

the Exchange states that a Member who utilizes the proposed TIF instructions, but later determines that market conditions favor execution during Early Trading Session, can cancel the order residing at the Exchange and enter a separate order to execute during the Early Trading Session.⁴⁸

Furthermore, the Exchange proposes technical amendments to its Rules to correct erroneous plural words and an inaccurate description of the Pre-Opening Session times in Exchange Rules 11.17 and 14.1, respectively. The Commission believes these proposed amendments would help alleviate potential confusion among Users and Members regarding the operation of the Exchange's rules and are, therefore, consistent with the Act.

IT IS THEREFORE ORDERED, pursuant to Section 19(b)(2) of the Act⁴⁹ that the proposed rule change (SR-BYX-2016-03), as modified by Amendment No.1, be, and it hereby is, approved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-77611; File No. SR-BATS-2016-14]

Self-Regulatory Organizations; BATS Exchange, Inc.; Order Approving Proposed Rule Change, as Modified by Amendment No. 1 Thereto, To Adopt an Early Trading Session and Three New Time-in-Force Instructions

April 13, 2016.

I. Introduction

On February 12, 2016, BATS Exchange, Inc. (the "Exchange" or "BATS") (n/k/a Bats BZX Exchange, Inc.) filed with the Securities and Exchange Commission (the "Commission"), pursuant to section 19(b)(1)¹ of the Securities Exchange Act of 1934 ("Act")² and Rule 19b-4 thereunder,³ a proposed rule change to amend its rules to: (i) Create a new

trading session to be known as the Early Trading Session, which will run from 7:00 a.m. to 8:00 a.m. Eastern Time; and (ii) adopt three new Time-in-Force ("TIF") instructions. The proposed rule change was published for comment in the **Federal Register** on February 29, 2016.⁴ On April 11, 2016, the Exchange filed Amendment No. 1 to the proposed rule change.⁵ The Commission received no comments on the proposed rule change. This order approves the proposed rule change, as modified by Amendment No. 1.

II. Description of the Proposal

The Exchange proposes to amend its rules to: (i) Create a new trading session, the Early Trading Session, which will run from 7:00 a.m. to 8:00 a.m. Eastern Time; and (ii) adopt three new TIF instructions.

A. Early Trading Session

The Exchange trading day is currently divided into three sessions: (i) The Pre-Opening Session, which starts at 8:00 a.m. and ends at 9:30 a.m. Eastern Time; (ii) Regular Trading Hours, which run from 9:30 a.m. to 4:00 p.m. Eastern Time; and (iii) the After Hours Session, which runs from 4:00 p.m. to 5:00 p.m. Eastern Time.⁶ The Exchange proposes to amend its rules to create the Early Trading Session. Exchange Rule 1.5 would be amended to add a new term, "Early Trading Session," under proposed paragraph (ee). "Early Trading Session" would be defined as "the time between 7:00 a.m. and 8:00 a.m. Eastern Time."

The Exchange also proposes to amend Exchange Rule 11.1(a) to state that orders may be entered or executed on, or routed away from, the Exchange during the Early Trading Session and to reflect the start time of the Early Trading Session as 7:00 a.m. Eastern Time. Other than the proposal to adopt an Early Trading Session, the Exchange does not propose to amend the substance or operation of Exchange Rule 11.1(a).⁷

⁴ See Securities Exchange Act Release No. 77214 (February 23, 2016), 81 FR 10350 ("Notice").

⁵ Amendment No. 1 amended and replaced the proposed rule change in its entirety. In Amendment No. 1, the Exchange made technical nonsubstantive changes to the proposed rule text to replace all references to "BATS" with "BZX" and to otherwise revise Exhibit 5 so that the proposed rule text is consistent with the Exchange's current rule text. See Securities Exchange Act Release Nos. 77307 (March 7, 2016), 81 FR 12996 (March 11, 2016) (SR-BATS-2016-25) and 77476 (March 30, 2016) 81 FR 19661 (April 5, 2016) (SR-BATS-2016-17). Because Amendment No. 1 adds clarification and does not materially alter the substance of the proposed rule change or raise unique or novel regulatory issues, Amendment No. 1 is not subject to notice and comment.

