

for vessels unable to pass through the bridge in the closed position. The Coast Guard will also inform waterway users through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: March 23, 2016.

D.H. Sulouff,

District Bridge Chief, Eleventh Coast Guard District.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2016-0225]

Drawbridge Operation Regulation; Sacramento River, Sacramento, CA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Tower Drawbridge across the Sacramento River, mile 59.0, at Sacramento, CA. The deviation is necessary to allow the community to participate in the Pony Express Marathon. This deviation allows the bridge to remain in the closed-to-navigation position during the deviation period.

DATES: This deviation is effective from 6:30 a.m. to 11 a.m. on May 1, 2016.

ADDRESSES: The docket for this deviation, [USCG-2016-0225] is available at <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email David H. Sulouff, Chief, Bridge Section, Eleventh Coast Guard District; telephone 510-437-3516, email David.H.Sulouff@uscg.mil.

SUPPLEMENTARY INFORMATION: California Department of Transportation has requested a temporary change to the operation of the Tower Drawbridge, mile 59.0, over Sacramento River, at Sacramento, CA. The vertical lift bridge

navigation span provides a vertical clearance of 30 feet above Mean High Water in the closed-to-navigation position. The draw operates as required by 33 CFR 117.189(a). Navigation on the waterway is commercial and recreational.

The drawspan will be secured in the closed-to-navigation position from 6:30 a.m. to 11 a.m. on May 1, 2016, to allow the community to participate in the Pony Express Marathon. This temporary deviation has been coordinated with the waterway users. No objections to the proposed temporary deviation were raised.

Vessels able to pass through the bridge in the closed position may do so at anytime. The bridge will be able to open for emergencies and there is no immediate alternate route for vessels to pass. The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessels can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: March 23, 2016.

D.H. Sulouff,

District Bridge Chief, Eleventh Coast Guard District.

Coast Guard

33 CFR Part 165

[Docket Number USCG-2016-0226]

RIN 1625-AA00

Safety Zone; Hudson River, Tarrytown, NY

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary moving safety zone for navigable waters of the Hudson River, in the vicinity of the Tappan Zee Bridge around a 100-yard radius of DECK BARGE WITTE 1406. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by salvage operations on the sunken vessel

TUG SPECIALIST. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port New York.

DATES: This rule is effective without actual notice from April 4, 2016 through May 17, 2016. For the purposes of enforcement, actual notice will be used from March 17, 2016 through April 4, 2016.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2016-0226 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email MST1 Kristina Pundt, Waterways Management Division, U.S. Coast Guard; telephone 718-354-4352, email Kristina.H.Pundt@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b) (B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because immediate action is needed to respond to the potential safety hazards associated with the salvage operations of TUG SPECIALIST that sank in the Hudson River on March 12, 2016. Delaying the effective date of this rule would be contrary to the public interest of ensuring the safety of salvage workers, DECK BARGE WITTE 1406, other vessels, and mariners from the hazards associated with the salvage of TUG SPECIALIST.

We are issuing this rule, and under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making it effective less than 30 days after

publication in the **Federal Register** for the same reasons as discussed above.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port New York (COTP) has determined that potential hazards associated with emergency salvage operations starting March 17, 2016, will be a safety concern for anyone within a 100-yard radius of DECK BARGE WITTE 1406. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while DECK BARGE WITTE 1406 conducts salvage operations on the sunken vessel.

IV. Discussion of the Rule

This rule establishes a safety zone from March 17, 2016 through May 17, 2016. The safety zone will cover all navigable waters within 100 yards of DECK BARGE WITTE 1406 to salvage the sunken tug vessel. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters while salvage operations are conducted. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive order related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, it has not been reviewed by the Office of Management and Budget.

This regulatory action determination is based on the size, location, duration, and time-of-year of the safety zone. Vessel traffic will be able to safely transit around this safety zone which will impact a small designated area of the Hudson River in the vicinity of the Tappan Zee Bridge for 60 days and

during a time of year when vessel traffic is normally low. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone and the rule allows vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves: A safety zone lasting approximately 62 that will prohibit entry within 100 yards of DECK BARGE WITTE 1406 being used by personnel to salvage the sunken tug vessel. It is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant

Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination will be available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T01–0226 to read as follows:

§ 165.T01–0226 Safety Zone; Salvage of TUG SPECIALIST, Hudson River, Tarrytown, NY.

