Native American and Alaska Native Children in School Program Notice inviting applications for new awards for fiscal year (FY) 2016.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.365C.

DATES: Applications Available: March 25, 2016.

Deadline for Notice of Intent to Apply: April 14, 2016.

Deadline for Transmittal of Applications: May 24, 2016.

Deadline for Intergovernmental Review: July 25, 2016.

Full Text of Announcement**I. Funding Opportunity Description***Purpose of Program*

The purpose of the Native American and Alaska Native Children in School (NAM) program is to award grants to eligible entities to develop and enhance capacity to provide effective instruction and support to Native American students, including Native Hawaiian and Native American Pacific Islander, who are identified as English learners (ELs). The goal of this program is to support the teaching, learning, and studying of Native American languages while also increasing the English language proficiency of students served to meet challenging State academic content and achievement standards.

Background

Through previous competitions, the NAM program has funded a range of grantees that are currently implementing 25 projects across the country. As the educational needs of Native Americans and Alaska Natives continue to grow, there is also a need to increase knowledge of what practices work to effectively improve learning outcomes for Native American and Alaska Native ELs.

Congress, in the Native American Languages Act of 1990, recognized the fundamental importance of preserving Native American languages. Congress states that it is the policy of the United States to:

Preserve, protect, and promote the rights and freedom of Native Americans to use, practice, and develop Native American languages.

25 U.S.C. 2903(1)

In addition, it is the policy of the United States to encourage and support the use of Native American languages as a medium of instruction in order to encourage and support—

- (A) Native American language survival,
- (B) educational opportunity,
- (C) increased student success and performance,
- (D) increased student awareness and knowledge of their culture and history, and
- (E) increased student and community pride.

25 U.S.C. 2903 (3)

This Federal policy is supported by growing recognition of the importance

of native language preservation in facilitating educational success for Native students. In a 2007 study by Teachers of English to Students of Other Languages (TESOL), the majority of Native youth surveyed stated that they value their native language, viewed it as integral to their sense of self, wanted to learn it, and viewed it as a means of facilitating their success in school and life.¹ Collaborative efforts between educators, families, and communities, the study suggests, may be especially promising ways to ensure that all Native students have the critical opportunity to learn their native languages.

Not only is native language instruction critical for student engagement and fostering a rich sense of self, but research has shown that students who are bilingual have certain cognitive and social benefits that their monolingual peers may lack.² Additionally, for students who are classified as ELs, well-implemented language instruction educational programs (as defined in this notice), including dual language approaches, may result in ELs performing equal to or better than their peers in English-only language instruction programs. These approaches have shown promise in increasing language acquisition in English and native languages, and may also promote greater achievement in the academic content areas, including English language arts and mathematics.³

Therefore, to facilitate high-quality language instruction and academic success for Native American students who are classified as ELs, this competition includes an absolute priority for projects that will support the preservation and revitalization of Native American languages while also increasing the English language proficiency of the children served under the project.

For this competition, the Department also seeks to support projects designed to improve early learning and development outcomes for Native American and Alaskan Native students across one or more of the essential domains of school readiness for children from birth through third grade and throughout the early elementary

school years. Accordingly, this notice includes a competitive preference priority related to improving early learning and development outcomes.

In addition, the Department is interested in projects designed to improve parental, family, and community engagement. Literature suggests that educators who involve families in their students' education can strengthen their instructional effectiveness with ELs.^{4 5} Accordingly, this notice includes an invitational priority related to improving parent, family, and community engagement.

Finally, to grow the evidence available on effective ways to support Native American and Alaska Native ELs, we include a selection criterion under which applications will be evaluated on the extent to which their proposed project designs are supported by strong theory, as defined in this notice. In addition, we include a selection criterion that encourages applicants to design evaluations of their projects that would provide them with continuous, formative feedback on their progress toward their project goals.

Priorities: This notice includes one absolute priority, one competitive preference priority, and one invitational priority. The absolute priority is from section 3128 of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001 (NCLB) (20 U.S.C. 7801). The competitive preference priority is from the Department's notice of final supplemental priorities and definitions for discretionary grant programs (Supplemental Priorities), published in the **Federal Register** on December 10, 2014 (79 FR 73425).