⁶ See Notice, *supra* note 4, at 10350.

⁷ See *id.*

Users⁸ currently designate when their orders are eligible for execution by selecting a desired TIF instruction. Orders entered between 6:00 a.m. and 8:00 a.m. Eastern Time are not eligible for execution until the start of the Pre-Opening Session or Regular Trading Hours, depending on the TIF selected by the User. A User may enter orders in advance of the trading session for which its orders are eligible. For example, Users may enter orders starting at 6:00 a.m. Eastern Time with a TIF of Regular Hours Only ("RHO"), which designates that the order only be eligible for execution during Regular Trading Hours.⁹ Users may enter orders as early as 6:00 a.m. Eastern Time, but those orders would not be eligible for execution until the start of the Pre-Opening Session at 8:00 a.m. According to the Exchange, some Users have requested the ability for their orders to be eligible for execution starting at 7:00 a.m. Eastern Time. Therefore, the Exchange is proposing to adopt the Early Trading Session.¹⁰

As amended, Exchange Rule 11.1(a) would state that orders entered between 6:00 a.m. and 7:00 a.m. Eastern Time, rather than 6:00 a.m. and 8:00 a.m. Eastern Time, would not be eligible for execution until the start of the Early Trading Session, Pre-Opening Session, or Regular Trading Hours, depending on the TIF selected by the User. Exchange Rule 11.1(a) would also be amended to state that the Exchange would not accept the following orders prior to 7:00 a.m. Eastern Time, rather than 8:00 a.m.: (i) BZX Post Only Orders;¹¹ (ii) Partial Post Only at Limit Orders;¹² (iii) Intermarket Sweep Orders ("ISOs");¹³ (iv) BZX Market Orders¹⁴ that are not Eligible Auction Orders as defined in Rule 11.23(a)(8); (v) Minimum Quantity Orders¹⁵ that also include a TIF of RHO; and (vi) all orders with a TIF instruction of Immediate-or-Cancel ("IOC")¹⁶ or Fill-or-Kill ("FOK").¹⁷ At the commencement of the Early Trading Session, orders entered between 6:00 a.m. and 7:00 a.m. Eastern Time, rather than 6:00 a.m. and 8:00 a.m. Eastern Time, would be handled in time sequence, beginning with the order with

the oldest time stamp, and would be placed on the BZX Book,¹⁸ routed, cancelled, or executed in accordance with the terms of the order.¹⁹ As amended, Exchange Rule 11.1(a) would state that orders may be executed on the Exchange or routed away from the Exchange during Regular Trading Hours and during the Early Trading, Pre-Opening, and After Hours Trading Sessions.²⁰

The Exchange also proposes to make the changes described below to Exchange Rules 3.21, 11.9, 11.13, 11.17, 11.23, 14.6, 14.11 and 14.12 to reflect the adoption of the Early Trading Session:

- Exchange Rule 3.21, Customer Disclosures. Exchange Rule 3.21 prohibits Members from accepting an order from a customer for execution in the Pre-Opening or After Hours Trading Session without disclosing to their customer that extended hours trading involves material trading risks, including the possibility of lower liquidity, high volatility, changing prices, unlinked markets, an exaggerated effect from news announcements, wider spreads and any other relevant risk. The Exchange proposes to amend Exchange Rule 3.21 to also require such disclosures for customer orders that are to be executed during the Early Trading Session.²¹

- Exchange Rule 11.9, Orders and Modifiers. The Exchange proposes to amend the description of BZX Market Orders under Exchange Rule 11.9(a)(2), Market Maker Peg Orders under Rule 11.9(c)(16), and Supplementary Peg Orders under Rule 11.9(c)(19) to account for the Early Trading Session. Every order type that is currently available beginning at 8:00 a.m. would be available beginning at 7:00 a.m. for inclusion in the Early Trading Session. All other order types, and all order type behaviors, would otherwise remain unchanged. Therefore, each of the above rules for BZX Market Orders, Market Maker Peg Orders, and Supplemental

