

exhibited. NMFS will consider pinnipeds flushing into the water; moving more than twice their body length, but not into the water; and changing direction of current movement by individuals as behavioral criteria for take by Level B harassment.

(iv) A description of the implementation and effectiveness of the monitoring and mitigation measures of the IHA.

(b) Submit a final report to the Chief, Permits and Conservation Division, Office of Protected Resources, NMFS, within 30 days after receiving comments from NMFS on the draft report. If NMFS decides that the draft report needs no comments, the draft report shall be considered to be the final report.

7. In the unanticipated event that the City of San Diego discovers a live stranded marine mammal (sick and/or injured, or if any fur seals are observed) at Children's Pool, they shall immediately contact Sea World's stranded animal hotline at 1-800-541-7235. Sea World shall also be notified for dead stranded pinnipeds so that a necropsy can be performed. In all cases, the NMFS stranding coordinator shall be notified as well, but for immediate responses purposes, Sea World shall be contacted first.

Reporting Prohibited Take

8. In the unanticipated event that the specified activity clearly causes the take of a marine mammal in a manner prohibited by this Authorization, such as an injury (Level A harassment), serious injury or mortality, the City of San Diego shall immediately cease the specified activities and immediately report the incident to the Chief of the Permits and Conservation Division, Office of Protected Resources, NMFS and the West Coast Regional Stranding Coordinator. The report must include the following information:

(a) Time, date, and location (latitude/longitude) of the incident; the type of activity involved; description of the circumstances during and leading up to the incident; water depth; environmental conditions (e.g., wind speed and direction, Beaufort sea state, cloud cover, and visibility); description of marine mammal observations in the 24 hours preceding the incident; species identification or description of the animal(s) involved; the fate of the animal(s); and photographs or video footage of the animal (if equipment is available).

Activities shall not resume until NMFS is able to review the circumstances of the prohibited take. NMFS shall work with the City of San Diego to determine what is necessary to

minimize the likelihood of further prohibited take and ensure MMPA compliance. The City of San Diego may not resume their activities until notified by NMFS via letter or email, or via telephone.

Reporting an Injured or Dead Marine Mammal With an Unknown Cause of Death

In the event that the City of San Diego discovers an injured or dead marine mammal, and the lead PSO determines that the cause of the injury or death is unknown and the death is relatively recent (i.e., in less than a moderate state of decomposition as described in the next paragraph), the City of San Diego will immediately report the incident to the Chief of the Permits and Conservation Division, Office of Protected Resources, NMFS and the NMFS West Coast Regional Office and/or the West Coast Regional Stranding Coordinator. The report must include the same information identified in the Condition 8(a) above. Activities may continue while NMFS reviews the circumstances of the incident. NMFS will work with the City of San Diego to determine whether modifications in the activities are appropriate.

Reporting an Injured or Dead Marine Mammal Not Related to the Activities

In the event that the City of San Diego discovers an injured or dead marine mammal, and the lead PSO determines that the injury or death is not associated with or related to the activities authorized in Condition 2 to 4 of this Authorization (e.g., previously wounded animal, carcass with moderate to advanced decomposition, or scavenger damage), the City of San Diego shall report the incident to the Chief of the Permits and Conservation Division, Office of Protected Resources, NMFS and the NMFS West Coast Regional Office and/or the West Coast Regional Stranding Coordinator within 24 hours of the discovery. The City of San Diego shall provide photographs or video footage (if available) or other documentation of the stranded animal sighting to NMFS and the Marine Mammal Stranding Network. Activities may continue while NMFS reviews the circumstances of the incident.

Reporting Any Presence of Fur Seals

In the event that the City of San Diego discovers any fur seals hauled out on the rocks or in sand at Children's Pool Beach prior to commencing sand sampling activities for the day, the City of San Diego shall contact the West Coast Regional Stranding Coordinator and sand sampling activities will not

commence until the animal(s) either leave or are collected by the stranding network. The City will also report the incident to the Chief of the Permits and Conservation Division, Office of Protected Resources, NMFS within 24 hours of the discovery. The City of San Diego shall provide photographs or video footage (if available) or other documentation of the stranded animal sighting to NMFS and the Marine Mammal Stranding Network. Activities may continue after the animal(s) are no longer present while NMFS reviews the circumstances of the incident.