Absolute Priority: For FY 2016 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Projects that support the teaching, learning, and studying of Native American languages while also increasing the English language proficiency of the children served.

Competitive Preference Priority: For FY 2016 and any subsequent year in

which we make awards from the list of unfunded applications from this competition, this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(i) we award up to an additional five points to an application, depending on how well the application meets this priority.

This priority is:

Improving Early Learning and Development Outcomes (0 to 5 points).

Projects that are designed to improve early learning and development outcomes across one or more of the essential domains of school readiness for children from birth through third grade (or for any age group within this range) through a focus on one or both of the following:

(a) Increasing access to high-quality early learning and development programs and comprehensive services, particularly for children with high needs.

(b) Improving the coordination and alignment among early learning and development systems and between such systems and elementary education systems, including coordination and alignment in engaging and supporting families and improving transitions for children along the birth-through-third-grade continuum, in accordance with applicable privacy laws.

Invitational Priority: For FY 2016 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an invitational priority. Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Parent, Family, and Community Engagement.

Projects that will support meaningful parent, family, and community engagement (as defined in this notice) to improve student achievement.

Applicants are encouraged to design a comprehensive approach to leveraging sustained partnerships (as defined in this notice) with community-based organizations, institutions of higher education (IHEs), and other entities.

Definitions: The following definitions are from 34 CFR 77.1, 34 CFR 200.6, the Supplemental Priorities, and sections 3201 and 8101 of the ESEA, as amended by the Every Student Succeeds Act (ESSA) (20 U.S.C. 7011 and 7801), and apply to the priorities, selection criteria, and performance measures in this notice. The source of each definition is noted in parentheses following the text of the definition.

Ambitious means promoting continued, meaningful improvement for program participants or for other individuals or entities affected by the grant, or representing a significant advancement in the field of education research, practices, or methodologies. When used to describe a performance target, whether a performance target is ambitious depends upon the context of the relevant performance measure and the baseline for that measure. (34 CFR 77.1)

Baseline means the starting point from which performance is measured and targets are set. (34 CFR 77.1)

Children with high needs means children from birth through kindergarten entry who are from low-income families or otherwise in need of special assistance and support, including children who have disabilities or developmental delays; who are English learners; who reside on "Indian lands" as that term is defined by section 8013(7) of the ESEA, as amended by NCLB; who are migrant, homeless, or in foster care; and who are other children as identified by the State. (34 CFR 77.1)

Community engagement means the systematic inclusion of community organizations as partners with State educational agencies (SEAs), local educational agencies (LEAs), or other educational institutions, or their school or program staff to accomplish activities that may include developing a shared community vision, establishing a shared accountability agreement, participating in shared data-collection and analysis, or establishing community networks that are focused on shared community-level outcomes. These organizations may include faith- and community-based organizations, IHEs (including minority-serving institutions eligible to receive aid under title III or title V of the Higher Education Act of 1965 (HEA)), businesses and industries, labor organizations, State and local government entities, or Federal entities other than the Department. (Supplemental Priorities)

English learner, when used with respect to an individual, means an individual—

- (A) Who is aged 3 through 21;
- (B) Who is enrolled or preparing to enroll in an elementary school or secondary school;
- (C)(i) Who was not born in the United States or whose native language is a language other than English;
 - (i)(I) Who is a Native American or Alaska Native, or a Native resident of the outlying areas; and
 - (i)(II) Who comes from an environment where a language other than English has had a significant impact on the

individual's level of English language proficiency; or

(iii) Who is migratory, whose native language is a language other than English, and who comes from an environment where a language other than English is dominant; and

(D) Whose difficulties in speaking, reading, writing, or understanding the English language may be sufficient to deny the individual—

- (i) The ability to meet the State's challenging State academic standards;
- (ii) The ability to successfully achieve in classrooms where the language of instruction is English; or
- (iii) The opportunity to participate fully in society. (Section 8101 of the ESEA, as amended by ESSA)

