

comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to [www.ed.gov/fund/grant/apply/appforms/appforms.html](http://www.ed.gov/fund/grant/apply/appforms/appforms.html).

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

4. *Performance Measures*: Under the Government Performance and Results Act of 1993, the Department has developed five performance measures to evaluate the overall effectiveness of the APTF Program: (1) The number of advanced placement tests taken by low-income public school students nationally; (2) The number of advanced placement tests taken by minority (Hispanic, Black, Native American) public school students nationally; (3) The percentage of advanced placement tests passed (for AP tests, scores of 3–5) by low-income public school students nationally; (4) The number of advanced placement tests passed (for AP tests, scores of 3–5) by low-income public school students nationally; and (5) The cost per passing advanced placement test taken by a low-income public school student. The information provided by grantees in their final performance reports will be one source of data for the measures. Other sources of data include the College Board, IBO, and Cambridge International Examinations.

## DEPARTMENT OF EDUCATION

[Docket No.: ED–2016–ICCD–0012]

### Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Indian Education Professional Development Grants Program: GPRA and Service Payback Data Collection

**AGENCY**: Office of Elementary and Secondary Education (OESE), Department of Education (ED).

**ACTION**: Notice.

**SUMMARY**: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 3501 *et seq.*), ED is proposing a revision of an existing information collection.

**DATES**: Interested persons are invited to submit comments on or before May 12, 2016.

**ADDRESSES**: To access and review all the documents related to the information collection listed in this notice, please use <http://www.regulations.gov> by searching the Docket ID number ED–2016–ICCD–0012. Comments submitted in response to this notice should be

submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. *Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted.* Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 400 Maryland Avenue SW., LBJ, Room 2E–105, Washington, DC 20202–4537. **FOR FURTHER INFORMATION CONTACT**: For specific questions related to collection activities, please contact John Cheek, 202–401–0274.

**SUPPLEMENTARY INFORMATION**: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

*Title of Collection*: Indian Education Professional Development Grants Program: GPRA and Service Payback Data Collection.

*OMB Control Number*: 1810–0698.

*Type of Review*: A revision of an existing information collection.

*Respondents/Affected Public*: State, Local, and Tribal Governments.

*Total Estimated Number of Annual Responses*: 1,740.

*Total Estimated Number of Annual Burden Hours*: 2,728.

*Abstract:* The Indian Education Professional Development (IEPD) Grants program provides grants to prepare and train Indians (*i.e.*, American Indians/Alaska Natives) to serve as teachers and administrators. The specific goals of the IEPD program are to: (1) Increase the number of qualified individuals in professions that serve American Indians/Alaska Natives; (2) provide training to qualified American Indians/Alaska Natives to become teachers, administrators, teacher aides, social workers, and ancillary education personnel; and (3) improve the skills of those qualified American Indians/Alaska Natives who already serve in these capacities. Individuals trained under this program must perform work related to their training and that benefits American Indian/Alaska Native people, or repay all or a prorated portion of the assistance received under the program.

This data collection serves three purposes: First, data from three sources (grantees, project participants, and employers) are necessary to assess the performance of the IEPD program on its Government Performance Results Act (GPRA) measures. Second, data from all three sources are necessary to determine if IEPD participants are fulfilling the terms of their service/cash payback requirements. Finally, budget and project-specific performance data are collected from IEPD grantees for project-monitoring and compliance information. The forms and protocols contained in this package include the Grantee Reporting Form, the Participant Training Information and Employment Reporting Form, and the Employment Verification Form.

## FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0384]

### Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, and as

required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

**DATES:** Written PRA comments should be submitted on or before June 13, 2016. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all PRA comments to Nicole Ongele, FCC, via email to [PRA@fcc.gov](mailto:PRA@fcc.gov) and to [Nicole.Ongele@fcc.gov](mailto:Nicole.Ongele@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** For additional information about the information collection, contact Nicole Ongele at (202) 418-2991.

**SUPPLEMENTARY INFORMATION:**

*OMB Control Number:* 3060-0384.

*Title:* Sections 64.901, 64.904 and 64.905, Auditor's Attestation and Certification.

*Form Number:* N/A.

*Type of Review:* Extension of a currently approved collection.

*Respondents:* Business or other for-profit entities.

*Number of Respondents and Responses:* 1 respondent, 1 response.

*Estimated Time per Response:* 5-250 hours.

*Obligation to Respond:* Required to obtain or retain benefits. Statutory authority is contained in sections 1, 4, 201-205, 215, and 218-220 of the Communications Act of 1934, as

amended, 47 U.S.C. 151, 154, 201-205, 215, and 218-220.

*Frequency of Response:* On-occasion, biennial, and annual reporting requirements.

*Total Annual Burden:* 255 hours.

*Total Annual Cost:* \$1,200,000.

*Privacy Act Impact Assessment:* No impact(s).

*Nature of Extent of Confidentiality:* This collection does not address information of a confidential nature.

*Needs and Uses:* Section 64.904(a) states that each incumbent LEC required to file a cost allocation manual shall elect to either have an attest engagement performed by an independent auditor every two years, covering the prior two year period, or have a financial audit performed by an independent auditor biennially. In either case, the initial engagement shall be performed in the calendar year after the carrier is first required to file a cost allocation manual. See section 64.904(a)-(c). Instead of requiring mid-sized carriers to incur the expense of a biennial attestation engagement, they now file a certification with the Commission stating that they are in compliance with 47 CFR 64.901 of the Commission's rules, which sets out the rules regarding allocation of costs. The certification must be signed, under oath, by an officer of the incumbent LEC, and filed with the Commission on an annual basis. Such certification of compliance represents a less costly means of enforcing compliance with our cost allocation rules. See 47 CFR 64.905 of the Commission's rules. The requirements are imposed to ensure that the carriers are properly complying with Commission rules. They serve as an important aid in the Commission's monitoring program. Section 64.905 requires mid-sized LECs to file a certification with the Commission stating that they are complying with section 64.901. The certification must be signed, under oath, by an officer of the mid-sized LEC, and filed with the Commission on an annual basis at the time that the mid-sized incumbent LEC files the annual reports required by section 43.21(e)(2).
