I. Background

The Office of Workers' Compensation Programs (OWCP) administers the Federal Employees' Compensation Act

(FECA) under 5 U.S.C. 8101 *et seq.* Section 8104(a) of the FECA provides vocational rehabilitation services to eligible injured workers to facilitate their return to work. The costs of providing these vocational rehabilitation services are paid from the Employees' Compensation Fund. Annual appropriations language (currently in Pub. L. 114-113), provides OWCP with legal authority to use amounts from the Fund to reimburse private sector employers for a portion of the salary of reemployed FECA claimants hired through OWCP's assisted reemployment program. Information collected on Form CA-2231 provides OWCP with the necessary remittance information for the employer, documents the hours of work, certifies the payment of wages to the claimant for which reimbursement is sought, and summarizes the nature and costs of the wage reimbursement program for a prompt decision by OWCP. This information collection is currently approved for use through July 31, 2016.