Essential domains of school readiness means the domains of language and literacy development, cognition and general knowledge (including early mathematics and early scientific development), approaches toward learning (including the utilization of the arts), physical well-being and motor development (including adaptive skills), and social and emotional development. (Supplemental Priorities)

Language instruction educational program means an instruction course—

(A) In which an English learner is placed for the purpose of developing and attaining English proficiency, while meeting challenging State academic achievement standards; and

(B) That may make instructional use of both English and a child's native language to enable the child to develop and attain English proficiency, and may include the participation of English proficient children if such course is designed to enable all participating children to become proficient in English and a second language. (Section 3201 of the ESEA, as amended by ESSA)

Logic model (also referred to as theory of action) means a well-specified conceptual framework that identifies key components of the proposed process, product, strategy, or practice (*i.e.*, the active "ingredients" that are hypothesized to be critical to achieving the relevant outcomes) and describes the relationships among the key components and outcomes, theoretically and operationally. (34 CFR 77.1)

Note: Applicants may use resources such as the Pacific Education Laboratory's Education Logic Model Application (<http://relpacific.mcrel.org/resources/elm-app>) to help design their logic models.

Native Hawaiian or Native American Pacific Islander native language educational organization means a nonprofit organization with—

(A) A majority of its governing board and employees consisting of fluent speakers of the traditional Native American languages used in the organization's educational programs; and

(B) Not less than five years successful experience in providing educational services in traditional Native American languages. (Section 3201 of the ESEA, as amended by ESSA)

Parent and family engagement means the systematic inclusion of parents and families, working in partnership with SEAs, State lead agencies (under Part C of the Individuals with Disabilities Education Act or the State's Race to the Top-Early Learning Challenge grant), LEAs, or other educational institutions, or their staff, in their child's education, which may include strengthening the ability of (A) parents and families to support their child's education; and (B) school or program staff to work with parents and families. (Supplemental Priorities)

Performance target means a level of performance that an applicant would seek to meet during the course of a project or as a result of a project. (34 CFR 77.1)

Strong theory means a rationale for the proposed process, product, strategy, or practice that includes a logic model. (34 CFR 77.1)

Student achievement means—
For grades and subjects in which assessments are required under section 1111(b)(3) of the ESEA, as amended by NCLB: (1) A student's score on such assessments; and, as appropriate (2) other measures of student learning, such as those described in the subsequent paragraph, provided that they are rigorous and comparable across schools within an LEA.

For grades and subjects in which assessments are not required under section 1111(b)(3) of the ESEA, as amended by NCLB: (1) Alternative measures of student learning and performance, such as student results on pre-tests, end-of-course tests, and objective performance-based assessments; (2) student learning objectives; (3) student performance on English language proficiency assessments; and (4) other measures of student achievement that are rigorous and comparable across schools within an LEA. (Supplemental Priorities)

Sustained partnership means a relationship that has demonstrably adequate resources and other support to continue beyond the funding period and that consist of community organizations as partners with an LEA and one or more of its schools. These organizations may include faith- and community-

based organizations, IHEs (including minority-serving institutions eligible to receive aid under title III or title V of the HEA), businesses and industries, labor organizations, State and local government entities, or Federal entities other than the Department. (Supplemental Priorities)

Program Authority: 20 U.S.C. 6822.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 81, 82, 84, 86, 97, 98, and 99. (b) The Office of Management and Budget Guidelines to Agencies on Government-wide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended in 2 CFR part 3474. (d) The Supplemental Priorities.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to IHEs only.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds:

\$3,223,778.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2017 or later years from the list of unfunded applications from this competition.

Estimated Range of Awards:

\$275,000–325,000 per year.

Estimated Average Size of Awards:

\$300,000.

Estimated Number of Awards: 10.

Note: The Department is not bound by any estimates in this notice.

Project Period: 60 months.

III. Eligibility Information

1. **Eligible Applicants:** The following entities, when they operate elementary, secondary, or postsecondary schools primarily for Native American children (including Alaska Native children), are eligible applicants under this program:

(a) Indian tribes.

