

protection of investors and the public interest. Specifically, the proposed rule change will allow for the selection by MIAAX of nominees best qualified to serve as Directors, Observers or committee members on the Exchange's Board of Directors based on the overall strategic needs of the Board, the Exchange and its constituents, regardless of such individuals' service as a member of the governing body of a competitor. (Conversely, this proposed rule change will also allow for the selection by MIAAX's competitors of nominees best qualified to serve on their governing bodies, regardless of such individuals' service on the Exchange's Board). In addition, the proposed rule change will alleviate the disruption that might occur if a Director, Observer or committee member of MIAAX were to become a member of the board of directors or similar governing body of a Specified Entity and thereby immediately cease to be a Director, Observer or committee member of MIAAX, thus resulting in the loss of a valuable Director, Observer or committee member and a vacancy on the MIAAX Board which the Exchange would have to divert efforts to refill, and potentially disrupting compliance with MIAAX's Board composition requirements as set forth in its By-Laws.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change to the By-Laws relates to the corporate governance of MIAAX, and as such, is not a competitive filing and does not impose a burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission shall: (a) By order approve or disapprove such proposed rule change, or (b) institute proceedings

to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange.
