

matters that the Under Secretary refers to the Panel for review and advice. The charter and other information are located online at <http://www.nauticalcharts.noaa.gov/ocs/hsrp/CharterBylawsHSIAStatute.htm>.

Matters to Be Considered: The panel is convening to hear federal, state, regional and local partners and stakeholders on issues relevant to NOAA's navigation services, particularly focusing on the Texas Gulf Coast area. Navigation services include the data, products, and services provided by the NOAA programs and activities that undertake geodetic observations, gravity modeling, shoreline mapping, bathymetric mapping, hydrographic surveying, nautical charting, tide and water level observations, current observations, and marine modeling. This suite of NOAA products and services support safe and efficient navigation, resilient coasts and communities, and the nationwide positioning information infrastructure to support America's commerce.

The Panel will hear from federal agencies and non-federal organizations about their missions and their use of NOAA's navigation services; what value these services bring; and what improvements could be made. Other administrative matters may be considered. This agenda is subject to change.

Special Accommodations: This meeting is physically accessible to people with disabilities. Direct requests for sign language interpretation or other auxiliary aids to Lynne.Mersfelder@noaa.gov by February 26, 2016.

Dated: January 29, 2016.

Taking and Importing Marine Mammals; Taking Marine Mammals Incidental to Waterfront Construction

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; receipt of application for Letters of Authorization; request for comments and information.

SUMMARY: NMFS' Office of Protected Resources has received a request from the U.S. Navy (Navy) for authorization to take small numbers of marine mammals incidental to conducting waterfront construction, over the course of five years from the date of issuance. Pursuant to regulations implementing the Marine Mammal Protection Act (MMPA), NMFS is announcing receipt of the Navy's request for the development and implementation of regulations governing the incidental taking of marine mammals. NMFS invites the public to provide information, suggestions, and comments on the Navy's application and request.

DATES: Comments and information must be received no later than March 18, 2016.