(b) Tribally sanctioned educational authorities.

(c) Native Hawaiian or Native American Pacific Islander native language educational organizations.

(d) Elementary schools or secondary schools that are operated or funded by

the Department of the Interior's Bureau of Indian Affairs, or a consortium of these schools.

(e) Elementary schools or secondary schools operated under a contract with or grant from the Bureau of Indian Affairs in consortium with another such school or a tribal or community organization.

(f) Elementary schools or secondary schools operated by the Bureau of Indian Affairs and an IHE, in consortium with an elementary school or secondary school operated under a contract with or a grant from the Bureau of Indian Affairs or a tribal or community organization.

Note: Eligible applicants applying as a consortium should read and follow the regulations in 34 CFR 75.127 through 75.129.

Under section 3112(c) of the ESEA, as amended by NCLB, EL students served under NAM grants must not be included in the child count submitted by a school district under section 3114(a) for purposes of receiving funding under the English Language Acquisition State Grants program.

2. **Cost Sharing or Matching:** This program does not require cost sharing or matching.

3. **Equitable Participation by Public and Private School Students and Educational Personnel in a Title III Program:** An entity that receives a grant under the NAM program must provide for the equitable participation of private school children and their teachers or other educational personnel. To ensure that grant program activities address the needs of private school children, the applicant must engage in timely and meaningful consultation with appropriate private school officials during the design and development of the program. This consultation must take place before the applicant makes any decision that affects the opportunities for participation by eligible private school children, teachers, and other educational personnel. Administrative direction and control over grant funds must remain with the grantee. (See section 9501 of the ESEA, as amended by NCLB Participation by Private School Children and Teachers.)

IV. Application and Submission Information

1. **Address to Request Application Package:** You can obtain an application package via the Internet or from the Education Publications Center (ED Pubs). To obtain a copy via the Internet, use the following address: www.ed.gov/fund/grant/apply/grantapps/index.html. To obtain a copy from ED Pubs, write,

fax, or call: ED Pubs, U.S. Department of Education, P.O. Box 22207, Alexandria, VA 22304. Telephone, toll free: 1-877-433-7827. FAX: (703) 605-6794. If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call, toll free: 1-877-576-7734.

You can contact ED Pubs at its Web site, also: www.EDPubs.gov or at its email address: edpubs@inet.ed.gov.

If you request an application package from ED Pubs, be sure to identify this program or competition as follows: CFDA 84.365C.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting the person listed under *Accessible Format* in section VIII of this notice.

2. a. **Content and Form of Application Submission:** Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this competition. Deadline for Notice of Intent to Apply: April 14, 2016.

We will be able to develop a more efficient process for reviewing grant applications if we know the approximate number of applicants that intend to apply for funding under this competition. Therefore, we strongly encourage each potential applicant to notify us of the applicant's intent to submit an application by emailing NAM2016@ed.gov with the subject line "Intent to Apply" and include in the content of the email the following information: (1) The applicant organization's name and address, and (2) whether the applicant is addressing the competitive preference priority or the invitational priority. Applicants that do not provide notice of their intent to apply may still submit an application. Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. Applicants must limit the application narrative to no more than 35 pages. Applicants are also strongly encouraged not to include lengthy appendices that contain information that they were unable to include within the page limits for the narrative.

Applicants must use the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles,

charts, tables, headings, footnotes, quotations, references, and captions.

- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The page limit for the application does not apply to Part I, the cover sheet; Part II, the budget section, including the narrative budget justification; Part IV, the assurances and certifications; or the one-page abstract, certification of eligibility, or letters of support of project partners if applied as a consortium. However, the page limit does apply to all of the application narrative section of the application.

We will reject your application if you exceed the page limit.

b. Submission of Proprietary Information:

Given the types of projects that may be proposed in applications for the NAM program, your application may include business information that you consider proprietary. In 34 CFR 5.11 we define “business information” and describe the process we use in determining whether any of that information is proprietary and, thus, protected from disclosure under Exemption 4 of the Freedom of Information Act (5 U.S.C. 552, as amended).

