

selected for funding. The grants will be fully funded at the beginning of the award, thus requiring that all commodity board funds and NIFA funds be available at the time of the award. Applications submitted under topics provided by commodity boards will be required to include a letter of support from the commodity board that proposed the topic.

Evaluation and Notification Process

NIFA will screen proposed research topics to ensure they were submitted by eligible commodity boards and consult with USDA's Agricultural Marketing Service (AMS) to determine that submissions and proposed financial contributions are consistent with commodity promotion laws and commodity boards' charters as applicable.

Commodity board topics will be reviewed by an internal panel based on evaluation criteria that were developed using stakeholder input from commodity boards and other stakeholders from government, industry, and academe. Each topic will be evaluated based on: Alignment with one or more of the statutory AFRI priority areas (six AFRI priority areas authorized in the Farm Bill and described in 7 CFR 3430.309); alignment with the President's budget proposal for NIFA, as identified in the Department of Agriculture's annual budget submission; and alignment with the priority areas in the AFRI RFAs to be released by NIFA during the fiscal year for which the commodity board is proposing a topic for funding (for example, within the AFRI Foundational Program RFA, the AFRI Animal Health and Production and Animal Product's "Animal Reproduction" priority area).

From those topics received by COB (5 p.m. Eastern Daylight Time) on July 18, 2016, NIFA will select the topic(s) that were evaluated favorably for inclusion in the appropriate FY 2017 AFRI RFA. NIFA will notify commodity boards whether their topics will be included by August 16, 2016. Based on the evaluation, NIFA reserves the right to negotiate with commodity boards should changes be required for topics and funding amounts to be accepted. Any changes to topics and funding amounts will be reviewed by USDA's AMS to determine if such changes are consistent with applicable commodity promotion laws.

NIFA will evaluate topics submitted after the July 18, 2016 deadline on an annual basis and notify commodity boards whether their topics will be included in subsequent RFAs within two weeks following the meeting of the

internal evaluation panel, the date of which will be published on NIFA's Commodity Boards Web page at (<http://nifa.usda.gov/commodity-boards/>).

Done at Washington, DC this 12th day of May, 2016.

Foreign-Trade Zones Board

[B-35-2016]

Foreign-Trade Zone 244—Riverside, California; Application for Reorganization; (Expansion of Service Area); Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the March Joint Powers Authority, grantee of Foreign-Trade Zone 244, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on May 12, 2016.

FTZ 244 was approved by the FTZ Board on August 21, 2000 (Board Order 1104, 65 FR 54196, September 7, 2000) and reorganized under the ASF on May 13, 2011 (Board Order 1761, 76 FR 29725, May 23, 2011). The zone currently has a service area that includes western Riverside County, California.

The applicant is now requesting authority to expand the service area of the zone to include the City of Lake Elsinore, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies' needs for FTZ designation. The application indicates that the proposed expanded service area is adjacent to the Los Angeles/Long Beach

U.S. Customs and Border Protection Port of Entry.

In accordance with the FTZ Board's regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is July 18, 2016. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 1, 2016.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.
