SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the OFCCP Recordkeeping and Reporting Requirements—Supply and Service information collection, commonly referred to as the Scheduling Letter, which is used to schedule Federal contractors and subcontractors for compliance evaluations in accordance with Executive Order 11246 section 206, as amended; Rehabilitation Act of 1973 section 503, as amended; and the Vietnam Era Veterans’ Readjustment Assistance Act of 1974 section 402, as amended. These mandates prohibit Federal contractors and subcontractors from discriminating on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or protected veteran’s status. They also prohibit these employers from taking adverse employment actions against applicants and employees for asking about,

discussing, or sharing information about their pay or, in certain circumstances, the pay of their co-workers. This information collection has been classified as a revision, because of minor clarifying edits to the Scheduling Letter and associated Itemized Listing to ensure contractors understand the information being requested and to strengthen the agency’s assurances of confidentiality for the information provided. Executive Order 11246 section 201, Rehabilitation Act of 1973 section 503, and Vietnam Era Veterans’ Readjustment Assistance Act section 402 authorize this information collection. See E.O. 11246 section 201, 29 U.S.C. 793, and 38 U.S.C. 4212.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1250–0003. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on October 29, 2015 (80 FR 66572).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1250–0003. The OMB is particularly interested in comments that:

SUPPLEMENTARY INFORMATION: The Assistant Secretary of Labor for Occupational Safety and Health invites interested individuals to submit nominations for membership on WPAC.

Background. The WPAC advises the Secretary of Labor (the Secretary) and the Assistant Secretary of Labor for Occupational Safety and Health (the Assistant Secretary) on ways to improve the fairness, efficiency, and transparency of OSHA’s whistleblower investigations. WPAC is a continuing advisory body and operates in compliance with the Federal Advisory Committee Act (5 U.S.C. App. 2) and its implementing regulations (see “Authority and Signature” section).

WPAC membership. WPAC is comprised of 12 members, whom the Secretary appoints to staggered terms, not to exceed 2 years. OSHA is seeking to fill six positions on WPAC that will become vacant on December 1, 2016. The composition of WPAC and categories of new members to be appointed to new two-year terms are as follows:

- Two management representatives who are or represent employers or employer associations in industries covered by one or more of the whistleblower laws enforced by OSHA;
- Two labor representatives who are or represent workers or worker advocacy organizations in industries covered by one or more of the whistleblower laws enforced by OSHA; and
- Two public representatives from a college, university, non-partisan think tank, or other entity who have extensive knowledge and expertise on whistleblower statutes and issues.

If a vacancy occurs before a term expires, the Secretary may appoint a new member who represents the same interest as the predecessor to serve for the remainder of the unexpired term. The committee meets at least two times a year.

Nomination requirements. Any individual or organization may nominate one or more qualified persons for membership. If an individual or organization nominates more than one person, each person must be named. Submissions of nominations must include the following information for each nominee:

1. The nominee’s name, contact information and current occupation or position (required);
