Executive Summary: Through the NACA Program, the CDFI Fund provides (i) FA awards of up to \$1 million to Certified Community Development Financial Institutions (CDFIs) serving Native American, Alaska Native, or Native Hawaiian populations or Native American areas defined as Federally-designated reservations, Hawaiian homelands, Alaska Native Villages and U.S. Census Bureau-designated Tribal Statistical Areas (collectively, "Native Communities") to build their financial capacity to lend to their Target Markets, and (ii) TA grants of up to \$150,000 to build Certified, Certifiable, and Emerging CDFIs' organizational capacity to serve their Target Markets and Sponsoring Entities ability to create Certified CDFIs that serve Native Communities. All awards provided

through this NOFA are subject to funding availability.

I. Program Description

A. History: The CDFI Fund was established by the Riegle Community Development Banking and Financial Institutions Act of 1994 to promote economic revitalization and community development through investment in and assistance to CDFIs. Since its creation in 1994, the CDFI Fund has awarded over \$2 billion to CDFIs, community development organizations, and financial institutions through the Community Development Financial Institutions Program (CDFI Program), the Native American CDFI Assistance Program (NACA Program), the Bank Enterprise Award Program (BEA Program), the Capital Magnet Fund, and the Financial Education and Counseling Pilot Program. In addition, the CDFI

Fund has allocated more than \$43 billion in tax credit allocation authority through the New Markets Tax Credit Program (NMTCP) and has obligated \$852 million in bond guarantees to Eligible CDFIs through the CDFI Bond Guarantee Program.

B. Priorities: Through the NACA Program's FA awards and TA grants, the CDFI Fund invests in and builds the capacity of for-profit and non-profit community based lending organizations known as Community Development Financial Institutions, or CDFIs. These organizations, Certified as CDFIs by the CDFI Fund, serve Native Communities.

C. Program Regulations: The regulations governing the CDFI Program are found at 12 CFR parts 1805 and 1815 (the Regulations), and are used by the CDFI Fund to govern, in general, the NACA Program, setting forth evaluation criteria and other program requirements.

The CDFI Fund encourages Applicants to review the Regulations, this NOFA, the Application, and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR part 200; 78 FR 78590) (Uniform Administrative Requirements) for a complete understanding of the NACA Program. Capitalized terms in this NOFA are defined in the Regulations, this NOFA, the Application, or the Uniform Administrative Requirements. Details regarding Application content requirements are found in the Application and related materials.

D. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR part 200): The Uniform Administrative Requirements codifies financial, administrative, procurement,

and program management standards that Federal award agencies must follow. When evaluating award applications, awarding agencies must evaluate the risks to the program posed by each applicant, and each applicant's merits and eligibility. These requirements are designed to ensure that applicants for Federal assistance receive a fair and consistent review prior to an award decision. This review will assess items such as the Applicant's financial stability, quality of management systems, history of performance, and single audit findings. In addition, the Uniform Administrative Requirements includes guidance on audit requirements and other award compliance requirements for award Recipients.

E. Funding limitations: The CDFI Fund reserves the right to fund, in

whole or in part, any, all, or none of the Applications submitted in response to this NOFA. The CDFI Fund also reserves the right to reallocate funds from the amount that is anticipated to be available through this NOFA to other CDFI Fund initiatives that are designed to benefit Native American, Native Hawaiian, and Alaskan Native communities, particularly if the CDFI Fund determines that the number of awards made through this NOFA is fewer than projected.

II. Federal Award Information

A. Funding Availability:

1. FY 2016 Funding Round: The CDFI Fund expects to award, through this NOFA, approximately \$15.5 million as indicated in the following table:

TABLE 2—FY 2016 FUNDING ROUND ANTICIPATED CATEGORY AMOUNTS

Total	15.5	40

* HFFI-FA appropriation will be allocated in one competitive round between the NACA and CDFI Program NOFAs.

The CDFI Fund reserves the right to award more or less than the amounts cited above in each category, based upon available funding and other factors, as appropriate.

2. Funding Availability for the FY 2016 Funding Round: Funds for the FY 2016 Funding Round were appropriated in the Consolidated Appropriations Act, 2016 (Pub. L. 114–113).