(a) *Location*. The following area is a safety zone: All navigable waters within 100 yards of DECK BARGE WITTE 1406 while it is in the Hudson River.

(b) *Definitions*. As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port New York (COTP) in the enforcement of the security zone.

(c) *Regulations*. (1) Under the general security zone regulations in subpart D of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative via VHF channel 16 or by phone at (718) 354–4353 (Sector New

York Command Center). Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period*. This section will be enforced from March 17, 2016 through May 17, 2016, unless terminated sooner by the COTP.

Dated: March 17, 2016.

M.H. Day,

Captain, U.S. Coast Guard, Captain of the Port New York.

BILLING CODE 9110–04–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

45 CFR Part 75

RIN 0991–ZA46

Federal Awarding Agency Regulatory Implementation of Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Correction and Technical Amendments

AGENCY: Department of Health and Human Services.

ACTION: Interim final rule; correction and technical amendments.

SUMMARY: The Department of Health and Human Services published a document containing technical amendments in the **Federal Register** on January 20, 2016, revising the Uniform Administrative Requirements, Cost Principles and Audit Requirements for HHS Awards. That document inadvertently failed to update the following: A provision in Appendix II; an improper citation; a recent OMB change; and a grammatical error. This document makes correcting amendments to correct these sections.

DATES: Effective on April 4, 2016.

FOR FURTHER INFORMATION CONTACT: Audrey E. Clarke, Ph.D., Division of Grants, Office of Grants and Acquisition Policy and Accountability, Office of the Assistant Secretary for Financial Resources, U.S. Department of Health and Human Services, email: Audrey.Clarke@hhs.gov.

SUPPLEMENTARY INFORMATION: HHS is correcting its regulations in line with FR Doc. 2014–28697, published on December 19, 2014 (79 FR 75871), entitled “Federal Awarding Agency Regulatory Implementation of Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards”, the “Guidance for

Reporting and Use of Information Concerning Recipient Integrity and Performance” to 2 CFR part 200, published on July 22, 2015 (80 FR 43301), and “Universal Identifier and System of Award Management; Corrections”, published on September 10, 2015 (80 FR 54407), made by the Office of Management and Budget (OMB). HHS adopts the correcting amendments made by OMB. HHS is also making amendments to address citation or grammatical inconsistencies, to amend incomplete statements in the regulation, and to update existing HHS regulations to incorporate 45 CFR part 75. The correcting amendments will go into effect at the time of publication.

This is the second set of corrections. The first set of corrections was published in the **Federal Register** on January 20, 2016 (81 FR 3004). This document augments the corrections which were published in the **Federal Register** on January 20, 2016 (81 FR 3004). This document includes a corresponding change made by OMB to 2 CFR 200 on November 9, 2015 (80 FR 69111) that was omitted from the first set of corrections. This document also removes instruction 197c on page 3018 in the **Federal Register** on January 20, 2016 (81 FR 3004), which as published attempted to amend the wrong appendix in 45 CFR part 75. Because that instruction cited the wrong appendix, that amendment could not be incorporated into the CFR.

Correction

In the **Federal Register** issue of January 20, 2016 (81 FR 3004), make the following correction:

On page 3018, in the third column, remove amendatory instruction 197c.

List of Subjects in 45 CFR Part 75

Accounting, Auditing, Administrative practice and procedure, Colleges and universities, Cost principles, Grant programs, Grant programs-health, Grants administration, Hospitals, Indians, Nonprofit organizations, Reporting and recordkeeping requirements, and State and local governments.

Accordingly, HHS makes the following technical amendments to 45 CFR part 75:

PART 75—UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR HHS AWARDS

■ 1. The authority citation for part 75 continues to read as follows:

Authority: 5 U.S.C. 301.
