**Foreign-Trade Zone 110—  
 Albuquerque, New Mexico; Application  
 for Reorganization Under Alternative  
 Site Framework**

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the City of Albuquerque, New Mexico, grantee of FTZ 110, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on May 10, 2016.

FTZ 110 was approved by the FTZ Board on October 30, 1984 (Board Order 279, 49 FR 44516, November 7, 1984) and expanded on March 29, 2002 (Board Order 1214, 67 FR 17048-17049, April 9, 2002).

The current zone includes the following site: *Site 1* (62 acres)—Albuquerque International Sunport Airport Complex, University and Spirit Drive, Albuquerque.

The grantee’s proposed service area under the ASF would include all of Bernalillo, Sandoval, Santa Fe, Tarrant, Socorro and Valencia Counties, New Mexico, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Albuquerque, New Mexico U.S. Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include the existing site as a “magnet” site. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. No subzones/usage-driven sites are being requested at this time. The application would have no impact on FTZ 110’s previously authorized subzones.

In accordance with the FTZ Board’s regulations, Christopher Kemp of the FTZ Staff is designated examiner to

evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is July 18, 2016. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 1, 2016.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the “Reading Room” section of the FTZ Board’s Web site, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).
