A. Overview of Information Collection

Title of Information Collection: Requirements for Notification, Evaluation and Reduction of Lead-Based Paint Hazards in Federally-Owned Residential Properties and Housing Receiving Federal Assistance”.

OMB Control Number: 2539-0009.

Type of Request: Revision of a currently approved collection.

Form Number: None.

Description of the need for the information and proposed use: Provision of a pamphlet on lead poisoning prevention to tenants and purchasers, provision of a notice to occupants on the results of hazard evaluation and hazard reduction activities, special reporting requirements for a child with an

environmental intervention blood lead level residing in the unit, and record keeping and periodic summary reporting requirements.

Respondents: Residential property owners, housing agencies, Federal grantees, tribally designated housing entities or participating jurisdictions.

The revised hour burden estimates are presented in the table below. In that table, the \$15.36 hourly cost per response reflects the weighted average of cases, first, in which the respondent is simply giving someone a pamphlet, putting something in a file, or retrieving something from a file, and sending summary information from it to the Department, valued at \$10.61 per hour; and second, processing notices as above as well as providing information in cases of lead-poisoned children, valued at \$16.97 per hour. (These labor rates have been escalated by 3% from 2013 based on the Census Bureau’s constant quality housing construction price index, since the work is in the housing trades.)

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
Total	62,295	as needed ...	Various	2.3	142,487	\$15.36	\$2,188,600
