

amended by section 369 of the Dodd-Frank Act.

The obligation to file the forms with the Board is mandatory for those financial institutions for which the Board serves as the ARA, and the filing of both forms is event generated.

The data collected on Forms MSD-4 and MSD-5 is compiled in a “system of records” within the meaning of the Privacy Act. 5 U.S.C. 552a(a)(5). In 1977, the Board formally designated a system of records for Forms MSD-4 and MSD-5. *See* 4 Fed. Res. Reg. Service ¶ 8-350 (42 FR 16,854 (Mar. 30, 1977)).¹³ The Privacy Act prohibits the Board from disclosing the information collected on the forms unless certain exceptions apply that would permit disclosure. 5 U.S.C. 552a(b).

Abstract: These mandatory information collections are submitted on occasion by state member banks (SMBs), bank holding companies (BHCs), savings and loan holding companies (“SLHCs”), and foreign dealer banks that are municipal securities dealers.¹⁴ The Form MSD-4 collects information (such as personal history and professional qualifications) on an employee whom the bank wishes to assume the duties of municipal securities principal or representative. The Form MSD-5 collects the date of, and reason for, termination of such an employee.

On August 4, 2014, the Municipal Securities Rulemaking Board (MSRB) (MSRB Notice 2014-13) announced the creation of a new designation of registered person—Limited Representative—Investment Company and Variable Contracts Products—which is a sub-category of Municipal Securities Representative.¹⁵ To conform to MSRB Notice 2011-54, the Board staff proposes to make a minor revision to the Form MSD-4 to add the Limited Representative—Investment Company and Variable Contracts Products as a new type of qualification. The Board staff also proposes to require electronic submission of both the Form MSD-4 and Form MSD-5 to a secure Federal Reserve Board email address.

¹³ In 2008, the Board updated all of the Board’s existing systems of records, including the system of records for Forms MSD-4 and MSD-5 (BGFRS-17). *See* 73 FR 24,984, 24,999 (May 6, 2008).

¹⁴ At this time, there are no SLHCs or foreign dealer banks that are registered as municipal securities dealers.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Enrollment Opportunity Notice Relating to Lifetime Limits; Required Notice of Rescission of Coverage; and Disclosure Requirements for Patient Protection Under the Affordable Care Act; *Use:* Section 1251 of the Affordable Care Act provides that certain plans and health insurance coverage in existence as of March 23, 2010, known as grandfathered health plans, are not required to comply with certain statutory provisions in the Act. The final regulations titled “Final Rules Under the Affordable Care Act for Grandfathered Plans, Preexisting Condition Exclusions, Lifetime and Annual Limits, Rescissions, Dependent Coverage, Appeals, and Patient Protections” require that, to maintain its status as a grandfathered health plan, a plan must maintain records documenting the terms of the plan in effect on March 23, 2010, and any other documents that are necessary to verify,

explain or clarify status as a grandfathered health plan. The plan must make such records available for examination upon request by participants, beneficiaries, individual policy subscribers, or a State or Federal agency official. A grandfathered health plan is also required to include a statement in any summary of benefits under the plan or health insurance coverage, that the plan or coverage believes it is a grandfathered health plan within the meaning of section 1251 of the Affordable Care Act, and providing contact information for participants to direct questions and complaints. In addition, a grandfathered group health plan that is changing health insurance issuers is required to provide the succeeding health insurance issuer (and the succeeding health insurance issuer must require) documentation of plan terms (including benefits, cost sharing, employer contributions, and annual limits) under the prior health insurance coverage sufficient to make a determination whether the standards of paragraph (g)(1) of the interim final regulations are exceeded. It is also required that, for an insured group health plan (or a multiemployer plan) that is a grandfathered plan, the relevant policies, certificates, or contracts of insurance, or plan documents must disclose in a prominent and effective manner that employers, employee organizations, or plan sponsors, as applicable, are required to notify the issuer (or multiemployer plan) if the contribution rate changes at any point during the plan year. *Form Number:* CMS-10325 (OMB Control Number: 0938-1093); *Frequency:* Occasionally; *Affected Public:* State, Local, or Tribal Governments, Private Sector; *Number of Respondents:* 55,378; *Total Annual Responses:* 6,858,135; *Total Annual Hours:* 248. (For policy questions regarding this collection contact Russell Tipps at (301) 492-4371).

2. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Enrollment Opportunity Notice Relating to Lifetime Limits; Required Notice of Rescission of Coverage; and Disclosure Requirements for Patient Protection Under the Affordable Care Act; *Use:* Sections 2711, 2712 and 2719A of the Public Health Service Act, as added by the Affordable Care Act, and the interim final regulations titled "Patient Protection and Affordable Care Act: Preexisting Condition Exclusions, Lifetime and Annual Limits, Rescissions, and Patient Protections" (75 FR 37188, June 28, 2010) contain enrollment opportunity,

rescission notice, and patient protection disclosure requirements that are subject to the Paperwork Reduction Act of 1995. The enrollment opportunity notice was to be used by health plans to notify certain individuals of their right to re-enroll in their plan. This notice was a one-time requirement and has been discontinued. The rescission notice will be used by health plans to provide advance notice to certain individuals that their coverage may be rescinded as a result of fraud or intentional misrepresentation of material fact. The patient protection notification will be used by health plans to inform certain individuals of their right to choose a primary care provider or pediatrician and to use obstetrical/gynecological services without prior authorization.

The related provisions are finalized in the final regulations titled "Final Rules Under the Affordable Care Act for Grandfathered Plans, Preexisting Condition Exclusions, Lifetime and Annual Limits, Rescissions, Dependent Coverage, Appeals, and Patient Protections". The final regulations also require that, if State law prohibits balance billing, or a plan or issuer is contractually responsible for any amounts balanced billed by an out-of-network emergency services provider, a plan or issuer must provide a participant, beneficiary or enrollee adequate and prominent notice of their lack of financial responsibility with respect to amounts balanced billed in order to prevent inadvertent payment by the individual. *Form Number:* CMS-10330 (OMB Control Number: 0938-1094); *Frequency:* Occasionally; *Affected Public:* Private Sector, State, Local, or Tribal Governments; *Number of Respondents:* 3,171; *Total Annual Responses:* 238,244; *Total Annual Hours:* 897. (For policy questions regarding this collection contact Russell Tipps at 301-492-4371).