Peg Orders would be amended to account for the Early Trading Session.²²

- Exchange Rule 11.13, Order Execution and Routing. Exchange Rule 11.13(a)(2)(B) discusses compliance with Regulation NMS and Trade Through Protections and states that the price of any execution occurring during the Pre-Opening Session or the After Hours Trading Session must be equal to or better than the highest Protected Bid or lowest Protected Offer, unless the order is marked ISO or a Protected Bid is crossing a Protected Offer. The Exchange proposes to amend Exchange Rule 11.13(a)(2)(B) to expand the Exchange Rule's requirements to the Early Trading Session.²³

- Exchange Rule 11.17, Clearly Erroneous Executions. Exchange Rule 11.17 outlines under which conditions the Exchange may determine that an execution is clearly erroneous. The Exchange proposes to amend Exchange Rule 11.17 to include executions that occur during the Early Trading Session. Exchange Rule 11.17(c)(1) sets forth the numerical guidelines the Exchange is to follow when determining whether an execution was clearly erroneous during Regular Trading Hours or the Pre-Opening or After Hours Trading Session. Exchange Rule 11.17(c)(3) sets forth additional factors the Exchange may consider in determining whether a transaction is clearly erroneous. These factors include whether the transaction was executed during the Pre-Opening or After Hours Trading Sessions. The Exchange proposes to amend Exchange Rule 11.17(c)(1) and (3) to include executions occurring during the Early Trading Session.²⁴

- Exchange Rule 11.23, Auction. Exchange Rules 11.23(b) and (c) describe the Exchange's Opening and Closing Auction processes. The Exchange proposes to amend Exchange Rules 11.23(b)(1)(C) to reflect that Orders eligible for execution in the Early Trading Session or Pre-Opening Session may be cancelled or modified at any time prior to execution.²⁵

²² See *id.* at 10351–52. Amendment No. 1 updated Exhibit 5 so that the names of orders and order modifiers stated therein conform with those used in the current Exchange Rules. See *supra*, note 5.

²³ See Notice, *supra* note 4, at 10352.

²⁴ See *id.* The Exchange also proposes technical amendments to Exchange Rules 11.17(c)(1) and (3) to delete the letter “s” from the word “Trading Sessions” and the letter “s” from the word “tapes,” respectively.

²⁵ The Commission notes that in the initial filing for this proposed rule change, the Exchange proposed additional conforming changes to Exchange Rules 11.23(b)(1)(A) and (c)(1)(A) to state that Users may submit orders at the start of the Early Trading Session at 7:00 a.m., rather than 8:00 a.m., to participate in either the Opening or Closing Auction. In Amendment No. 1, those proposed

- Rule 14.6, Obligations for Companies Listed on the Exchange. The Exchange proposes to amend Exchange Rules 14.6(b)(1), (b)(2), and Interpretation and Policies .01(a), (b), (c), and .02 to require an Exchange-Listed Company that publicly releases material information outside of the Exchange market hours to inform the Exchange's Surveillance Department of that material information prior to 6:50 a.m. rather than 7:50 a.m. Eastern Time. The Exchange proposes to amend Exchange Rule 14.6, Interpretation and Policies .01(a), (b), (c), and .02 to reflect the start of the Early Trading Session at 7:00 a.m. Eastern Time. The amended provisions of Exchange Rule 14.6, Interpretation and Policies .01(a), (b), (c), and .02 require companies to notify the Exchange's Surveillance Department of the release of certain material information at least ten minutes prior to the release of such information to the public when the public release of the information is made during Exchange market hours.²⁶

- Rule 14.11, Other Securities. The Exchange proposes to amend Exchange Rules 14.11(b)(7) and (c)(7) to reflect the extension of the pre-Opening session of the Exchange to 7:00 a.m. Eastern Time for the trading of Portfolio Depository Receipts and Index Fund Shares, respectively. The Exchange also proposes to amend the provisions of Exchange Rules 14.11(d) and (e) that address the trading of the following securities to include references to the Early Trading Session or to state that transaction in the following products may occur during the Early Trading Session, in addition to during Regular Trading Hours and the Pre-Opening and After Hours Trading Sessions: (i) Securities Linked to the Performance of Indexes and Commodities (Including Currencies) (Exchange Rule 14.11(d)); (ii) Commodity-Based Trust Shares (Exchange Rule 14.11(e)(4)); (iii) Currency Trust Shares (Exchange Rule 14.11(e)(5)); (iv) Commodity Index Trust Shares (Exchange Rule 14.11(e)(6)); (v) Commodity Futures Trust Shares (Exchange Rule 14.11(e)(7)); (vi) Trust Units (Exchange Rule 14.11(e)(9)); (vii) Managed Trust Securities (Exchange Rule 14.11(e)(10)); and (viii) Derivative Securities Traded under Unlisted

