Title 3—

Executive Order 13719 of February 9, 2016

The President

## Establishment of the Federal Privacy Council

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

**Section 1. Policy.** The mission of the United States Government is to serve its people. In order to accomplish its mission, the Government lawfully collects, maintains, and uses large amounts of information about people in a wide range of contexts. Protecting privacy in the collection and handling of this information is fundamental to the successful accomplishment of the Government's mission. The proper functioning of Government requires the public's trust, and to maintain that trust the Government must strive to uphold the highest standards for collecting, maintaining, and using personal data. Privacy has been at the heart of our democracy from its inception, and we need it now more than ever.

Executive departments and agencies (agencies) already take seriously their mission to protect privacy and have been working diligently to advance that mission through existing interagency mechanisms. Today's challenges, however, require that we find even more effective and innovative ways to improve the Government's efforts. Our efforts to meet these new challenges and preserve our core value of privacy, while delivering better and more effective Government services for the American people, demand leadership and enhanced coordination and collaboration among a diverse group of stakeholders and experts.

Therefore, it shall be the policy of the United States Government that agencies shall establish an interagency support structure that: builds on existing interagency efforts to protect privacy and provides expertise and assistance to agencies; expands the skill and career development opportunities of agency privacy professionals; improves the management of agency privacy programs by identifying and sharing lessons learned and best practices; and promotes collaboration between and among agency privacy professionals to reduce unnecessary duplication of efforts and to ensure the effective, efficient, and consistent implementation of privacy policy Government-wide.

**Sec. 2. Policy on Senior Agency Officials for Privacy.** Within 120 days of the date of this order, the Director of the Office of Management and Budget (Director) shall issue a revised policy on the role and designation of the Senior Agency Officials for Privacy. The policy shall provide guidance on the Senior Agency Official for Privacy's responsibilities at their agencies, required level of expertise, adequate level of resources, and other matters as determined by the Director. Agencies shall implement the requirements of the policy within a reasonable time frame as prescribed by the Director and consistent with applicable law.

**Sec. 3. Responsibilities of Agency Heads.** The head of each agency, consistent with guidance to be issued by the Director as required in section 2 of this order, shall designate or re-designate a Senior Agency Official for Privacy with the experience and skills necessary to manage an agency-wide privacy program. In addition, the head of each agency, to the extent permitted by law and consistent with ongoing activities, shall work with the Federal Privacy Council, established in section 4 of this order.

**Sec. 4. The Federal Privacy Council.**

(a) *Establishment.* There is hereby established the Federal Privacy Council (Privacy Council) as the principal interagency forum to improve the Government privacy practices of agencies and entities acting on their behalf. The establishment of the Privacy Council will help Senior Agency Officials for Privacy at agencies better coordinate and collaborate, educate the Federal workforce, and exchange best practices. The activities of the Privacy Council will reinforce the essential work that agency privacy officials undertake every day to protect privacy.

(b) *Membership.* The Chair of the Privacy Council shall be the Deputy Director for Management of the Office of Management and Budget. The Chair may designate a Vice Chair, establish working groups, and assign responsibilities for operations of the Privacy Council as he or she deems necessary.
