**SUPPLEMENTARY INFORMATION:** The U.S. Department of Commerce, the U.S. Department of Energy, the Ministry of Economy of the United Mexican States, and the Ministry of Energy of the United

To the extent possible, members of the U.S. Section also should represent a cross-section of small, medium-sized and large firms.

U.S. Section members will receive no compensation for their participation in Council-related activities. Individual U.S. Section members will be responsible for all travel and related expenses associated with their participation in the Council, including attendance at Committee and Section meetings. Only appointed U.S. Section members may participate in official Council meetings; substitutes and alternates will not be designated.
