

(a) The tribal government authorizes the winning bidder to site facilities and provide service on its tribal land;

(b) The tribal area to be served by the winning bidder constitutes qualifying tribal land;

(c) The tribal government has not and will not enter into an exclusive contract with the applicant precluding entry by other carriers, and will not unreasonably discriminate among wireless carriers seeking to provide service on the qualifying tribal land; and

(d) Provide certification of the telephone penetration rates demonstrating that the tribal land has a penetration level at or below 85 percent.

The rulemakings also require what each winning bidder must do.

In addition, it also requires that a winning bidder seeking a credit in excess of the amount calculated under the Commission's bidding credit must submit certain information; and a final winning bidder receiving a higher credit must provide within 15 days of the third anniversary of the initial grant of its license, file a certification that the credit amount was spent on infrastructure to provide wireless coverage to qualifying tribal lands, which also includes a final report prepared by an independent auditor verifying that the infrastructure costs are reasonable to comply with our build-out requirements.

Agency Information Collection

Activities: Submission for OMB Review; Comment Request (3064-0187)

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice and request for comment.

SUMMARY: The FDIC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on the renewal of an existing information collection, as required by the Paperwork Reduction Act of 1995. On October 7, 2015, (80 FR 60680), the FDIC requested comment for 60 days on a proposal to renew the information collection described below. No comments were received. The FDIC hereby gives notice of its plan to submit

to OMB a request to approve the renewal of this collection, and again invites comment on this renewal.

DATES: Comments must be submitted on or before March 23, 2016.

ADDRESSES: Interested parties are invited to submit written comments to the FDIC by any of the following methods:

- <http://www.FDIC.gov/regulations/laws/federal/>.

- *Email:* comments@fdic.gov. Include the name of the collection in the subject line of the message.

- *Mail:* Gary A. Kuiper (202.898.3877), Counsel, Room MB-3016, or Manuel E. Cabeza, (202.898.3767), Counsel, Room MB-3105, Federal Deposit Insurance Corporation, 550 17th Street NW., Washington, DC 20429.

- *Hand Delivery:* Comments may be hand-delivered to the guard station at the rear of the 17th Street Building (located on F Street), on business days between 7:00 a.m. and 5:00 p.m.

All comments should refer to the relevant OMB control number. A copy of the comments may also be submitted to the OMB desk officer for the FDIC: Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Gary A. Kuiper or Manuel E. Cabeza, at the FDIC address above.

SUPPLEMENTARY INFORMATION: Proposal to renew the following currently-approved collection of information:

1. *Title:* Annual Stress Test Reporting; \$10-\$50 Billion Templates.

OMB Number: 3064-0187.

Affected Public: Insured state nonmember banks.

Frequency of Response: Annually.

Estimated Number of Respondents: 22.

Estimated Number of Responses: 22.

Estimated Time per Response: 469 hours.

Total Annual Burden: 10,318 hours.

General Description: The FDIC DFAST 10-50 reporting form collects data through two primary schedules: (1) The Results Schedule (which includes the quantitative results of the stress tests under the baseline, adverse, and severely adverse scenarios for each quarter of the planning horizon) and (2) the Scenario Variables Schedule. In addition, respondents are required to submit a summary of the qualitative information supporting their quantitative projections. The FDIC proposes to revise the FDIC DFAST 10-50 Summary Schedule by modifying the financial as of date from September 30th

to December 31st. This revision is effective for the 2016 stress test cycle (with reporting in July 2016). In addition, the FDIC proposes to clarify the FDIC DFAST 10-50 reporting form instructions to change the submission date from March 31st to July 31st, to change references to the financial "as of" date from September 30th to December 31st, and to update the line items references to the new Call Report Instructions. The FDIC does not expect that the changes to the DFAST 10-50 Summary Schedule and reporting form instructions will result in a change in burden.

Request for Comment

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.

Dated at Washington, DC, this 17th day of February, 2016.

Federal Deposit Insurance Corporation.

Executive Secretary.