9. A copy of this Authorization must be in the possession of all contractors and PSOs operating under the authority of this IHA.

Request for Public Comments

NMFS requests comment on our analysis, the draft authorization, and any other aspect of the preliminary determinations and notice of the proposed IHA for the City of San Diego's sand quality study activities at the La Jolla Children's Pool Beach. Please include with your comments any supporting data or literature citations to help inform our final decision on the City of San Diego's request for an MMPA authorization.

Number of Respondents: 14,550.
Responses per Respondent: 2.
Total Annual Responses: 29,100.
Average Burden per Response: 15 minutes.

Frequency: Initially and every six months.

Summary of Information Collection

The purpose of the WIC Overseas program is to provide supplemental foods and nutrition education to serve as an adjunct to good health care during critical times of growth and development, in order to prevent the occurrence of health problems, including drug and other substance abuse, and to improve the health status of program participants. The benefit is similar to the benefit provided under the domestic WIC program.

Respondents are individuals who are dependents of members of the armed forces stationed overseas, dependents of a civilian employee of a military department stationed overseas, and DoD contractors and their dependents stationed overseas who desire to receive supplemental food and nutrition education services. To be eligible for the program, a person must meet specific income guidelines. In determining income eligibility, the Department will use the Department of Health and Human Services income poverty table for the state of Alaska.

Dated: March 29, 2016.

BILLING CODE 5001–06–P

DEPARTMENT OF EDUCATION

Annual Updates to the Income Contingent Repayment (ICR) Plan Formula for 2016—William D. Ford Federal Direct Loan Program

AGENCY: Federal Student Aid, Department of Education.

ACTION: Notice.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.063.

SUMMARY: The Secretary announces the annual updates to the ICR plan formula for 2016, as required by 34 CFR 685.209(b)(1)(ii)(A), to give notice to Direct Loan borrowers and the public regarding how monthly ICR payment amounts will be calculated for the 2016–2017 year.

DATES: The adjustments to the income percentage factors for the ICR plan formula contained in this notice are

effective from July 1, 2016, to June 30, 2017, for any borrower who enters the ICR plan or has his or her monthly payment amount recalculated under the ICR plan during that period.

FOR FURTHER INFORMATION CONTACT: Ian Foss, U.S. Department of Education, 830 First Street NE., Room 113H2, Washington, DC 20202. Telephone: (202) 377–3681 or by email: ian.foss@ed.gov.

If you use a telecommunications device for the deaf or a text telephone, call the Federal Relay Service, toll free, at 1–800–877–8339.

SUPPLEMENTARY INFORMATION: Under the William D. Ford Federal Direct Loan (Direct Loan) Program, borrowers may choose to repay their non-defaulted loans (Direct Subsidized Loans, Direct Unsubsidized Loans, Direct PLUS Loans made to graduate or professional students, and Direct Consolidation Loans) under the ICR plan. The ICR plan bases the borrower's repayment amount on the borrower's income, family size, loan amount, and the interest rate applicable to each of the borrower's loans.

ICR is one of the income-driven repayment plans. Other income-driven repayment plans include the Income-Based Repayment (IBR) plan, the Pay As You Earn (PAYE) Repayment plan, and the Revised Pay As You Earn (REPAYE) Repayment plan. The IBR, PAYE, and REPAYE plans provide lower payment amounts than the ICR plan for most borrowers.

A Direct Loan borrower who repays his or her loans under the ICR plan pays the lesser of: (1) The amount that he or she would pay over 12 years with fixed payments multiplied by an income percentage factor; or (2) 20 percent of discretionary income.

Each year, to reflect changes in inflation, we adjust the income percentage factor used to calculate a borrower's ICR payment. We use the adjusted income percentage factors to calculate a borrower's monthly ICR payment amount when the borrower initially applies for the ICR plan or when the borrower submits his or her annual income documentation, as required under the ICR plan. This notice contains the adjusted income percentage factors for 2016, examples of how the monthly payment amount in ICR is calculated, and charts showing sample repayment amounts based on the adjusted ICR plan formula. This information is included in the following three attachments:
