SUPPLEMENTARY INFORMATION:

Competition Details

1. *Subject of Competition:* The SBA is seeking to identify the nation's most innovative and promising small business accelerators and incubators in order to infuse them with additional resource capital that ultimately stimulates the growth and development of startups from within the entrepreneurial communities they serve. For the purposes of this competition, Growth Accelerators include accelerators, incubators, co-working startup communities, shared tinker-spaces or other models to accomplish similar goals. Regardless of the specific model employed, Growth Accelerators focus on helping entrepreneurs and their startups speed the launch, growth and scale of their businesses. A broad set of models used to support start-ups will better serve the entire entrepreneurial ecosystem. Whether an accelerator is industry focused, technology focused, product centric, cohort based or more long term, all are valuable players in the nation's high-growth entrepreneurial ecosystem that ultimately creates jobs.

2. *Eligibility Rules for Participating in the Competition:* This Competition is open only to private entities, such as corporations or non-profit organizations that are incorporated in and maintain a primary place of business in the United States. Entities that have an outstanding, unresolved financial obligation to, or that are currently suspended or debarred by, the federal government are not eligible for this Competition. Federal, state, local and tribal agencies are also not eligible for this Competition. Additionally, participants in this Competition must utilize models

of operation that include most, if not all, of the following elements:

- Selective process to choose participating startups.
- Regular networking opportunities offered to startups.
- Introductions to customers, partners, suppliers, advisory boards and other players.
- High-growth and tech-driven startup mentorship and commercialization assistance.
- Shared working environments focused on building a strong startup community.
- Resource sharing and co-working arrangements for startups.
- Opportunities to pitch ideas and startups to investors along with other capital formation avenues to startups.
- Small amounts of angel money, seed capital or structured loans to startups.
- Service to underserved communities, such as women, veterans, and economically disadvantaged individuals.

3. *Registration Process for Participants:* Competition participants must submit their 2016 Growth Accelerator Fund applications online using the link designated for that purpose on challenge.gov, either by filtering search criteria to "Small Business Administration" or going to sba.gov/accelerators, where the link will be posted. In addition to the basic details collected in that short application form, contestants must also complete and submit via challenge.gov a deck, similar to one that would be used in a pitch competition, which must address all of the items identified below:

4. *Prizes for Winners:* In 2016, SBA is partnering with several U.S. agencies (NIH, NSF, DoED, USDA) to provide additional prizes to accelerators that assist entrepreneurs in submitting SBIR/STTR proposals. SBA is also partnering with the Inter-American Development Bank to provide prizes to accelerators that assist the African descendant start-up community in the Latin America and the Caribbean. Special consideration will be given to these accelerator models which support women-owned or minority-owned small businesses, with the highest-rated contestants that also represent the greatest degree of achieving national geographic distribution in both urban and rural areas. SBA's Office of Investment and Innovation (OII) will also be partnering with the Office of Native American Affairs (ONAA) and the Office of Veterans Business Development (OVBD) to award additional prizes to accelerators assisting the Native American and U.S. Veterans start-up community. Prizes will be paid in lump sum via the Automated Clearing House (ACH). Winners will be required to create an account in the System for Award Management (SAM) in order to receive an award.

5. *Selection of Winners:* Winners will be selected based upon how well they address the criteria identified in Items 2 and 3 of this Competition announcement. In addition, in order to achieve nationwide distribution of prizes for the purpose of stimulating the growth and development of startups across the entire United States, SBA may take into account applicants' geographic locations and areas of service when selecting winners, including support to geographic regions that traditionally have limited access to capital, the underserved, women, the maker community, and American

Indian, Alaska Native or Native Hawaiian populations.

10. *Liability and Insurance Requirements:* By registering and entering a submission, each contestant agrees to assume any and all risks and waive claims against the Federal Government and its related entities, except in the case of willful misconduct, for any injury, death, damage, or loss of property, revenue, or profits, whether direct, indirect, or consequential, arising from their participation in this

Challenge winners should be prepared to demonstrate proof of insurance or financial responsibility in the event SBA deems it necessary.
