You must cite the control number, which appears in parentheses after the name of the agency that submitted the schedule, and a mailing address. If you would like an appraisal report, please include that in your request.

FOR FURTHER INFORMATION CONTACT:

Margaret Hawkins, Director, by mail at Records Management Services (ACNR); National Archives and Records Administration; 8601 Adelphi Road, College Park, MD 20740–6001, by phone at 301–837–1799, or by email at request.schedule@nara.gov.

SUPPLEMENTARY INFORMATION: Each year, Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing retention periods for records and submit these schedules for NARA's approval. These schedules provide for timely transfer into the National Archives of historically valuable records and authorize disposal of all other records after the agency no longer needs them to conduct its business. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

The schedules listed in this notice are media-neutral unless otherwise specified. An item in a schedule is media-neutral when an agency may apply the disposition instructions to records regardless of the medium in which it has created or maintains the records. Items included in schedules submitted to NARA on or after December 17, 2007, are media-neutral unless the item is specifically limited to a specific medium. (See 36 CFR 1225.12(e).)

Agencies may not destroy Federal records without the approval of the Archivist of the United States. The Archivist grants this approval only after thorough consideration of the records' administrative use by the agency of origin, the rights of the Government and of private people directly affected by the Government's activities, and whether or not the records have historical or other value.

In addition to identifying the Federal agencies and any subdivisions requesting disposition authority, lists the organizational unit(s) accumulating
