Summary of the Application

1. Applicants request an order to permit (a) a Fund¹ (each a "Fund of Funds") to acquire shares of Underlying Funds² in excess of the limits in sections 12(d)(1)(A) and (C) of the Act and (b) the Underlying Funds that are registered open-end investment companies or series thereof, their principal underwriters and any broker or dealer registered under the Securities Exchange Act of 1934 to sell shares of the Underlying Fund to the Fund of Funds in excess of the limits in section 12(d)(1)(B) of the Act.³ Applicants also request an order of exemption under sections 6(c) and 17(b) of the Act from the prohibition on certain affiliated transactions in section 17(a) of the Act to the extent necessary to permit the Underlying Funds to sell their shares to, and redeem their shares from, the Funds of Funds.⁴ Applicants state that such transactions will be consistent with the policies of each Fund of Funds and each Underlying Fund and with the general

¹ Applicants request that the order apply to each existing and future series of Good Hill ETF Trust and to each existing and future registered open-end investment company or series thereof that is advised by Good Hill Partners LP or its successor or by any entity controlling, controlled by or under common control with Good Hill Partners LP or its successor and is part of the same "group of investment companies" as Good Hill ETF Trust (each, a "Fund"). For purposes of the requested order, "successor" is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization. For purposes of the request for relief, the term "group of investment companies" means any two or more investment companies, including closed-end investment companies and business development companies, that hold themselves out to investors as related companies for purposes of investment and investor services.

² Certain of the Underlying Funds have obtained exemptions from the Commission necessary to permit their shares to be listed and traded on a national securities exchange at negotiated prices and, accordingly, to operate as an exchange-traded fund ("ETF").

³ Applicants represent that a Funds of Funds will not invest in reliance on the order in business development companies or closed-end investment companies that are not listed and traded on a national securities exchange.

⁴ A Fund of Funds generally would purchase and sell shares of an Underlying Fund that operates as an ETF through secondary market transactions rather than through principal transactions with the Underlying Fund. Applicants nevertheless request relief from section 17(a) to permit a Fund of Funds to purchase or redeem shares from the ETF. A Fund of Funds will purchase and sell shares of an Underlying Fund that is a closed-end fund through secondary market transactions at market prices rather than through principal transactions with the closed-end fund. Accordingly, applicants are not requesting section 17(a) relief with respect to transactions in shares of closed-end funds (including business development companies).

purposes of the Act and will be based on the net asset values of the Underlying Funds.

2. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over an Underlying Fund that is not in the same "group of investment companies" as the Fund of Funds through control or voting power, or in connection with certain services, transactions, and underwritings, (ii) excessive layering of fees, and (iii) overly complex fund structures, which are the concerns underlying the limits in sections 12(d)(1)(A), (B), and (C) of the Act.

3. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-77074; File No. SR-NYSEMKT-2016-14]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Supplementary Material .10 to Rule 103B—Equities To Provide That Any Senior Official of a Listed Company With the Rank of Corporate Secretary or Higher Can Sign the Written Request of a Listed Company Seeking To Change Its Designated Market Maker Unit

February 5, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 27, 2016, NYSE MKT LLC (the "Exchange" or "NYSE MKT") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Supplementary Material .10 to Rule 103B—Equities to provide that any senior official of a listed company with the rank of Corporate Secretary or higher can sign the written request of a listed company seeking to change its designated market maker ("DMM") unit. The proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below,

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Supplementary Material .10 to Rule 103B—Equities to provide that any senior official of a listed company with the rank of Corporate Secretary or higher can sign the written request of a listed company seeking to change its DMM unit required by that provision.

Supplementary Material .10 to Rule 103B—Equities establishes a process to be followed by any listed company wishing to change to a new DMM unit. The rule provides that a listed company wishing to change DMM units must file with the Corporate Secretary of the Exchange a written notice (the "Issuer Notice"), signed by the company's chief executive officer. The Issuer Notice is required to indicate the specific issues prompting this request. It has been the Exchange's experience that companies have occasionally found it burdensome to obtain the signature of their CEO for purposes of submitting an Issuer Notice and that this requirement has caused an undesirable delay when companies are making their submissions. We also note that this requirement is inconsistent with the provisions of Rule 103B—Equities in relation to an issuer's initial selection of a DMM, which provides that any senior official with the rank of Corporate Secretary or higher (or, in the case of a structured product listing, a senior officer of the issuer) can sign the notice in which a listed company informs the Exchange of its initial selection of a DMM unit. It has been the Exchange's experience that a senior officer other than the chief executive officer often manages the DMM relationship on behalf of the listed company and has authority to take action in relation to that relationship. We also note that the NYSE recently amended its parallel provision (Section 806.01 of the NYSE's Listed Company Manual) to address this issue by providing that an Issuer Notice may be signed by an official of the listed company with the rank of Corporate Secretary or higher.³ Consequently, we propose to amend Supplementary Material .10 to Rule 103B—Equities to make the same change.

³ See Securities Exchange Act Release No. 76591 (December 8, 2015), 80 FR 77392 (December 14, 2015) (SR-NYSE-2015-63).

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)⁴ of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the proposed amendment is consistent with the investor protection objectives of Section 6(b)(5) because it is designed to ensure that listed companies are able to expeditiously change their DMM unit when senior management of the listed company believes it is desirable to do so. An effective relationship between the listed company and the DMM is important to the maintenance of a high quality market for the company's securities and is therefore in the interests of investors.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The proposed rule change is designed to permit listed companies to apply for a change in the DMM unit allocated to their securities on the basis of a notice signed by any officer with the title of Corporate Secretary or higher rather than requiring that it be signed in all cases by the CEO, as is currently the case. The proposed amendment simply provides more flexibility in providing the required paperwork and conforms the signing requirements with respect to the commencement and severing of a listed company's relationship with its DMM unit, but does not change any of the substantive rights of the listed company or the DMM unit in any way. As such, the Exchange does not expect the rule change to have any significant impact on competition.

⁵ 15 U.S.C. 78f(b)(5).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and Rule 19b-4(f)(6) thereunder.⁷ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

A proposed rule change filed under Rule 19b-4(f)(6)¹⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative immediately. The Exchange believes that providing greater flexibility in the preparation of the paperwork needed to request a change of DMM unit is in the interests of investors as it is important to the maintenance of a high quality market for an issuer's stock that the issuer has a good relationship with its DMM. As the Exchange notes in its filing, the proposal would better conform the process for changing a DMM to that which is used for initially selecting a DMM. In particular, the officer's signature that would be required to change a company's DMM

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

must be that of a senior official at the company with a rank of Corporate Secretary or above. Based on the foregoing, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. For this reason, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.
