Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and

on the Department’s Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

TA-W No.	Subject firm	Location	Impact date
90,111	Coastal Closeouts, Inc., West Coast Rags	Vernon, CA.	
90,114	FutureMark Manistique	Manistique, MI.	
90,329	Blount, Inc., Blount International, Inc., Express Employment Professionals.	Portland, OR.	
91,182	Maverick Innovative Solutions, LLC	Ashland, OH.	
91,560	General Cable, General Cable Corporation, Staffmark	Malvern, AR.	

The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed

by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and

therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

TA-W No.	Subject firm	Location	Impact date
86,053	Medco/Express Scripts, Quality Assurance Technical Group, Princeton Information.	Franklin Lakes, NJ.

91,469	Hermitage Wood Products, Inc	Pompano Beach, FL.	
91,488	Montgomery Developmental Center, Department of Developmental Disabilities, State of Ohio.	Huber Heights, OH.	

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

TA-W No.	Subject firm	Location	Impact date
85,936	Total Safety US, United State Steel Corporation, Fairfield Works-Flat Roll Operations, etc.	Decatur, AL.

TA-W No.	Subject firm	Location	Impact date
91,547	General Electric Company, Transportation Division	Erie, PA.	

The following determinations terminating investigations were issued because the petitions are the subject of ongoing investigations under petitions filed earlier covering the same petitioners.

91,490	Sprint	Blountville, TN.
