

shipments,¹⁰ and no interested party provided comment concerning the results of the CBP query.

Therefore, based on TMI and TMM's certification and analysis information of the record, the Department preliminarily determines that TMI/TMM did not have any reviewable entries during the POR. In addition, the Department finds that consistent with its assessment practice in non-market economy ("NME") cases, it is appropriate not to rescind the review in part in this circumstance but, rather, to complete the review with respect to TMI/TMM and to issue appropriate instructions to CBP based on the final results of the review.¹¹

Public Comment

Interested parties are invited to comment on the preliminary results and may submit case briefs and/or written comments within 30 days of the date of publication of this notice, pursuant to 19 CFR 351.309(c)(1)(ii). Rebuttal briefs, limited to issues raised in the case briefs, will be due five days after the due date for case briefs, pursuant to 19 CFR 351.309(d). Parties who submit case or rebuttal briefs in this proceeding are requested to submit with each argument a statement of the issue, a summary of the argument not to exceed five pages, and a table of statutes, regulations, and cases cited, in accordance with 19 CFR 351.309(c)(2) and (d)(2).

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce. All documents must be filed electronically using Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System ("ACCESS"). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. An electronically-filed request must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Standard Time, within 30 days after the date of publication of this notice.¹² Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those

raised in the respective case briefs. The Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. Additionally, pursuant to a recently announced refinement to its assessment practice in NME cases, if the Department continues to determine that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the PRC-wide rate.¹³

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For TMI/TMM, which claimed no shipments, the cash deposit rate will remain unchanged from the rate assigned to TMI/TMM in the most recently completed review of the company; (2) for previously investigated or reviewed PRC and non-PRC exporters who are not under review in this segment of the proceeding but who have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 141.49 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter(s) that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.213.

Dated: February 1, 2016.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is initiating an expedited review of the countervailing duty order on supercalendered paper from Canada with respect to Catalyst Pulp and Paper Sales Inc., Catalyst Paper Corporation, and Catalyst Paper (USA) (collectively, Catalyst) and Irving Paper Limited (Irving).

DATES: Effective date: February 8, 2016.

SUPPLEMENTARY INFORMATION:

Background

On December 10, 2015, the Department published the countervailing duty order on supercalendered paper from Canada.¹

¹⁰ See CBP No Shipment Inquiry.

¹¹ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 24, 2011) and the "Assessment Rates" section, below.

¹² See 19 CFR 351.310(c).

¹³ For a full discussion of this practice, see *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 24, 2011).

On December 15 and 16, 2015, the Department received requests from Catalyst and Irving, respectively, to conduct an expedited review of this countervailing duty order.² Irving supplemented its request on January 6, 2015.³ Catalyst and Irving, companies that were not selected for individual examination during the investigation, made these requests pursuant to 19 CFR 351.214(k).

Initiation of Expedited Review

In accordance with 19 CFR 351.214(k)(1)(i)–(iii), Catalyst and Irving each certified that they exported the subject merchandise to the United States during the period of investigation; that they were not affiliated with an exporter or producer that the Department individually examined in the investigation; and that they informed the Government of Canada, as the government of the exporting country, that the government will be required to provide a full response to the Department's questionnaire.

Therefore, in accordance with 19 CFR 351.214(k), we are initiating an expedited review of the countervailing duty order on supercalendered paper from Canada. Pursuant to 19 CFR 351.214(i)(1) and (k)(3), we intend to issue the preliminary results of this expedited review not later than 180 days from the date of initiation of this review.⁴ As specified by 19 CFR 351.214(k)(3)(i), the period of review will be the same as the original period of investigation, *i.e.*, January 1, 2014, through December 31, 2014.

Pursuant to 19 CFR 351.214(k)(3)(iii), the final results of this expedited review will not be the basis for the assessment of countervailing duties. Instead, this expedited review is intended to establish individual cash deposit rates for Catalyst and Irving, or to exclude from the countervailing duty order a company for which the final results of review are zero or *de minimis*, as provided in 19 CFR 351.214(k)(3)(iv).
