Title: Child Care Development Fund
 Plan for Tribes for FFY 2017-2019
 (ACF-118-A).

OMB No.: 0970-0198.

Description: The Child Care and
 Development Fund (CCDF) Plan (the
 Plan) for Tribes is required from each
 CCDF Lead Agency in accordance with
 Section 658E of the Child Care and
 Development Block Grant (CCDBG) Act,
 as amended, by Public Law 113-186

and U.S.C. 9858. The Plan provides ACF
 and the public with a description of,
 and assurances about, the Tribes' child
 care program.

The FY 2017-2019 CCDF Plan
 Preprint for Tribal grantees is being
 published in the **Federal Register** for a
 30-day Public Comment Period to
 provide an opportunity for the public to
 submit comments to the Office of
 Management and Budget (OMB). The
 first 60-day comment period on the
 Tribal Preprint closed on March 19,
 2016. The Office of Child Care (OCC)
 has given thoughtful consideration to
 those comments received during the 60-
 day Public Comment Period. The Plan
 has been revised to provide additional
 guidance and clarification throughout
 the document to improve the quality of
 the information requested. Additional
 revisions were also made to identify
 those questions related to the CCDBG
 Act of 2014 that were added for
 "informational purposes only". A red
 delta sign has been inserted to
 specifically identify those questions
 related to the new law. The CCDBG Act
 of 2014, signed into law in November of

2014 made significant changes to the
 CCDF program. However, the law did
 not explicitly indicate the extent to
 which many of the new requirements
 apply to Tribes. Questions related to the
 CCDBG Act of 2014 will provide ACF
 with baseline information on Tribal
 practices and technical assistance
 needs.

ACF extended the current Tribal Plan
 for one year, which means that Tribes
 will submit new 3-year Plans for FY
 2017-2019 on July 1, 2016, with an
 effective date of October 1, 2016. This
 additional time allowed the Office of
 Child Care to consult with Tribal
 Leaders and their designated
 representatives to solicit input on how
 the new requirements of the CCDBG Act
 of 2014 might apply to Tribal child care
 programs. HHS will publish a Final
 Rule to determine the extent to which
 the new law applies to Tribes. Pending
 the issuance of new regulations and
 guidance, Tribes are subject to the prior
 law and regulations.

Respondents: Tribal CCDF Lead
 Agencies (257).

Title: State Access and Visitation
 Grant Application.

OMB No.: 0970-NEW.

Description

The Personal Responsibility and Work
 Opportunity Reconciliation Act of 1996
 (PRWORA) created the "Grants to States
 for Access and Visitation" program (AV
 grant program). Funding for the program
 began in FY 1997 with a capped, annual
 entitlement of \$10 million. The
 statutory goal of the program is to

provide funds to states that will enable
 them to provide services for the purpose
 of increasing noncustodial parent (NCP)
 access to and visitation with their
 children. State governors decide which
 state entity will be responsible for
 implementing the AV grant program and
 the state determines who will be served,
 what services will be provided, and
 whether the services will be statewide
 or in local jurisdictions. The statute
 specifies certain activities which may be
 funded, including: voluntary and
 mandatory mediation, counseling,
 education, the development of parenting
 plans, supervised visitation, and the
 development of guidelines for visitation
 and alternative custody arrangements.
 Even though OCSE manages this
 program, the funding for the AV grant
 is separate from funding for federal and
 state administration of the Child
 Support program.

Section 469B(e)(3) of the Social
 Security Act (Pub. L. 104-193) requires
 that each state receiving an Access and
 Visitation (AV) grant award monitor,
 evaluate and report on such programs in
 accordance with regulations (45 CFR
 part 303). The AV Grant Program Terms

and Conditions Addendum references administration of the grant program in accordance with an approved state application. Additionally, the Catalog of Federal Domestic Assistance, states that there is an application requirement for Grants to States for Access and Visitation Programs (93.597). The application process will assist OCSE in complying with this requirement and will reflect a greater emphasis on program efficiency, coordination of services, and increased attention to family safety.

This new, modified application reflects a greater emphasis on program

efficiency, coordination of services, and increased attention to family safety. This application will cover three fiscal years. The applications will include information on how grantees plan to: spend grant funds, monitor service delivery, and implement safety protocols to ensure client and staff safety. OCSE will review the applications to ensure compliance with federal regulation and provide enhanced targeted technical assistance. The application will also assist states in strategic planning of services and knowledge sharing.

OCSE will review the applications to ensure that planned services meet the requirements laid out in Section 469B(e)(3) of the Social Security Act (Pub. L. 104–193). This review will include monitoring of program compliance and the safe delivery of services. In addition to monitoring, the report will also assist in OCSE’s ability to provide technical assistance to states that would like assistance.

Respondents: Recipients of the Access & Visitation Grant (54 states and territories).
