SUPPLEMENTARY INFORMATION: Notice of this meeting is given under Sec. 10(a) of the Federal Advisory Committee Act (FACA), Public Law 92-463 (5 U.S.C. appendix), which requires each FACA committee meeting to be open to the public.

The Council provides organizationally independent, strategic, timely, specific, actionable advice, and recommendations to the Secretary of the Department of Homeland Security (DHS) on matters related to homeland security. The Council is comprised of leaders of local law enforcement, first responders, Federal, State, and local government, the private sector, and academia.

The Council will meet in an open session between 1:50 p.m. and 4:25 p.m. EDT. The Council will receive reports and recommendations from the Cybersecurity Subcommittee and the Countering Violent Extremism Subcommittee.

The Council will meet in a closed session from 10:05 a.m. to 11:20 a.m. EDT, 1:00 p.m. to 1:40 p.m. EDT, and 4:30 p.m. to 5:15 p.m. EDT to receive sensitive operational counterterrorism information from senior DHS officials, information on current threats, and a southern border security update.

Basis for Partial Closure: In accordance with Sec. 10(d) of the Federal Advisory Committee Act (FACA), the Secretary of the Department of Homeland Security has determined this meeting requires partial closure. The disclosure of the information relayed would be detrimental to the public interest for the following reasons:

The Council will receive closed session briefings from senior DHS officials. These briefings will concern matters sensitive to homeland security within the meaning of 5 U.S.C. 552b(c)(7)(E) and 552b(c)(9)(B). The Council will receive operational

counterterrorism updates on the current threat environment and security measures associated with countering such threats, including those related to aviation security programs, and southwest border security updates. The session is closed under 5 U.S.C. 552b(c)(7)(E) because disclosure of that information could reveal investigative techniques and procedures not generally available to the public, allowing terrorists and those with interests against the United States to circumvent the law and thwart the Department’s strategic initiatives. In addition, the session is closed pursuant to 5 U.S.C. 552b(c)(9)(B) because disclosure of these techniques and procedures could frustrate the successful implementation of protective measures designed to keep our country safe.

Participation: Members of the public will have until 5 p.m. EDT on Monday, May 30, 2016, to register to attend the Council meeting on June 2, 2016. Due to limited availability of seating, admittance will be on a first-come first-serve basis. Participants interested in attending the meeting can contact Mike Miron at HSAC@hq.dhs.gov or (202) 447-3135. You are required to provide your full legal name, date of birth, and company/agency affiliation. The public may access the facility via public transportation or use the public parking garages located near the Wilson Center. Wilson Center directions can be found at: <http://wilsoncenter.org/directions>. Members of the public will meet at 1:15 p.m. EDT at the Wilson Center’s main entrance for sign in and escorting to the meeting room for the public session. Late arrivals after 1:45 p.m. EDT will not be permitted access to the facility.

Facility Access: You are required to present a valid original government-issued ID, to include a State Driver’s License or Non-Driver’s Identification Card, U.S. Government Common Access Card (CAC), Military Identification Card or Person Identification Verification Card; U.S. Passport, U.S. Border Crossing Card, Permanent Resident Card or Alien Registration Card; or Native American Tribal Document.

A. Overview of Information Collection

Title of Information Collection:
 Continuum of Care Homeless
 Assistance—Technical Submission.

OMB Approval Number: 2506-0183.

Type of Request: Extension of
 currently approved collection.

Form Number: HUD-40090-3a, HUD-
 40090-3b.

*Description of the need for the
 information and proposed use:* This
 submission is to request an extension of
 a currently approved collection
 associated with the Technical
 Submission phase of the Continuum of
 Care (CoC) Program Application. This
 submission is limited to the Technical
 Submission process under the CoC
 Program interim rule, as authorized by
 the HEARTH Act. Applicants who are
 successful in the CoC Program
 Competition are required to submit
 more detailed technical information
 before a grant agreement. The

information to be collected will be used
 to ensure that technical requirements
 are met prior to the execution of a grant
 agreement. The technical requirements
 relate to a more extensive description of
 the budgets for administration costs,
 timelines for project implementation,
 match documentation and other project
 specific documentation, and
 information to support the resolution of
 grant conditions. HUD will use this
 detailed information to determine if a
 project is financially feasible and
 whether all proposed activities are
 eligible. All information collected is
 used to carefully consider conditional
 applicants for funding. If HUD collects
 less information, or collected it less
 frequently, the Department could not
 make a final determination concerning
 the eligibility of applicants for grant
 funds and conditional applicants would
 not be eligible to sign grant agreements
 and receive funding. To see the
 regulations for the CoC Program and
 applicable supplementary documents,
 visit HUD's Homeless Resource
 Exchange page at *https://
 www.hudexchange.info/programs/coc/*.
 The statutory provisions and the
 implementing interim rule (also found
 at 24 CFR part 587) that govern the
 program require the information
 provided by the Technical Submission.
