AGENCY: Committee for the Implementation of Textile Agreements (CITA).

ACTION: Request for public comments concerning a request for modification of the U.S.-Morocco Free Trade Agreement (USMFTA) rules of origin for 100% viscose woven fabric.

SUMMARY: On January 27, 2016, the Government of the United States received a request from the Government of Morocco, on behalf of HTL FASHION to initiate consultations with the Government of Morocco under Article 4.3.3 of the USMFTA. The Government of Morocco is requesting that the United States and Morocco (“the Parties”) consider revising the rules of origin for dresses, skirts, and blouses and tops to address availability of supply of 100% viscose woven fabric in the territories of the Parties. The President of the United States may proclaim a modification to the USMFTA rules of origin for textile and apparel products after reaching an agreement with the Government of Morocco on a modification under Article 4.3.6 of the USMFTA to address issues of availability of supply of fibers, yarns, or fabrics in the territories of the Parties.

DATES: CITA hereby solicits public comments on this request, in particular with regard to whether 100% viscose woven fabric of Harmonized Tariff Schedule of the United States (HTSUS) subheading 5408.24 can be supplied by the U.S. domestic industry in commercial quantities in a timely manner. Comments must be submitted by March 31, 2016 to the Chairman, Committee for the Implementation of Textile Agreements, Room 3001, United States Department of Commerce, Washington, DC 20230.

Authority

Section 203 (j)(2)(B)(i) of the United States-Morocco Free Trade Agreement Implementation Act (19 U.S.C. 3805 note) (USMFTA Implementation Act); Executive Order 11651 of March 3, 1972, as amended.

Background

Article 4.3.3 of the USMFTA provides that, on the request of either Party, the Parties shall consult to consider whether the rules of origin applicable to a particular textile or apparel good should be revised to address issues of availability of supply of fibers, yarns, or fabrics in the territories of the Parties. In the consultations, pursuant to Article 4.3.4 of the USMFTA, each Party shall consider data presented by the other Party that demonstrate substantial production in its territory of a particular fiber, yarn, or fabric. The Parties shall consider that there is substantial production if a Party demonstrates that its domestic producers are capable of supplying commercial quantities of the fiber, yarn, or fabric in a timely manner. The USMFTA Implementation Act provides the President with the authority to proclaim as part of the HTSUS, modifications to the USMFTA rules of origin set out in Annex 4–A of the USMFTA as are necessary to implement an agreement with Morocco under article 4.3.6 of the USMFTA, subject to the consultation and layover requirements of Section 104 of the USMFTA Implementation Act. *See* Section 203(j)(2)(B)(i) of the USMFTA Implementation Act. Executive Order 11651 established CITA to supervise the implementation of textile trade agreements and authorizes the Chairman of CITA to take actions or recommend that appropriate officials or agencies of the United States take actions necessary to implement textile trade agreements. 37 FR 4699 (March 4, 1972).

On January 27, 2016, the Government of the United States received a request from the Government of Morocco dated January 14, 2016, on behalf of HTL FASHION, requesting that the United States consider whether the USMFTA rule of origin for dresses, skirts, blouses and tops classified in HTSUS chapter 62, should be modified to allow the use of 100% viscose woven fabric classified in subheading 5408.24 of the HTSUS that is not originating under the USMFTA.

CITA is soliciting public comments regarding this request, particularly with respect to whether 100% viscose woven fabric described above can be supplied
