

Prescription Drug, Improvement and Modernization Act of 2003.

We will provide Fiscal Service with a finder file consisting of Social Security Numbers (SSNs) extracted from our Medicare Database (MDB) File System. The MDB File System is a repository of Medicare applicant and beneficiary information related to Medicare Part A, Part B, Medicare Advantage Part C, and Medicare Part D. We may disclose file data from the MDB System pursuant to the "Medicare Part D and Part D Subsidy File" (60-0321), fully published at 71 **Federal Register** 42159 on July 25, 2006 and amended at 72 **Federal Register** 69723 on December 10, 2007.

Fiscal Service will match the SSNs in our finder file with the SSNs in Fiscal Service Savings Securities Registration Systems and return the formatted comparison file. These records reside in the systems of records Treasury/BPD.002, "United States Savings-Type Securities Treasury/BPD" and Treasury/BPD.008, "Retail Treasury Securities Access Application—Treasury/BPD" fully published at 73 **Federal Register** No. 142, pages 42904-2491 on July 23, 2008.

For definitive records (*i.e.*, the actual securities issued in engraved or printed physical form), we will furnish Fiscal Service with the SSN, in a specified format, for each individual for whom we request Savings Securities ownership information. Fiscal Service will disclose the following to us: (a) The denomination of the security; (b) the serial number; (c) the series; (d) the issue date of the security; (e) the current redemption value; and (f) the return date of the finder file.

For book entry records (*i.e.*, securities maintained as computer records on the records of a bank or Fiscal Service), we will furnish Fiscal Service with the SSN, in a specified format, for each individual for whom we request Savings Securities registration information. Fiscal Service bases the query on the SSN associated with the account and reports any subsequent account holdings. When a match occurs on an SSN, Fiscal Service will disclose the following: (a) The purchase amount; (b) the account number and confirmation number; (c) the series; (d) the issue date of the security; (e) the current redemption value; and (f) the return date of the finder file.

#### E. INCLUSIVE DATES OF THE MATCHING PROGRAM

The effective date of this matching program is April 1, 2016, provided that the following notice periods have lapsed: 30 days after publication of this notice in the **Federal Register** and 40

days after notice of the matching program is sent to Congress and OMB. The matching program will continue for 18 months from the effective date and, if both agencies meet certain conditions, it may extend for an additional 12 months thereafter.

BILLING CODE 4710-24-P

**SURFACE TRANSPORTATION BOARD**

[Docket No. FD 35997]

**County of Greenville, S.C.—  
Acquisition Exemption—Rail Line of  
Greenville County Economic  
Development Corporation**

The County of Greenville, S.C. (County), a non-operating Class III rail carrier and political subdivision of the State of South Carolina, has filed a verified notice of exemption under 49

CFR 1150.41 to acquire from Greenville County Economic Development Corporation (GCEDC) approximately 3.29 miles of rail-banked line between milepost AJK 585.34 in East Greenville, S.C., and milepost AJK 588.63 in Greenville, S.C. (the Line), and to acquire GCEDC's residual common carrier obligation on the Line.<sup>1</sup>

According to the County, it has reached an agreement with GCEDC pursuant to which, upon the effectiveness of this transaction, GCEDC will transfer to the County the entirety of its interest in the Line, including its residual common carrier obligation. The end result will be that all of GCEDC's ownership rights and responsibilities in the Line will be transferred to the County and remain rail-banked.

The County states that the proposed acquisition will not involve any provision or agreement between GCEDC and the County that would limit future interchange with a third-party connecting carrier.

The transaction may be consummated on or after March 13, 2016 (30 days after the notice of exemption was filed).

The County certifies that its projected annual revenues as a result of this transaction will not result in its becoming a Class I or Class II rail carrier and will not exceed \$5 million.

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than March 4, 2016 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35997, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, a copy must be served on William A. Mullins, Baker & Miller PLLC, 2401 Pennsylvania Ave. NW., Suite 300, Washington, DC 20037.

According to the County, this action is categorically excluded from environmental review under 49 CFR 1105.6(c).

<sup>1</sup> The Line is rail banked pursuant to § 8(d) of the National Trails System Act, 16 U.S.C. 1247(d). See *Greenville Cty. Econ. Dev. Corp.—Aban. Exemption—in Greenville Cty, S.C.*, AB 490 (Sub-No. 2X) (STB served May 18, 2015). In a letter filed on September 14, 2015, in Docket No. AB 490 (Sub-No. 2X), the County and GCEDC jointly notified the Board that an interim trail use/rail-banking agreement had been reached between the parties. Currently, the County is the trail sponsor, and GCEDC is the owner of the Line and holder of the residual common carrier right to reactivate rail service.

Board decisions and notices are available on our Web site at “[WWW.STB.DOT.GOV](http://WWW.STB.DOT.GOV).”

Decided: February 23, 2016.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.