Consistent with the process followed in the prior NAM competitions, we may post the project narrative section of funded NAM applications on the Department’s Web site so you may wish to request confidentiality of business information. Identifying proprietary information in the submitted application will help facilitate this public disclosure process.

Consistent with Executive Order 12600, please designate in your application any information that you believe is exempt from disclosure under Exemption 4. In the appropriate Appendix section of your application, under “Other Attachments Form,” please list the page number or numbers on which we can find this information. For additional information please see 34 CFR 5.11(c).

3. Submission Dates and Times:

Deadline for Notice of Intent to Apply: April 14, 2016. Informational Meetings: We intend to hold Webinars to provide technical assistance to interested applicants. Detailed information regarding these meetings will be provided on the NAM Web site at <http://www2.ed.gov/about/offices/list/oela/index.html>.

Deadline for Transmittal of Applications: May 24, 2016.

Applications for grants under this competition must be submitted electronically using the Grants.gov application site. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to *Other Submission Requirements* in section IV of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: July 25, 2016.

4. Intergovernmental Review: This competition is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

5. Funding Restrictions: We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management: To do business with the Department of Education, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry), the Government’s primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following Web site: <http://fedgov.dnb.com/>

webform. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

Note: Once your SAM registration is active, it may be 24 to 48 hours before you can access the information in, and submit an application through, Grants.gov.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: www2.ed.gov/fund/grant/apply/sam-faqs.html.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: www.grants.gov/web/grants/register.html.

7. Other Submission Requirements:

Applications for grants for the NAM program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications

Applications for grants under the NAM program, CFDA number 84.365C, must be submitted electronically using the Governmentwide Grants.gov Apply site at www.Grants.gov. Through this

site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement *and* submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions.

Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the NAM program at www.Grants.gov. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.365, not 84.365C).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through

Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at www.G5.gov. In addition, for specific guidance and procedures for submitting an application through Grants.gov, please refer to the Grants.gov Web site at: www.grants.gov/web/grants/applicants/apply-for-grants.html.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a read-only, non-modifiable Portable Document Format (PDF). Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF (e.g., Word, Excel, WordPerfect, etc.) or submit a password-protected file, we will not review that material. Please note that this could result in your application not being considered for funding because the material in question—for example, the project narrative—is critical to a meaningful review of your proposal. For that reason it is important to allow yourself adequate time to upload all material as PDF files. The Department will not convert material from other formats to PDF.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. This notification indicates receipt by Grants.gov only, not receipt by the Department. Grants.gov will also notify you automatically by email if your application met all the Grants.gov validation requirements or if there were any errors (such as submission of your application by someone other than a registered

Authorized Organization Representative, or inclusion of an attachment with a file name that contains special characters). You will be given an opportunity to correct any errors and resubmit, but you must still meet the deadline for submission of applications.

Once your application is successfully validated by Grants.gov, the Department will retrieve your application from Grants.gov and send you an email with a unique PR/Award number for your application.

These emails do not mean that your application is without any disqualifying errors. While your application may have been successfully validated by Grants.gov, it must also meet the Department's application requirements as specified in this notice and in the application instructions. Disqualifying errors could include, for instance, failure to upload attachments in a read-only, non-modifiable PDF; failure to submit a required part of the application; or failure to meet applicant eligibility requirements. It is your responsibility to ensure that your submitted application has met all of the Department's requirements.

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that the problem

affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. We will contact you after we determine whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to:

Patrice Swann, U.S. Department of Education, 400 Maryland Avenue SW., Room 5C144, Washington, DC 20202–6510. FAX: (202) 260–5496.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education,
Application Control Center,
Attention: (CFDA Number 84.365C),
LBJ Basement Level 1, 400 Maryland
Avenue SW., Washington, DC 20202–
4260.

