SUPPLEMENTARY INFORMATION: The U.S. Department of the Interior established the USEITI Advisory Committee (Committee) on July 26, 2012, to oversee the domestic implementation of this voluntary, global initiative designed to increase transparency and accountability in the governance of extractive industries revenue management. More information about the Committee, including its charter, and public meetings can be found at www.doi.gov/eiti/faca.

This Public Outreach session/webinar will provide the public awareness of EITI and its benefits, update stakeholders on status of U.S. compliance with the global standard, and demonstrate the interactive on-line 2015 first annual USEITI Report. The USEITI Report can be found at <https://useiti.doi.gov/>. This session will also provide an opportunity for public comment on the First Annual USEITI Report.

Background: In September 2011, President Barack Obama announced the United States' commitment to participate in the Extractive Industries Transparency Initiative. Implementing EITI is a signature initiative of the U.S. National Action Plans for an Open Government Partnership. EITI offers a voluntary framework for companies and governments to publicly disclose in parallel the revenues paid and received for extraction of oil, gas, and minerals. The design of each framework is country-specific and is developed

through a multi-year, consensus-based process by a multi-stakeholder group comprised of government, industry, and civil society representatives. President Obama named Secretary of the Interior the U.S. Senior Official responsible for implementing USEITI. The U.S. achieved Candidate Country status on March 14, 2014. USEITI published its First Annual Report on December 16, 2015. For further information on EITI, please visit the USEITI Web page at <http://www.doi.gov/EITI>.

Office of the Assistant Secretary— Indian Affairs; School Facilities Construction List

AGENCY: Office of the Assistant Secretary—Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice announces that the Acting Assistant Secretary—Indian Affairs has selected 10 schools as the next set of schools eligible to receive funding to replace their school facilities.

FOR FURTHER INFORMATION CONTACT: Mr. Darrell LaRoche, Director, Office of Facilities, Property, and Safety Management, Office of the Assistant Secretary—Indian Affairs (703) 390–6314, darrell.laroche@bia.gov.

SUPPLEMENTARY INFORMATION: The No Child Left Behind (NCLB) School Facilities and Construction Negotiated Rule-Making Committee established the process and criteria for determining the priority in which the Department of the Interior would proceed with campus-wide school replacement. The criteria can be viewed at pages 37–41 of the Committee's Report, available here: <http://www.bia.gov/cs/groups/xraca/documents/document/idc1-025523.pdf>. In accordance with that process, the National Review Committee (NRC) (a committee of educators, facility and safety experts, representative from the Division of Facilities Management and Construction, and the Bureau of Indian Education) established that 78 Bureau of Indian Education funded schools were eligible to apply for replacement in this cycle. Of those 78 schools, 53 schools applied for consideration. The NRC reviewed the schools' applications using

criteria identified in the NCLB report, scored each application using objective criteria, ranked them according to their numerical score, and identified the 10 highest scoring projects. Those schools were invited to present at a public hearing to show the condition of their school campuses and to answer questions.

For Fiscal Year (FY) 2016, the National Review Committee identified the 10 schools listed below and invited those schools to present at a public meeting in February 2016, in Albuquerque, New Mexico. The Acting Assistant Secretary—Indian Affairs has determined that all 10 schools need to be replaced and, therefore, all 10 schools should be eligible for funding, as it becomes available through Congressional appropriations, in this cycle.

- Blackwater Community School
- Chichiltah/Jones Ranch Community School
- Crystal Boarding School
- Dzilth-Na-O-Dith-Hle Community School
- Greasewood Springs Community School
- Laguna Elementary School
- Lukachukai Community School
- Quileute Tribal School
- T'iis Nazbas Community School
- Tonalea (Red Lake) Day School

The selection of these 10 schools is based on criteria, such as the Facility Condition Index, and other measures outlined in the NCLB report. The Office of the Assistant Secretary—Indian Affairs will place these 10 in order of readiness based on when each school completes the planning process. Design and construction for these projects is contingent on the budget process.

Dated: August 21, 2016.

Lawrence S. Roberts,

Acting Assistant Secretary—Indian Affairs.
