1. Rules of Practice and Procedure

Synopsis of Proposed Amendment: This proposed amendment revises the Commission's Rules of Practice and Procedure. The rules were issued in 1997 "for the purpose of more fully informing interested persons of opportunities and procedures for becoming aware of and participating in the public business of the Commission." See Rule 1.1 of the Commission's Rules of Practice and Procedure. The Commission is conducting a review of its rules to determine whether any updates or revisions are appropriate, such as to reflect current technologies, take into account practices of other rulemaking agencies and recommendations of the Administrative Conference of the United States ("ACUS"), and better promote the purpose of the rules. The Commission is publishing this proposed amendment to inform that review.

A. Actions and Meetings

This part of the proposed amendment amends Rules 2.2 and 3.3 to clarify and enumerate the types of Commission actions that are taken in public meetings, the types of actions that may be taken in nonpublic meetings or without a meeting, and the types of discussions with outside parties that may be held in nonpublic meetings. *Cf.* ACUS Recommendation 2014–2,

"Government in the Sunshine Act" (adopted June 5, 2014) at ¶ 6.

Rule 2.2 identifies certain types of actions that must be taken in a public meeting and a number of other types of actions, described as "miscellaneous matters," as actions that may be taken without a meeting. Many other types of Commission actions are not specifically enumerated. The proposed amendment revises Rule 2.2 to clarify and enumerate the actions that must be taken in public meetings and the actions that may be taken in nonpublic meetings or without a meeting. Specifically, votes on final priorities and votes to approve or revise the minutes of public meetings must be taken at public meetings, and a number of other actions may be taken at nonpublic meetings or without a meeting. It also clarifies that the actions authorized to be taken in nonpublic meetings or without a meeting are not precluded from being taken in public

Rule 3.3 identifies the purposes for holding nonpublic meetings: To transact certain types of Commission business, to hold discussions with Commission staff, and to discuss with outside parties certain types of sensitive information. The proposed amendment revises Rule 3.3 to clarify and enumerate the purposes for holding nonpublic meetings. As revised, Rule 3.3 identifies five purposes for holding nonpublic meetings and provides more clarity and specificity about these different purposes. To summarize, they include: (1) To take action on other matters pursuant to Rule 2.2; (2) to hold discussions with Commission staff and ex officio staff; (3) to hold discussions with advisory groups, with persons within the judiciary, or with persons in the executive or legislative branches; (4) to discuss sensitive information with outside parties (with a number of examples); and (5) to hold discussions with outside experts, such as in a roundtable or symposium, on matters unrelated to the merits of any pending proposed amendment.

For nonpublic meetings covered by purpose (5), it adds that such meetings may be held under "Chatham House Rule" and may include outside observers.

Finally, it amends Rule 6.2 to delete language requiring the Office of Legislative and Public Affairs to maintain certain information about nonpublic meetings.

B. Public Meetings and Hearings

This part of the proposed amendment amends Rules 3.2 and 3.5 to provide more information to the public about