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

We will not consider applications postmarked after the application deadline date.

c. Submission of Paper Applications by Hand Delivery

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education,
Application Control Center,
Attention: (CFDA Number 84.365C),
550 12th Street SW., Room 7039,
Potomac Center Plaza, Washington,
DC 20202–4260.

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department—

- (1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and
- (2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call

the U.S. Department of Education Application Control Center at (202) 245–6288.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this competition are from section 75.210 of EDGAR. The maximum score for all of these criteria is 100 points (not including competitive preference priority points). The maximum score for each criterion is indicated in parentheses.

(a) *Quality of the project design.* (up to 45 points)

The Secretary considers the quality of the design of the proposed project. In determining the quality of the design of the proposed project, the Secretary considers the following factors:

(1) The extent to which the goals, objectives, and outcomes to be achieved by the proposed project are clearly specified and measurable.

(2) The extent to which the design for implementing and evaluating the proposed project will result in information to guide possible replications of project activities or strategies including information about the effectiveness of the approach or strategies employed by the project.

(3) The extent to which the proposed project is supported by strong theory (as defined in this notice).

(b) *Quality of project personnel.* (up to 10 points)

The Secretary considers the quality of the personnel who will carry out the proposed project. In determining the quality of project personnel, the Secretary considers the following factors:

(1) The extent to which the applicant encourages applications for employment from persons who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability.

(2) The qualifications, including relevant training and experience, of key project personnel.

(c) *Quality of the management plan.* (up to 25 points)

The Secretary considers the quality of the management plan for the proposed project. In determining the quality of the management plan for the proposed project, the Secretary considers the following factors:

(1) The adequacy of the management plan to achieve the objectives of the proposed project on time and within budget, including clearly defined responsibilities, timelines, and milestones for accomplishing project tasks.

(2) The extent to which the time commitments of the project director and the principal investigator and other key project personnel are appropriate and adequate to meet the objectives of the proposed project.

(d) *Quality of the project evaluation.* (up to 20 points)

The Secretary considers the quality of the evaluation to be conducted of the proposed project. In determining the quality of the evaluation, the Secretary considers the following factors:

(1) The extent to which the methods of evaluation are thorough, feasible, and appropriate to the goals, objectives, and outcomes of the proposed project.

(2) The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress toward achieving intended outcomes.

2. *Review and Selection Process:* The Department will screen applications that are submitted for NAM grants in accordance with the requirements in this notice and determine which applications meet the eligibility and other requirements. Peer reviewers will review all eligible applications for NAM grants that are submitted by the established deadline on the four selection criteria.

Applicants should note, however, that we may screen for eligibility at multiple points during the competition process, including before and after peer review; applicants that are determined to be ineligible will not receive a grant award regardless of peer reviewer scores or comments. If we determine that a NAM grant application does not meet a NAM requirement, the application will not be considered for funding.

We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Risk Assessment and Special Conditions:* Consistent with 2 CFR

200.205, before awarding grants under this program the Department conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose special conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www2.ed.gov/fund/grant/apply/appforms/appforms.html>.

(c) The Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

4. *Performance Measures:* Under the Government Performance and Results Act (GPRA), Federal departments and agencies must clearly describe the goals and objectives of programs, identify resources and actions needed to accomplish goals and objectives, develop a means of measuring progress made, and regularly report on achievement. One important source of program information on successes and lessons learned is the project evaluation conducted under individual grants.

(a) *Measures.* The Department has developed the following GPRA performance measures for evaluating the overall effectiveness of the NAM program:

Measure 1: The number and percentage of ELs served by the program who score proficient or above on the State reading assessment.

Measure 2: The number and percentage of ELs served by the program who are making progress in learning English as measured by the State-approved English language proficiency assessment.

Measure 3: The number and percentage of ELs served by the program who are attaining proficiency in English as measured by the State-approved English language proficiency assessment.

Note: Data from local assessments are acceptable for evaluation under a performance measure only in cases in which a grantee is in a State that is undergoing an assessment transition.

Measure 4: The number and percentage of students served by the program who are enrolled in Native American language instruction programs.

