SUPPLEMENTARY INFORMATION:

Title: Health Breach Notification Rule.

OMB Control Number: 3084–0150.

Type of Review: Extension of a currently approved collection.

Abstract: The Health Breach Notification Rule (Rule), 16 CFR part 318, requires vendors of personal health records and PHR related entities¹ to provide: (1) Notice to consumers whose unsecured personally identifiable health information has been breached; and (2) notice to the Commission. The Rule only applies to electronic health records and does not include recordkeeping requirements. The Rule requires third party service providers (*i.e.*, those companies that provide services such as billing or data storage) to vendors of personal health records and PHR related entities to provide notification to such vendors and PHR related entities following the discovery of a breach. To notify the FTC of a breach, the Commission developed a form, which is posted at www.ftc.gov/healthbreach, for entities subject to the rule to complete and return to the agency.

On October 16, 2015, the FTC sought comment on the information collection requirements associated with the Rule. 80 FR 62530. The FTC received three comments. None of these however

¹ “PHR related entity” means an entity, other than a HIPAA-covered entity or an entity to the extent that it engages in activities as a business associate of a HIPAA-covered entity, that: (1) Offers products or services through the Web site of a vendor of personal health records; (2) offers products or services through the Web sites of HIPAA-covered entities that offer individuals personal health records; or (3) accesses information in a personal health record or sends information to a personal health record. 16 CFR 318.2(f).

addressed either the burden associated with the Rule or any of the other issues raised by the public comment request. Pursuant to the OMB regulations, 5 CFR part 1320, that implement the PRA, 44 U.S.C. 3501 *et seq.*, the FTC is providing this second opportunity for public comment while seeking OMB approval to renew the pre-existing clearance for the Rule. For more details about the Rule requirements and the basis for the calculations summarized below, see 80 FR 62530.

Likely Respondents: Vendors of personal health records, PHR related entities and third party service providers.

Estimated Annual Hours Burden: 3,267.

Estimated Frequency: 2 breach incidents per year.

Total Annual Labor Cost: \$61,764.

Total Annual Capital or Other Non-Labor Cost: \$49,960.