amendments were removed from the proposal because the current rule text for each rule no longer requires changes to conform with this proposal due to recent amendments in a separate rule filing. ²⁰ See *id.* Amendment No. 1 updated Exhibit 5 so that the names of orders, order modifiers, and the Exchange's book stated therein conform with those used in the current Exchange Rules. See *supra*, note 5. The Exchange also describes how the Early Trading Session will affect its Members' operations and the Exchange's opening process, order types, routing services, order processing, data feeds, trade reporting, market surveillance, and clearly erroneous trade processing. The Exchange clarifies that these processes would operate in the same manner with the exception of changes in time to reflect the adoption of the Early Trading Session. Trading Privileges (Exchange Rule 14.11(j)).²⁷

- Rule 14.12, Failure to Meet Listing Standards. The Exchange proposes to amend Exchange Rules 14.12(e) and (m)(11) to require that companies that publicly announce the receipt of a notification of deficiency, Staff Delisting Determination, Public Reprimand Letter, or Adjudicatory Body Decision that serves as a Public Reprimand Letter outside of Exchange market hours inform the Exchange's Surveillance Department of the material information prior to 6:50 a.m. rather than 7:50 a.m. Eastern Time. If the public announcement is made during Exchange market hours, both Exchange Rules would continue to require that the company inform the Exchange's Surveillance Department at least 10 minutes prior to the announcement.²⁸

B. TIF Instructions

The Exchange proposes to adopt three new TIF instructions under Exchange Rule 11.9(b). As discussed above, a User may designate when its order is eligible for execution by selecting the desired TIF instruction under Exchange Rule 11.9(b).²⁹

Although the Exchange states that the proposal to adopt an Early Trading Session is in response to User requests for their orders to be eligible for execution starting at 7:00 a.m. Eastern Time, the Exchange states that some Users have requested that their orders continue to not be eligible for execution until the start of the Pre-Opening Session at 8:00 a.m. Therefore, the Exchange proposes to adopt the following three new TIF instructions under Exchange Rule 11.9(b):³⁰

- Pre-Opening Session Plus ("PRE"). A limit order that is designated for execution during the Pre-Opening Session and Regular Trading Hours. Like the current Good 'til Cancel TIF instruction,³¹ any portion not executed would expire at the end of Regular Trading Hours.

- Pre-Opening Session 'til Extended Day ("PTX"). A limit order that is designated for execution during the Pre-Opening Session, Regular Trading Hours, and the After Hours Session. Like the current Good 'til Extended Day TIF instruction,³² any portion not

executed would expire at the end of the After Hours Session.

- Pre-Opening Session 'til Day ("PTD"). A limit order that is designated for execution during the Pre-Opening Session, Regular Trading Hours, and the After Hours Session. Like the current Good 'til Day TIF instruction,³³ any portion not executed would be cancelled at the expiration time assigned to the order, which can be no later than the close of the After Hours Trading Session.

Under each proposed TIF instruction, Users may designate that their orders only be eligible for execution starting with the Pre-Opening Session. Users may continue to enter orders as early as 6:00 a.m., but orders with the proposed TIF instructions would not be eligible for execution until 8:00 a.m. Eastern Time, which is the start of the Pre-Opening Session. At the commencement of the Pre-Opening Session, orders entered between 6:00 a.m. and 8:00 a.m. Eastern Time with one of the proposed TIF instructions would be handled in time sequence, beginning with the order with the oldest time stamp, and would be placed on the BZX Book, routed, cancelled, or executed in accordance with the terms of the order.³⁴

III. Discussion and Commission Findings

After careful consideration, the Commission finds that the proposed rule change, as modified by Amendment No.1, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.³⁵ The Commission believes that the proposed rule change is consistent with section 6(b)(5)³⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in

general, to protect investors and the public interest.