3. Anticipated Start Date and Period of Performance: The CDFI Fund anticipates the period of performance for the FY 2016 Funding Round will begin in September 2016. Specifically, the period of performance for TA grants begins with the date of the notice of the award and includes either (i) an Emerging or Certified CDFI award Recipient's two full consecutive fiscal years after the date of the notice of the award or (ii) a Sponsoring Entity award Recipient's four full consecutive fiscal years after the date of the notice of the award, during which the Recipient must meet the performance goals set forth in the Assistance Agreement. The period of performance for FA awards includes an award Recipient's three full consecutive fiscal years after the date of the notice of the award, during which time the

Recipient must meet its performance goals.

B. Types of Awards: Through the NACA Program, the CDFI Fund provides two types of awards: Financial Assistance (FA) and Technical Assistance (TA) awards. *An Applicant may submit an Application for a TA grant or an FA award, but not both.*

1. FA Awards: FA awards can be in the form of loans, grants, Equity Investments, deposits and credit union shares. The form of the FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waives the matching funds requirement. Matching funds are required for FA awards, must be from non-Federal sources, and cannot have been used as matching funds for any other Federal award. The CDFI Fund reserves the right, in its sole discretion, to provide an FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant's award request as stated in its Application.

2. Healthy Food Financing Initiative—Financial Assistance (HFFI-FA) Awards: HFFI-FA awards will be

provided as a supplement to FA awards; therefore, only those Applicants that have been selected to receive an FA award through the NACA Program FY 2016 Funding Round will be eligible to receive an HFFI-FA award. HFFI-FA awards can be in the form of loans, grants, Equity Investments, deposits and credit union shares. The form of the HFFI-FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waives the matching funds requirement. Matching funds are required for HFFI-FA awards, must be from non-Federal sources, and cannot have been used as matching funds for any other Federal award. The CDFI Fund reserves the right, in its sole discretion, to provide an HFFI-FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant's award request as stated in its Application.

3. TA Grants: TA is provided in the form of grants. The CDFI Fund reserves the right, in its sole discretion, to provide a TA grant in an amount other than which the Applicant requests; however, the TA grant amount will not

exceed the Applicant's request as stated in its Application and the applicable budget chart.

C. Application Submission: The CDFI Fund has a two-step process that requires the submission of application documents on separate deadlines and locations. The SF-424 must be submitted through Grants.gov and all other application documents through the AMIS portal. The CDFI Fund will not accept Applications via email, mail, facsimile, or other forms of communication, except in extremely rare circumstances that have been pre-approved by the CDFI Fund.

Applicants are only required to submit the OMB SF-424, Application for Federal Assistance form in Grants.gov as all other application information (listed in Table 10) will be submitted through AMIS. The deadline for submitting the SF 424 is 30 days after the publication of the NOFA. All other application information must be submitted in AMIS and only the Authorized Representative or Application Point of Contact can submit the application.

Applicants are encouraged to submit the SF-424 as early as possible through Grants.gov to provide time to resolve any submission problems. Applicants should contact Grants.gov directly with questions related to the registration or submission process as the CDFI Fund does not maintain the Grants.gov system.

The CDFI Fund strongly encourages Applicants to start the Grants.gov registration process as soon as possible (refer to the following link: <http://www.grants.gov/web/grants/register.html>) as it may take several weeks to complete. An Applicant that has previously registered with Grants.gov must verify that its registration is current and active.

D. Dun & Bradstreet Universal Numbering System (DUNS): Pursuant to the Uniform Administrative Requirements, each Applicant must provide as part of its Application submission, a Dun and Bradstreet Universal Numbering System (DUNS) number. Applicants without a DUNS

number will not be able to register and submit an Application in the Grants.gov system. Please allow sufficient time for Dun & Bradstreet to respond to inquiries and/or requests for DUNS numbers.

E. System for Award Management (SAM): Any entity applying for Federal grants or other forms of Federal financial assistance through Grants.gov must be registered in SAM before submitting its Application. The SAM registration process can take several weeks to complete. Applicants that have previously completed the SAM registration process must verify that their SAM accounts are current and active. Each Applicant must continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an Application under consideration by a Federal awarding agency. The CDFI Fund will not consider any Applicant that fails to properly register or activate its SAM account and, as a result, is unable to

submit its Application by the Application deadline. Applicants must contact SAM directly with questions related to registration or SAM account

changes as the CDFI Fund does not maintain this system. For more information about SAM, please visit <https://www.sam.gov>.

2. *Confirmation of Application Submission in Grants.gov and AMIS:* Applicants are required to submit the OMB SF-424, Application for Federal Assistance through the Grants.gov system and must submit all other required application materials through the AMIS Web site. Application materials submitted through both systems are due by the application deadlines. Applicants must submit the SF 424 on an earlier deadline from the other required application materials in AMIS. If the SF-424 is not successfully accepted by Grants.gov by the deadline, the CDFI Fund will not review any of the material submitted in AMIS and the Application will be deemed ineligible.

