Abstract: Section 107(5) of the Federal Credit Union Act authorizes Federal Credit Unions to make loans to members and issue lines of credit (including credit cards) to members. Part 741 of NCUA's rules and regulations established requirements for all federally insured credit unions related to loans to members and lines of credit union members. Additionally, NCUA's rules and regulations at § 701.21 establish additional requirements related to loans to members and lines of credit to members for federal credit unions. These regulations include various information collections to ensure credit unions comply with applicable laws and operate in a safe and sound manner.
