Copyright Royalty Board

[Docket No. 16-CRB-0013-DART-MWF (2012-2013)]

Distribution of the 2012-2013 Digital Audio Recording Technology Musical Works Royalty Funds

AGENCY: Copyright Royalty Board, Library of Congress.

ACTION: Notice soliciting comments on motion for partial distribution.

SUMMARY: The Copyright Royalty Judges solicit comments on a motion for partial distribution in connection with 2012 and 2013 DART Musical Works Fund royalties.

DATES: Comments are due on or before June 16, 2016.

ADDRESSES: This notice and request for comments is also posted on the agency's Web site (www.loc.gov/crb). Submit electronic comments to crb@loc.gov. See the Supplementary Information section below for instructions on submitting comments in other formats.

FOR FURTHER INFORMATION CONTACT:

Kimberly Whittle, attorney-advisor, by telephone at (202) 707-7658 or email at crb@loc.gov.

SUPPLEMENTARY INFORMATION: On April 3, 2016, Broadcast Music, Inc. (BMI), the American Society of Composers, Authors and Publishers (ASCAP), SESAC, Inc. (SESAC) (together the Performing Rights Organizations or PROs) and The Harry Fox Agency LLC (with the PROs, the Settling Claimants) filed with the Copyright Royalty Judges (Judges) a *Motion for Partial Distribution of the Musical Works Fund . . .* (Motion). In the Motion, the Settling Claimants asserted that they have reached a confidential settlement among themselves concerning the distribution shares of the 2012 and 2013 DART Musical Works Fund royalties.

The Settling Claimants contend that they are, or they represent, "the vast majority" of claimants entitled to the Musical Works Fund royalties at issue in this proceeding. As support for their request, the Settling Claimants assert that, since 1997, non-settling music writer or publisher claimants have established claims to and have received less than 0.1% of the Musical Works Fund, if any. The Settling Claimants request a partial distribution of 95% of the subject royalty funds pursuant to Section 801(b)(3)(C) of the Copyright Act (Act).

Under section 801(b)(3)(C) of the Act, before ruling on a partial distribution motion the Judges must publish a notice

in the **Federal Register** to ascertain whether any claimant entitled to receive a share of the subject royalty fees has a reasonable objection to the proposed distribution. Consequently, this Notice seeks comments from interested claimants on whether any reasonable objection exists that would preclude distribution of 95% of the 2012 and 2013 DART Musical Works Fund royalties to the Settling Claimants. Any party wishing to advise the judges of the existence and extent of an objection must do so, in writing, by the end of the comment period. The judges will not consider any objections with respect to the partial distribution motion that come to their attention after the close of that period.

How To Submit Comments

Interested claimants must submit comments to only *one* of the following addresses. Unless responding by email, claimants must submit an original, five paper copies, and an electronic version on a CD.

Email: crb@loc.gov; or

U.S. mail: Copyright Royalty Board, P.O. Box 70977, Washington, DC 20024-0977; or

BILLING CODE 1410-72-P

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-2016-031]

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA)

publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide agencies with mandatory instructions for what to do with records when agencies no longer need them for current Government business. The instructions authorize agencies to preserve records of continuing value in the National Archives of the United States and to destroy, after a specified period, records lacking administrative, legal, research, or other value. NARA publishes notice in the **Federal Register** for records schedules in which agencies propose to destroy records not previously authorized for disposal or to reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

DATES: NARA must receive requests for copies in writing by June 16, 2016. Once NARA appraises the records, we will send you a copy of the schedule you requested. We usually prepare appraisal memoranda that contain additional information concerning the records covered by a proposed schedule. You may also request these. If you do, we will also provide them once we have completed the appraisal. You have 30 days after we send you these requested documents in which to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting Records Appraisal and Agency Assistance (ACRA) using one of the following means:

Mail: NARA (ACRA); 8601 Adelphi Road; College Park, MD 20740-6001.

Email: request.schedule@nara.gov.

FAX: 301-837-3698.

You must cite the control number, which appears in parentheses after the name of the agency that submitted the schedule, and a mailing address. If you would like an appraisal report, please include that in your request.

FOR FURTHER INFORMATION CONTACT: Margaret Hawkins, Director, by mail at Records Appraisal and Agency Assistance (ACRA); National Archives and Records Administration; 8601 Adelphi Road, College Park, MD 20740-6001, by phone at 301-837-1799, or by email at request.schedule@nara.gov.

SUPPLEMENTARY INFORMATION: Each year, Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing retention

periods for records and submit these schedules for NARA's approval. These schedules provide for timely transfer into the National Archives of historically valuable records and authorize disposal of all other records after the agency no longer needs them to conduct its business. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

The schedules listed in this notice are media-neutral unless otherwise specified. An item in a schedule is media-neutral when an agency may apply the disposition instructions to records regardless of the medium in which it has created or maintains the records. Items included in schedules submitted to NARA on or after December 17, 2007, are media-neutral unless the item is specifically limited to a specific medium. (See 36 CFR 1225.12(e).)

Agencies may not destroy Federal records without the approval of the Archivist of the United States. The Archivist grants this approval only after thorough consideration of the records' administrative use by the agency of origin, the rights of the Government and of private people directly affected by the Government's activities, and whether or not the records have historical or other value.

In addition to identifying the Federal agencies and any subdivisions requesting disposition authority, lists the organizational unit(s) accumulating the records or lists that the schedule has agency-wide applicability (in the case of schedules that cover records that may be accumulated throughout an agency); provides the control number assigned to each schedule, the total number of schedule items, and the number of temporary items (the records proposed for destruction); and includes a brief description of the temporary records. The records schedule itself contains a full description of the records at the file unit level as well as their disposition. If NARA staff has prepared an appraisal memorandum for the schedule, it also includes information about the records. You may request additional information about the disposition process at the addresses above.