(a) *Grants. Gov. Submission Information:* Each Applicant will receive an email from Grants.gov immediately after submitting the SF-424 confirming that the submission has entered the Grants.gov system. This email will contain a tracking number for the submitted SF-424. Within 48 hours, the Applicant will receive a second email, which will indicate if the submitted SF-424 was either successfully validated or rejected with errors. However, Applicants should not rely on the email notification from Grants.gov to confirm that their SF-424 was validated. Applicants are strongly encouraged to use the tracking number provided in the first email to closely monitor the status of their SF-424 by contacting the helpdesk at Grants.gov directly. The Application material submitted in AMIS is not officially accepted by the CDFI Fund until Grants.gov has validated the SF-424.

(b) *Award Management Information System (AMIS) Submission Information:* AMIS is a web-based portal where Applicants will directly enter their application information and add required attachments listed in Table 10.

AMIS will verify that the Applicant provided the minimum information required to submit an Application. Applicants are responsible for the quality and accuracy of the information and attachments included in the Application submitted in AMIS. The CDFI Fund strongly encourages the Applicant to allow sufficient time to confirm the Application content, review the material submitted, and remedy any issues prior to the Application deadline. Only the Authorized Representative or the application Point of Contact can submit the Application. Applicants can only submit one Application. Upon submission, the Application will be locked and cannot be resubmitted, edited, or modified in any way. The CDFI Fund will not unlock or allow multiple Applications submissions.

3. *Late Submission:* The CDFI Fund will not accept an Application submitted after the Application deadline except where the submission delay was a direct result of a Federal government administrative or technological error. In such case, the Applicant must submit a request for acceptance of late Application submission and include documentation of the error no later than two business days after the Application deadline. The CDFI Fund will not respond to request for acceptance of late Application submissions after that time period. Applicants must submit late Application submission requests to the CDFI Helpdesk at cdfihelp@cdfi.treas.gov with a subject line of "Late Application Submission Request."

G. *Funding Restrictions:* FA, HFFI-FA and TA awards are limited by the following:

1. *FA awards:*

(a) An award Recipient shall use FA funds only for the eligible activities described in Section II. Award

Description (C)(1) of this NOFA and its Assistance Agreement.

(b) A Recipient may not distribute FA funds to an Affiliate, Subsidiary, or any other entity, without the CDFI Fund's prior written approval.

(c) FA funds shall only be paid to the Recipient.

(d) The CDFI Fund, in its sole discretion, may pay FA funds in amounts, or under terms and conditions, which are different from those requested by an Applicant.

2. *HFFI-FA awards:*

(a) An award Recipient shall use HFFI-FA funds only for the eligible activities described in Section II. Award Description (C)(1) of this NOFA and its Assistance Agreement.

(b) A Recipient may not distribute HFFI-FA funds to an Affiliate, Subsidiary, or any other entity, without the CDFI Fund's prior written approval.

(c) HFFI-FA funds shall only be paid to the Recipient.

(d) The CDFI Fund, in its sole discretion, may pay HFFI-FA funds in amounts, or under terms and conditions, which are different from those requested by an Applicant.

3. *TA grants:*

(a) An award Recipient shall use TA funds only for the eligible activities described in Section II. Award Description (C)(2) of this NOFA and its Assistance Agreement.

(b) A Sponsoring Entity award Recipient must create, as a legal entity, the Emerging CDFI no later than the end of the first year of the period of performance, whereupon the Sponsoring Entity must request the CDFI Fund to amend the Assistance Agreement and add the Emerging CDFI as a co-Recipient thereto, with the Sponsoring Entity, thereby transferring any and all remaining balances and/or

assets derived from the TA award to the Emerging CDFI.

(c) A Recipient may not distribute TA funds to an Affiliate, Subsidiary or any other entity, without the CDFI Fund's prior written consent.

(d) TA funds shall only be paid to the Recipient.

(e) The CDFI Fund, in its sole discretion, may pay TA funds in amounts, or under terms and conditions, which are different from those requested by an Applicant.