Measure 5: The number and percentage of students making progress in learning a Native American language, as determined by each grantee, including through measures such as performance tasks, portfolios, and pre- and post-tests.

Measure 6: The number and percentage of students who are attaining proficiency in a Native American language as determined by each grantee, including through measures such as performance tasks, portfolios, and pre- and post-tests.

Measure 7: For programs that received competitive preference points, the number and percentage of preschool children ages three and four enrolled in the program.

Measure 8: For programs that received competitive preference points, the number and percentage of preschool children ages three and four who are screened for developmental or cognitive delays.

Measure 9: For programs that received competitive preference points, the number and percentage of coordination contacts between elementary schools and early learning programs to improve coordination and transition of children from preschool to kindergarten.

(b) *Baseline data.* Applicants must provide baseline data for each of the GPRAs performance measures listed in paragraph (a) and include why each proposed baseline (as defined in this notice) is valid; or, if the applicant has determined that there are no established baseline data for a particular performance measure, explain why there is no established baseline and explain how and when, during the project period, the applicant will establish a valid baseline for the performance measure.

(c) *Performance measure targets.* In addition, the applicant must propose in its application annual targets for the measures listed in paragraph (a). Applications must also include the following information as directed under 34 CFR 75.110(b) and (c):

(1) Why each proposed performance target (as defined in this notice) is ambitious (as defined in this notice) yet achievable compared to the baseline for the performance measure.

(2) The data collection and reporting methods the applicant would use and why those methods are likely to yield reliable, valid, and meaningful performance data.

(3) The applicant's capacity to collect and report reliable, valid, and meaningful performance data, as evidenced by high-quality data collection, analysis, and reporting in other projects or research.

Note: If the applicant does not have experience with collection and reporting of performance data through other projects or research, the applicant should provide other evidence of capacity to successfully carry out data collection and reporting for its proposed project.

(d) *Performance Reports.* All grantees must submit an annual performance report and final performance report with information that is responsive to these performance measures. The Department will consider this data in making annual continuation awards.

(e) *Department Evaluations.* Consistent with 34 CFR 75.591, grantees funded under this program must comply with the requirements of any evaluation of the program conducted by the Department or an evaluator selected by the Department.

5. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has

made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

BILLING CODE 4000-01-P

DEPARTMENT OF EDUCATION

National Committee on Foreign Medical Education and Accreditation

AGENCY: Office of Postsecondary Education, National Committee on Foreign Medical Education and Accreditation, U.S. Department of Education.

ACTION: Announcement of a Committee meeting.

SUMMARY: The purpose of this notice is to announce the upcoming meeting of the National Committee on Foreign Medical Education and Accreditation (NCFMEA). Parts of this meeting will be open to the public, and the public is invited to attend those portions.

Meeting Date and Place: The meeting will be held on April 21-22, 2016, from 9:00 a.m. until approximately 5:00 p.m. both days, at the Hilton Alexandria Old Town, 1767 King Street, Alexandria, VA 22314. The Committee will meet in Executive Session on April 22, 2016. The entire April 22nd session will be devoted to training sessions for the Committee; and, therefore, is closed to the public.

FOR FURTHER INFORMATION CONTACT: Jennifer Hong, Executive Director for the NCFMEA, U.S. Department of Education, 400 Maryland Avenue SW., Room 6W250, Washington, DC 20202; telephone: 202-453-7805, or email: Jennifer.Hong@ed.gov

SUPPLEMENTARY INFORMATION:

Statutory Authority and Function: The NCFMEA was established by the Secretary of Education under § 102 of the Higher Education Act of 1965, as amended. The NCFMEA's responsibilities are to:

- Evaluate the standards of accreditation applied to foreign medical schools and,
- Determine the comparability of those standards to standards for accreditation applied to United States medical schools. A determination of comparability of accreditation standards by the NCFMEA is an eligibility requirement for foreign medical schools to participate in the William D. Ford Federal Direct Student Loan Program, 20 U.S.C. 1087a *et seq.*

Meeting Agenda: The NCFMEA will review the standards of accreditation applied to medical schools to determine