The Exchange proposes to adopt an Early Trading Session and three new TIF instructions and to make related changes to its rules as discussed above.³⁷ The Commission believes that the proposed rules would provide Users with additional options for trading on the Exchange. The Commission notes that the proposed Early Trading Session hours are similar to those of other exchanges,³⁸ and that the proposed TIF instructions would offer functionality similar to existing functionality available on the Exchange and other exchanges that allows Members to select when their orders become eligible for execution.³⁹

The Commission notes that the Exchange has represented that it would subject orders that are eligible for execution as of the start of the Pre-Opening Session to all of the Exchange's standard regulatory checks, as it currently does with all orders upon entry.⁴⁰ Specifically, the Exchange would subject such orders to checks for compliance with, including but not limited to, Regulation NMS,⁴¹ Regulation SHO,⁴² and relevant Exchange rules.⁴³ Moreover, the Exchange reminds its Members of their regulatory obligations when submitting an order with one of the proposed TIF instructions.⁴⁴ In particular, the Exchange states that Members must comply with the Market Access Rule,⁴⁵ which requires, among other things, pre-trade controls and procedures that are reasonably designed to assure compliance with Exchange trading rules and Commission rules pursuant to Regulation SHO and Regulation NMS. The Exchange also notes that a Member's procedures must be reasonably designed to ensure

³⁸ For example, NYSE Arca, Inc. operates an Opening Session that starts at 4:00 a.m. Eastern Time and ends at 9:30 a.m. Eastern Time, and Nasdaq Stock Market LLC operates a pre-market session that also opens at 4:00 a.m. and ends at 9:30 a.m. Eastern Time. ³⁹ Specifically, on the Exchange, Users may enter an order starting at 6:00 a.m. Eastern Time with a TIF of Regular Hours Only, which designates that the order only be eligible for execution during Regular Trading Hours, which begin at 9:30 a.m. Eastern Time. See Exchange Rule 11.b(7); see also NASDAQ Rule 4703(a)(7).

⁴⁴ See *id.*

⁴⁵ See 17 CFR 240.15c3-5.

²⁷ See *id.* at 10352-53. The Exchange also proposes to amend Rule 14.11(j)(2) to correct an inaccurate description of the Pre-Opening Session, which currently reads as 9:00 a.m. to 9:30 a.m. rather than 8:00 a.m. to 9:30 a.m. as is set forth throughout Exchange Rules. See *id.* at 10353

See *supra*, note 5. Orders utilizing one of the proposed TIF instructions would not be eligible for execution during the Early Trading Session. See Notice, *supra* note 4, at 10353, n.32.

³⁵ In approving this rule change, the Commission notes that it has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

compliance with the applicable regulatory requirements, not just at the time the order is routed to the Exchange, but also at the time the order becomes eligible for execution.⁴⁶

The Commission further notes the Exchange's discussion of the best execution obligations of Members utilizing the proposed TIF instructions.⁴⁷ Specifically, the Exchange states that a Member's best execution obligations may include cancelling an order when market conditions deteriorate and could result in an inferior execution or informing customers when the execution of their order may be delayed intentionally while the Member utilizes reasonable diligence to ascertain the best market for the security.⁴⁸ The Exchange further notes that Members will maintain the ability to cancel or modify the terms of an order utilizing any of the proposed TIF instructions at any time, including during the time from when the order is routed to the Exchange until the start of the Pre-Opening Session.⁴⁹ As a result, the Exchange states that a Member who utilizes the proposed TIF instructions, but later determines that market conditions favor execution during Early Trading Session, can cancel the order residing at the Exchange and enter a separate order to execute during the Early Trading Session.⁵⁰

Furthermore, the Exchange proposes technical amendments to its Rules to correct erroneous plural words and an inaccurate description of the Pre-Opening Session times in Exchange Rules 11.17 and 14.11, respectively. The Commission believes these proposed amendments would help alleviate potential confusion among Users and Members regarding the operation of Exchange Rules and are, therefore, consistent with the Act.

IV. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act⁵¹ that the proposed rule change (SR-BATS-2016-14), as modified by Amendment No. 1, be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁵²