V. Application Review Information

1. *Criteria:* If the Applicant has submitted a complete and eligible Application, the CDFI Fund will conduct a substantive review in accordance with the criteria and procedures described in the

Regulations, this NOFA, the Application guidance, and the Uniform Administrative Requirements. The CDFI Fund reserves the right to contact the Applicant by telephone, email, or mail for the sole purpose of clarifying or confirming Application information. If contacted, the Applicant must respond within the time period communicated by the CDFI Fund or run the risk that its Application will be rejected.

(a) *Application Scoring and Award Selection (FA, HFFI-FA, and TA):* The CDFI Fund will evaluate each Application using the FA and TA Application Scoring Criteria described in the Application. An Applicant must receive a minimum 40 percent of the total score for the FA, HFFI-FA, and TA components in order to be considered for an award. An Applicant that is an

Emerging CDFI and has not received a previous TA award will be rated, among other elements, on its plan to meet the requirements of a Certified CDFI within two years of the beginning of the period of performance. In addition, an Emerging CDFI Applicant that is a prior TA Recipient will be rated, among other elements, on its plan to meet the CDFI certification goal specified in its previous Assistance Agreement. A Sponsoring Entity Applicant will be rated, among other elements, on its plan to create an Emerging CDFI by the end of the first year of the performance period and comply with CDFI Certification requirements within four years of the beginning of the period of performance.

The CDFI Fund will score each part as indicated in Tables 12 and 13.

2. *Review and Selection Process.* All Applications will be initially evaluated by external non-Federal reviewers who are selected based on criteria that includes: a professional background in community and economic development finance; understanding of community and economic development in Native Communities; experience reviewing financial statements of all CDFI institution types; and experience performing underwriting of community and economic development projects. Reviewers must complete the CDFI Fund's conflict of interest process and be approved by the CDFI Fund. The CDFI Fund's application reader conflict

of interest policy is located on the CDFI Fund's Web site.

TA Applications will be evaluated by one external reviewer; FA and HFFI-FA Applications will be evaluated by three external reviewers. All Applications will be reviewed in accordance with reviewer evaluation materials. Applications will be ranked based on Application scores, from highest to lowest. In the case of tied scores, Applicants will be ranked first according to each Performance score, then the Purpose section. TA Applicants, FA Applicants, and HFFI-FA Applicants will be grouped and ranked separately.

3. *Programmatic and Financial Risk Analysis.* The CDFI Fund conducts three additional levels of due diligence for Applications that are in scoring contention for an award. This due diligence includes an analysis of programmatic and financial risk factors including, but not limited to: financial stability; quality of management systems and ability to meet award management standards; history of performance in managing Federal awards (including timeliness of reporting and compliance); reports and findings from audits; and the Applicant's ability to effectively implement Federal requirements. Award amounts may be reduced as a

result of this analysis. In addition, for FA awards, the CDFI Fund may reduce awards sizes from requested amounts based on certain variables, including an Applicant's loan disbursement activity, total portfolio outstanding, and similar factors. Lastly, the CDFI Fund may consider geographic diversity of Applicants when making its funding decisions.

4. *Insured Depository Institutions:* The CDFI Fund will consider safety and soundness information from the Appropriate Federal or State Banking Agency. If the Applicant is a CDFI Depository Institution Holding Company, the CDFI Fund will consider information provided by the Appropriate Federal or State Banking Agencies about both the CDFI Depository Institution Holding Company and the CDFI Certified Insured Depository Institution that will expend and carry out the award. If the Appropriate Federal Banking Agency or Appropriate State Agency identifies safety and soundness concerns, the CDFI Fund will assess whether the concerns cause or will cause the Applicant to be incapable of undertaking the activities for which funding has been requested.

5. *Non-Regulated Institutions:* In accordance with the NACA Program's authorizing statute and regulations, the CDFI Fund must ensure, to the maximum extent practicable, that recipients that are non-regulated CDFIs are financially and managerially sound and maintain appropriate internal controls (12 U.S.C. 4707(f)(1)(A) and 12 CFR 1805.800(b)). Further, the CDFI Fund must determine that an Applicant's capacity to operate as a CDFI will not be dependent upon assistance from the CDFI Fund for continued viability (12 U.S.C. 4704(b)(2)(A)). If it is determined the Applicant is incapable of meeting these requirements, the CDFI Fund reserves the right to deem the Applicant ineligible or terminate the award.

6. *Anticipated Award Announcement:* The CDFI Fund anticipates making the NACA Program award announcement after September 23, 2016 and before September 30, 2016.

