Atlantic Coastal Fisheries Cooperative Management Act Provisions; American Eel Fishery

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of withdrawal of federal moratorium.

SUMMARY: NMFS announces the withdrawal of the Federal moratorium on fishing for American eel in the State waters of Delaware. NMFS withdraws the moratorium, as required by the Atlantic Coastal Fisheries Cooperative Management Act (Atlantic Coastal Act), based on the determination that Delaware is now in compliance with the Atlantic States Marine Fisheries Commission’s (Commission) Interstate Fishery Management Plan for American Eel.

DATES: Effective March 15, 2016

ADDRESSES: Alan Risenhoover, Director, Office of Sustainable Fisheries, NMFS, 1315 East-West Highway, Room 13362, Silver Spring, MD 20910.

FOR FURTHER INFORMATION CONTACT: Derek Orner, Fishery Management Specialist, NMFS Office of Sustainable Fisheries, (301) 427–8567; *derek.ornier@noaa.gov*.

SUPPLEMENTARY INFORMATION:

Background

On August 6, 2015, the Commission found that the State of Delaware was out of compliance with the Commission’s American Eel Plan. Specifically, the Commission found that Delaware had not implemented regulations that are necessary to rebuild the depleted

American eel stock, and to ensure sustainable commercial and recreational harvest while preventing over-harvest of any eel life stage. The Commission forwarded its findings of their August 6th vote in a formal non-compliance referral letter that was received by NMFS on August 19, 2015. On September 18, 2015, NMFS notified the State of Delaware and the Commission of its determination that Delaware failed to carry out its responsibilities under the Commission’s American Eel Plan and that the measures Delaware had failed to implement and enforce are necessary for the conservation of the eel resource. In this determination and notification, NMFS detailed the actions necessary to avoid the implementation of a Federal moratorium for eel in Delaware waters. Details of this determination were provided in a **Federal Register** notice published on September 23, 2015 (80 FR 57343), and are not repeated here.

Activities Pursuant to the Atlantic Coastal Act

The Atlantic Coastal Act specifies that, if, after a moratorium is declared with respect to a State, the Secretary is notified by the Commission that it is withdrawing the determination of noncompliance, the Secretary shall immediately determine whether the State is in compliance with the
