

ICE Clear Europe's view, the amendments will promote the prompt and accurate clearance and settlement of equity futures and option transactions, and are thus consistent with the requirements of Section 17A of the Act and the regulations thereunder.

B. Self-Regulatory Organization's Statement on Burden on Competition

ICE Clear Europe does not believe the proposed changes to the rules would have any impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purpose of the Act. ICE Clear Europe is adopting the amendments to [sic] the Delivery Procedures and Clearing Procedures in order to clarify certain aspects of the exercise and settlement of equity futures and options currently cleared by ICE Clear Europe. ICE Clear Europe does not believe the adoption of related Delivery Procedures and Clearing Procedures amendments would materially affect the cost of clearing these products, adversely affect access to clearing in these products for Clearing Members or their customers, or otherwise adversely affect competition in clearing services.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed changes to the rules have not been solicited or received. ICE Clear Europe will notify the Commission of any written comments received by ICE Clear Europe.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)⁸ of the Act and Rule 19b-4(f)(4)(ii)⁹ thereunder because it effects a change in an existing service of a registered clearing agency that primarily affects the clearing operations of the clearing agency with respect to products that are not securities, including futures that are not security futures, swaps that are not security-based swaps or mixed swaps, and forwards that are not security forwards, and does not significantly affect any securities clearing operations of the clearing agency or any rights or obligations of the clearing agency with respect to securities clearing or persons using such securities-clearing service. At any time within 60 days of the filing of the

proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-77446; File No. SR-ICC-2016-004]

Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend Single Name Backloading Incentive Program

March 25, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder² notice is hereby given that on March 21, 2016, ICE Clear Credit LLC ("ICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by ICC. ICC filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(2)⁴ thereunder, so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to extend ICC's single name backloading incentive program for client account clearing of single name credit default swap ("CDS") contracts.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed

rule change. The text of these statements may be examined at the places specified in Item IV below. ICC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of these statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The proposed changes are intended to extend a single name backloading incentive program for client account clearing of single name CDS contracts.⁵ The changes are designed to incentivize market participants to submit additional transactions to ICC for clearing. Under the program, clients receive a 50% discount on ICC clearing fees for backloaded single name CDS contracts. The discount is paid back as a rebate directly to the client or through the client's Clearing Participant. ICC plans to extend the existing backloading program, set to expire March 18, 2016, until September 30, 2016. As a result of the extended program, contracts must have an execution date prior to September 1, 2016 to be eligible for the rebate program. This date was chosen to incentivize clients to backload positions which were established after the original program start date. ICC is extending the program to allow market participants the opportunity to backload new single name CDS contracts that ICC has launched since the last program extension date. Additionally, the program extension allows market participants time to prepare and adapt to industry changes regarding the reduction of frequency for which single name CDS contracts roll to the new on-the-run contract.

ICC believes the proposed rule changes are consistent with the requirements of the Act including Section 17A of the Act.⁶ More specifically, the proposed rule changes establish or change a member due, fee or other charge imposed by ICC under Section 19(b)(3)(A)(ii)⁷ of the Act and Rule 19b-4(f)(2)⁸ thereunder. ICC believes the proposed rule changes are consistent with the requirements of the

Act and the rules and regulations thereunder applicable to ICC, in particular, to Section 17A(b)(3)(D),⁹ because the proposed fee changes apply equally to all market participants clearing backloaded single name CDS contracts in client accounts and therefore the proposed changes provide for the equitable allocation of reasonable dues, fees and other charges among its participants. As such, the proposed changes are appropriately filed pursuant to Section 19(b)(3)(A)¹⁰ of the Act and paragraph (f)(2) of Rule 19b-4 thereunder.

B. Self-Regulatory Organization's Statement on Burden on Competition

ICC does not believe the proposed rule change would have any impact, or impose any burden, on competition. The proposed changes modify pricing for client account clearing of single name CDS contracts. There is no limit to the number of client participants that may participate in the backloading incentive program; it will be open to all clients and rebates will be applied to all transaction fees for client accounts clearing eligible single name CDS contracts. As such, the proposed changes apply consistently across all eligible market participants and the implementation of such changes does not preclude the implementation of similar incentive programs by other market participants. Therefore, ICC does not believe the changes impose any burden on competition that is inappropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. ICC will notify the Commission of any written comments received by ICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)¹¹ of the Act and Rule 19b-4(f)(2)¹² thereunder because the extension of the single name backloading incentive program for client account clearing of single name CDS contracts results in changes which establish or change a due, fee, or other

charge applicable to ICC's participants. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–77443; File No. SR–Phlx–2016–37]

Self-Regulatory Organizations; NASDAQ PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Delete Rule 756

March 25, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on March 18, 2016, NASDAQ PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete Rule 756 from the Phlx rules.

The text of the proposed rule change is available on the Exchange’s Web site at <http://nasdaqomxphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these

statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to delete Rule 756, which deals with accounts of general partners. As discussed below, the Exchange has determined that these rules are anachronistic and no longer serve a purpose. Consequently, the Exchange is proposing to eliminate the rules from the rulebook to avoid any confusion that may be caused by retaining them.

Rule 756

Rule 756 concerns the accounts of general partners. The rule requires that no member organization that is a partnership shall carry an account for a general partner of another member organization that is a partnership without the prior written consent of another general partner of such other organization. It also requires that duplicate reports and monthly statements shall be sent to a general partner of the organization (other than the partner for whom the account is carried) designated in such consent.

Further, the rule requires that all clearance transactions for a general partner of another member organization that is a partnership shall be reported by the clearing firm to a general partner of such other organization who has no interest in such transactions.

The Exchange believes that the rule is no longer relevant. The rule was adopted at a time when the Exchange had a general partner membership classification. That classification is no longer in existence. Accordingly, the Exchange does not believe the rule serves a regulatory purpose and it is accordingly proposing to delete the rule.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,³ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁴ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating

transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes the proposed changes are consistent with just and equitable principles of trade because they delete outdated and potentially confusing rules. The rule that the Exchange proposes to delete is anachronistic and does not have application to the Exchange’s current function. Thus, removing it from the rules promotes clarity and eliminates potential confusion caused by allowing it to remain.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather it is designed to promote competition among exchanges by removing archaic rules in comparison to the rules of other exchanges. Last, the proposed changes promote clarity in the application of the Exchange’s rules by eliminating unneeded rules.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b–4(f)(6) thereunder.⁶

A proposed rule change filed pursuant to Rule 19b–4(f)(6) normally does not become operative for 30 days after the date of its filing. However, pursuant to Rule 19b–4(f)(6)(iii), the Commission may designate a shorter

⁶ 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. In the instant filing, the Commission waives this requirement.