7. *Application Rejection:* The CDFI Fund reserves the right to reject an Application if information (including administrative error) comes to the CDFI Fund's attention that either: adversely affects an Applicant's eligibility for an award; adversely affects the Recipient's certification as a CDFI (to the extent that the award is conditional upon CDFI certification); adversely affects the CDFI Fund's evaluation or scoring of an Application; or indicates fraud or

mismanagement on the Applicant's part. If the CDFI Fund determines any portion of the Application is incorrect in a material respect, the CDFI Fund reserves the right, in its sole discretion, to reject the Application. The CDFI Fund reserves the right to change its eligibility and evaluation criteria and procedures, if the CDFI Fund deems it appropriate. If the changes materially affect the CDFI Fund's award decisions, the CDFI Fund will provide information about the changes through its Web site. The CDFI Fund's award decisions are final and there is no right to appeal the decisions.

VI. Federal Award Administration Information

A. *Award Notification:* Each successful Applicant will receive an email "notice of award" notification from the CDFI Fund stating that its Application has been approved for an award. Each Applicant not selected for an award will receive an email stating that a debriefing notice has been provided in its AMIS account.

B. *Assistance Agreement:* Each Applicant selected to receive an award must enter into an Assistance Agreement with the CDFI Fund in order to receive a payment(s). The Assistance Agreement will set forth the award's terms and conditions, including but not be limited to the: (i) Award amount; (ii) award type; (iii) award uses; (iv) eligible use of funds; (v) performance goals and measures; and (vi) reporting requirements. FA Assistance Agreements have three-year periods of performance; TA Assistance Agreements have two-year periods of performance for Emerging and Certified CDFI TA Recipients and four-year periods of performance for Sponsoring Entity TA Recipients. Upon creation of the Emerging CDFI, the Sponsoring Entity will request the CDFI Fund to amend the Assistance Agreement and add the Emerging CDFI as a party thereto; the Emerging CDFI, as co-awardee, must comply with all of the requirements in the Assistance Agreement, including all program goals and measures.

1. *Certificate of Good Standing:* All FA and TA Recipients that are not Insured Depository Institutions will be required to provide the CDFI Fund with a certificate of good standing from the secretary of state for the Recipient's State of incorporation prior to closing. This certificate can often be acquired online on the secretary of state Web site for the Recipient's State of incorporation and must generally be dated within 270 days before the date the Recipient executes the Assistance Agreement. Due to potential backlogs in State

government offices, Applicants are advised to submit requests for certificates of good standing no later than 60 days after they submit their Applications.

2. *Closing:* Pursuant to the Assistance Agreement, there will be an initial closing at which point the Assistance Agreement and related documents will be properly executed and delivered, and an initial payment of FA or TA may be made. FA Recipients that are subject to the matching funds requirement will not receive a payment until 100 percent of their matching funds are In-Hand. The first payment is the estimated amount of award that the Recipient states in its Application that it will use for eligible FA or TA activities in the first 12 months after the award.

The CDFI Fund will minimize the time between the Recipient incurring costs for eligible activities and award payment based on what is administratively feasible. The advanced payments for eligible activities will occur no more than one year in advance of the Recipient incurring costs for the eligible activities. Following the initial closing, there may be subsequent closings involving additional award payments. Any documents in addition to the Assistance Agreement that are connected with such subsequent closings and payments shall be properly executed and timely delivered by the Recipient to the CDFI Fund.

3. *Requirements Prior to Entering into an Assistance Agreement:* If, prior to entering into an Assistance Agreement, information (including administrative error) comes to the CDFI Fund's attention that: Adversely affects the Recipient's eligibility for an award; adversely affects the Recipient's certification as a CDFI (to the extent that the award is conditional upon CDFI certification); adversely affects the CDFI Fund's evaluation of the Application; indicates that the Recipient is not in compliance with any requirement listed the Uniform Administrative Requirements; or indicates fraud or mismanagement on the Recipient's part, the CDFI Fund may, in its discretion and without advance notice to the Recipient, terminate the award or take such other actions as it deems appropriate. The CDFI Fund reserves the right, in its sole discretion, to rescind an award if the Recipient fails to return the Assistance Agreement, signed by the authorized representative of the Recipient, and/or provide the CDFI Fund with any other requested documentation, within the CDFI Fund's deadlines.

In addition, the CDFI Fund reserves the right, in its sole discretion, to

terminate and rescind the Assistance Agreement and the award made under this NOFA pending the criteria described in the following table:

TABLE 14—REQUIREMENTS PRIOR TO EXECUTING AN ASSISTANCE AGREEMENT
