

DEPARTMENT OF JUSTICE**Antitrust Division****Notice Pursuant to the National Cooperative Research and Production Act of 1993—American Society of Mechanical Engineers**

Notice is hereby given that, on January 28, 2016, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), the American Society of Mechanical Engineers (“ASME”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing additions or changes to its standards development activities. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, since October 16, 2015, ASME published five new standards, revised one consensus committee charter, and initiated one new standard activity within the general nature and scope of ASME’s standards development activities, as specified in the original notification. More detail regarding these changes can be found at <http://www.asme.org>.

On September 15, 2004, ASME filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on October 13, 2004 (69 FR 60895).

The last notification was filed with the Department on October 19, 2015. A notice was published in the **Federal Register** on December 7, 2015 (80 FR 76043).
