

The Exchanges now seek to extend the exemptions until August 31, 2016.⁶ The Exchanges' request was made in conjunction with immediately effective filings that extend the operation of the Programs through the same date.⁷ In their request to extend the exemptions, the Exchanges note that the participation in the Programs has increased more recently. Accordingly, the Exchanges have asked for additional time to allow themselves and the Commission to analyze more robust data concerning the Programs, which the Exchanges committed to provide to the Commission.⁸ For this reason and the reasons stated in the Order originally granting the limited exemptions, the Commission finds that extending the exemptions, pursuant to its authority under Rule 612(c) of Regulation NMS, is appropriate in the public interest and consistent with the protection of investors.

Therefore, it is hereby ordered that, pursuant to Rule 612(c) of Regulation NMS, each Exchange is granted a limited exemption from Rule 612 of Regulation NMS that allows it to accept and rank orders priced equal to or greater than \$1.00 per share in increments of \$0.001, in connection with the operation of its Retail Liquidity Program, until August 31, 2016.

The limited and temporary exemptions extended by this Order are subject to modification or revocation if
