

have been taken during construction activities, and provides an interpretation of the results and effectiveness of all monitoring tasks. The report shall contain the following information:

- A summary of the activity and monitoring plan (*i.e.*, dates, times, locations);
- A summary of mitigation implementation;
- Monitoring results and a summary that addresses the goals of the monitoring plan, including the following:
  - Environmental conditions when observations were made;
  - Water conditions (*i.e.*, Beaufort sea-state, tidal state)
  - Weather conditions (*i.e.*, percent cloud cover, visibility, percent glare)
  - Date and time survey initiated and terminated
  - Date, time, number, species, age, and any other relevant data regarding marine mammals observed
  - Description of the observed behaviors (in both the presence and absence of activities):
    - If possible, the correlation to underwater sound level occurring at the time of any observable behavior
  - Estimated exposure/take numbers during activities; and
  - An assessment of the implementation and effectiveness of prescribed mitigation and monitoring measures.

10. This Authorization may be modified, suspended, or withdrawn if the Holder fails to abide by the conditions prescribed herein or if the authorized taking is having more than a negligible impact on the species or stock of affected marine mammals, or if there is an unmitigable adverse impact on the availability of such species or stocks for subsistence uses.

11. A copy of this Authorization and the Incidental Take Statement must be in the possession of each vessel operator taking marine mammals under the authority of this Incidental Harassment Authorization.

12. The Holder is required to comply with the Terms and Conditions of the Incidental Take Statement corresponding to NMFS' Biological Opinion.

#### Request for Public Comments

NMFS requests comment on our analysis, the draft authorization, and any other aspect of the Notice of Proposed IHA for DWBI's proposed dynamic positioning vessel thruster use associated with inter-array and export cable installation activities off the southeast coast of Block Island, Rhode

Island. Please include with your comments any supporting data or literature citations to help inform our final decision on DWBI's request for an MMPA authorization.

#### Notice Requesting Nominations for the Advisory Committee on Commercial Remote Sensing (ACCRES)

**ACTION:** Notice requesting nominations for the Advisory Committee on Commercial Remote Sensing (ACCRES).

**SUMMARY:** The Department of Commerce is seeking highly qualified individuals who are knowledgeable about the commercial space-based remote sensing industry and uses of space-based remote sensing data to serve on the Advisory Committee on Commercial Remote Sensing (ACCRES). The Committee is comprised of leaders in the commercial space-based remote sensing industry, space-based remote sensing data users, government, and academia. The **SUPPLEMENTARY INFORMATION** section of this notice provides committee and membership criteria.

**SUPPLEMENTARY INFORMATION:** ACCRES was established by the Secretary of Commerce on May 21, 2002, to advise the Secretary, through the Under Secretary of Commerce for Oceans and Atmosphere, on matters relating to the U.S. commercial remote sensing industry and NOAA's activities to carry out responsibilities of the Department of Commerce as set forth in Title 51 U.S.C. 60101, et seq, the National and Commercial Space Programs Act of 2010.

Committee members serve in a representative capacity for a term of two years and may serve additional terms, if reappointed. No more than 20 individuals at a time may serve on the Committee. ACCRES will have a fairly balanced membership consisting of approximately 9 to 20 members. Nominations are encouraged from all interested U.S. persons and organizations representing interests affected by the National and Commercial Space Programs Act of 2010 and the U.S. commercial space based remote sensing policy. Nominees must

possess demonstrable expertise in a field related to the space based commercial remote sensing industry or exploitation of space based commercial remotely sensed data and be able to attend committee meetings that are held usually two times per year. Membership is voluntary, and service is without pay. Each nomination that is submitted should include the proposed committee member's name and organizational affiliation, a brief description of the nominee's qualifications and interest in serving on the Committee, a curriculum vitae or resume of the nominee, and no more than three supporting letters describing the nominee's qualifications and interest in serving on the Committee. Self-nominations are acceptable. The following contact information should accompany each submission: the nominee's name, address, phone number, fax number, and email address.

Nominations should be sent to Tahara Dawkins, Director, Commercial Remote Sensing Regulatory Affairs Office, 1335 East-West Highway, Room 8260, Silver Spring, Maryland 20910. Nominations must be postmarked no later than 30 days from the publication date of this notice. The full text of the Committee Charter and its current membership can be viewed at the Agency's Web page at: <http://www.nesdis.noaa.gov/CRSRA/accresHome.html>.
