SUPPLEMENTARY INFORMATION: CPSC seeks to renew the following currently approved collection of information:

Title: Requirements Pertaining to Third Party Conformity Assessment Bodies.

OMB Number: 3041-0156.

Type of Review: Renewal of collection.

Frequency of Response: On occasion.

Affected Public: Third party conformity assessment bodies seeking acceptance of accreditation or continuing accreditation.

Estimated Burden:

- **New Applications from Third Party Conformity Assessment Bodies.**

- We estimate approximately 40 new applications from independent third party conformity assessment bodies will be submitted per year, taking an estimated 75 minutes to complete the

initial application materials, with an estimated burden of 50 hours per year.

- We estimate approximately 3 firewalled third party conformity assessment bodies will apply per year, taking an estimated 8.4 hours to complete the initial application materials, with an estimated burden of 25.2 hours per year.

- We estimate approximately 4 governmental third party conformity assessment bodies will apply per year, taking an estimated 3 hours to complete the initial application materials, with an estimated burden of 12 hours per year.

- **Third party conformity assessment bodies updating information.**

- We estimate that approximately 5 third party conformity assessment bodies will take 15 minutes to update information for only those elements of information that need updating, with an estimated burden of 1.35 hours per year.

- **Third party conformity assessment bodies that subcontracts out tests.**

- We estimate that approximately 27 third party conformity assessment bodies will take 7 minutes to comply with the subcontracting recordkeeping requirement for an estimated 68,769 subcontract test, with an estimated of approximately 8,023 hours per year.

- **Third party conformity assessment bodies that voluntarily withdraw.**

- We estimate approximately 8 third party conformity assessment bodies will withdraw yearly, taking an estimated 30 minutes to create and submit the required documentation, with an estimated burden of 4 hours per year.

- **Third party conformity assessment bodies that are audited.**

- We estimate that approximately 228 independent third party conformity assessment bodies each year will be audited, taking approximately 4 minutes to resubmit their Form 223 and accreditation certificate, with an estimated burden of 15.2 hours per year.

- We estimate that approximately 18 firewalled third party conformity assessment bodies will spend 226 minutes collecting and preparing the documentation to submit for an audit, with estimated burden of about 68 hours per year.

- We estimate approximately 25 governmental third party conformity assessment bodies will spend 1 hour collecting and preparing the documentation to submit for an audit, with estimated burden of 25 hours per year.

- **Total Annual Burden.**

Adding all of the annual estimated burden hours results in a total of 8,224 hours for third party conformity assessment bodies per year. At \$38.78 per hour, the total cost of the

recordkeeping associated with the Requirements Pertaining to Third Party Conformity Assessment Bodies is approximately \$318,927 (8,224 hours × \$38.78 = \$318,927).

General Description of Collection: On March 12, 2013, the Commission issued a rule Pertaining to Third Party Conformity Assessment Bodies (78 FR 15836). The rule established the general requirements concerning third party conformity assessment bodies, such as the requirements and procedures for CPSC acceptance of the accreditation of a third party conformity assessment body, and prescribed adverse actions that may be imposed against CPSC-accepted third party conformity assessment bodies. The rule also amended the audit requirements for third party conformity assessment bodies and amends the Commission's regulation on inspections.

CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Proposed Information Collection; Comment Request

AGENCY: CNCS.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (CNCS), as part of its continuing effort to reduce

paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. Sec. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

Currently, CNCS is soliciting comments concerning its proposed renewal of the National Service Trust Voucher and Payment Request Form/National Service Trust Manual Payment Request Form (OMB #3045-0014); which is used to make payments to repay qualified student loans and to pay for the cost of attending eligible post-secondary educational institutions and approved School-to-Work programs. Prior to making the payments, CNCS will review information from the forms and compare it to information taken from the AmeriCorps members' education award account(s) to ensure that the payments meet the requirements of the law. This information collection is not required to be considered for obtaining grant funding support.

Copies of the information collection request can be obtained by contacting the office listed in the **ADDRESSES** section of this Notice.

DATES: Written comments must be submitted to the individual and office listed in the **ADDRESSES** section by April 12, 2016.

Background

CNCS supports programs that provide opportunities for individuals who want to become involved in national service. The service opportunities cover a wide range of activities over varying periods of time. Upon successfully completing an agreed-upon term of service in an approved AmeriCorps program, an AmeriCorps member receives an education award.

The National Service Trust is the office within CNCS that administers the education award program. This involves tracking the service for all AmeriCorps members, ensuring that certain requirements of CNCS enabling legislation are met, and processing school and loan payments that the members authorize both manually and electronically through the MyAmeriCorps portal. With this form AmeriCorps members request Segal Education Award payments, schools and lenders certify their eligibility, and both parties certify certain legal requirements.

Current Action

CNCS seeks to renew the current information collection request.

After an AmeriCorps member completes a period of national service, the individual receives an education award that can be used to pay against qualified student loans or pay for

current post-secondary educational expenses. The *National Service Trust Voucher and Payment Request Form/National Service Trust Manual Payment Request Form* is the document that a member uses to access his or her account in the National Service Trust.

The information collection will otherwise be used in the same manner as the existing application. CNCS also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on 03/31/2016.
