Rural Utilities Service

Title: 7 CFR 1730, Review Rating Summary.

OMB Control Number: 0572-0025.

Summary of Collection: The Rural Utilities Service (RUS) manages loan programs in accordance with the Rural Electrification Act (RE Act) of 1936, 7 U.S.C. 901 *et seq.*, as amended. An important part of safeguarding loan security is to see that RUS financed facilities are being responsible used, adequately operated, and adequately maintained. Future needs have to be anticipated to ensure that facilities will continue to produce revenue and loans will be repaid as required by the RUS mortgage. Regular periodic operations and maintenance (O&M) review can identify and correct inadequate O&M practices before they cause extensive harm to the system. Inadequate O&M practices can result in public safety hazards, increased power outages for consumers, added expense for emergency maintenance, and premature aging of the borrower's systems, which could increase the loan security risk to RUS.

Need and Use of the Information: RUS will collect information using form 300 Review Rate Summary to identify items that may be in need of additional

attention; to plan corrective actions when needed; to budget funds and manpower for needed work; and to initiate ongoing programs as necessary to avoid or minimize the need for "catch-up" programs.

Description of Respondents: Not-for-profit institutions; Business or other for-profit.

Number of Respondents: 208.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 832.

Departmental Information Collection Clearance Officer.

LionsHead Specialty Tire & Wheel, LLC (LionsHead) submitted a notification of proposed production activity to the FTZ Board for its facility in Goshen, Indiana. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on May 3, 2016.

A separate application for usage-driven site designation at the LionsHead facility will be submitted and will be processed under Section 400.38 of the FTZ Board's regulations. The facility is used to produce wheel assemblies for specialty applications, including trailers and golf carts. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt LionsHead from customs duty payments on the foreign-status components used in export production. On its domestic sales, LionsHead would be able to choose the duty rates during customs entry procedures that apply to wheel assemblies for non-agricultural trailers, golf carts, farm feed tenders, grain wagons, all-terrain vehicles (ATVs), recreational vehicles (RVs), handling equipment, forklifts and other types of industrial lifting equipment

(duty rates—free to 3.1%) for the foreign-status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components sourced from abroad include: Radial and bias-ply tires for agricultural machinery, forklifts, ATVs, golf carts, lawn and garden equipment, and passenger cars; specialty tire (ST)-rated radial and bias-ply tires for trailers; steel and aluminum wheels for agricultural machinery, trailers, golf carts, ATVs, forklifts, and lawn and garden equipment; and, steel and aluminum wheel parts (duty rates range from free to 4%).

International Trade Administration

Drawn Stainless Steel Sinks From the People's Republic of China: Preliminary Results of the Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) is conducting an administrative review of the antidumping duty order on drawn stainless steel sinks (drawn sinks) from the People's Republic of China (PRC), for the period of review (POR), April 1, 2014, through March 31, 2015. We preliminarily find that respondent Guangdong Dongyuan Kitchenware

Industrial Co., Ltd. (Dongyuan) made sales of the subject merchandise in the United States at prices below normal value (NV). In addition, we preliminarily find that the other mandatory respondents, B&R Industries Limited (B&R Industries), Zhongshan Newecan Enterprise Development Corporation (Newecan), and Zhongshan Superte Kitchenware Co., Ltd./Superte invoiced as Foshan Zhaoshun Trade Co., Ltd. (Superte), are part of the PRC-wide entity and will receive the rate of that entity, which is not under review. We are also preliminarily granting separate rates to Feidong Import and Export Co., Ltd. (Feidong) and Ningbo Afa Kitchen and Bath Co., Ltd. (Ningbo Afa),¹ which demonstrated eligibility for separate rate status, but were not selected for individual examination. Additionally, we are preliminarily including nine companies² that failed to demonstrate their entitlement to a separate rate as part of the PRC-wide entity. Finally, we preliminarily find that Shenzhen Kehuaxing Industrial Ltd. (Kehuaxing) made no shipments of subject merchandise during the POR. If these preliminary results are adopted in the final results of this review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* May 12, 2016.

FOR FURTHER INFORMATION CONTACT: Brian C. Smith or Brandon Custard, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1766 and (202) 482-1823, respectively.

SUPPLEMENTARY INFORMATION:

¹ On March 21, 2016, the Department determined that Ningbo Afa is the successor-in-interest to Yuyao Afa Kitchenware Co., Ltd. (Yuyao Afa), and stated that Ningbo Afa will be assigned an updated cash deposit rate based on the final results of this administrative review. See *Notice of Final Results of Antidumping Duty Changed Circumstances Review: Drawn Stainless Steel Sinks from the People's Republic of China*, 81 FR 16138, 16139 (March 25, 2016).

² These nine companies are: (1) J&C Industries Enterprise Limited (J&C Industries); (2) Foshan Shunde MingHao Kitchen Utensils Co., Ltd. (MingHao); (3) Franke Asia Sourcing Ltd. (Franke); (4) Grand Hill Work Company (Grand Hill); (5) Hangzhou Heng's Industries Co., Ltd. (Heng's Industries); (6) Jiangmen Hongmao Trading Co., Ltd. (Hongmao); (7) Jiangxi Zoje Kitchen & Bath Industry Co., Ltd. (Zoje); (8) Ningbo Oulin Kitchen Utensils Co., Ltd. (Ningbo Oulin); (9) Shunde Foodstuffs Import & Export Company Limited of Guangdong (Shunde Foodstuffs).

Scope of the Order

The products covered by the order include drawn stainless steel sinks. Imports of subject merchandise are currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7324.10.0000 and 7324.10.0010. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.³

Tolling of Deadline of Preliminary Results of Review

As explained in the memorandum from the Acting Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll all administrative deadlines due to the recent closure of the Federal Government. All deadlines in this segment of the proceeding have been extended by four business days.⁴

Methodology

The Department is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). For the mandatory respondent Dongyuan, export prices were calculated in accordance with section 772 of the Act. Because the PRC is a non-market economy (NME) within the meaning of section 771(18) of the Act, NV was calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>; the Preliminary Decision Memorandum is also available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building.
