AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Section 255 of the National Housing Act of 1934 authorizes the Federal Housing Administration (FHA) reverse mortgage program for the elderly, the Home Equity Conversion Mortgage (HECM) program (12 U.S.C. 1715Z–20). The Housing and Community Development Act of 1987 (42 U.S.C. 3543) specifically provides authority to collect Social Security numbers.

PURPOSE:

HERMIT integrates the endorsement; insurance servicing; claims payment; notes servicing, accounting, and reporting requirements of FHA's HECM insurance program. The HECM program promotes continued homeownership for the elderly by allowing elderly borrowers to access the equity in their homes while continuing to live in the property. HERMIT allows the Secretary to maintain the "public trust" over the HECM program by seamlessly, accurately, and timely managing the HECM program in an automated environment. HERMIT allows HECM program personnel to collect and maintain the data necessary to support activities related to the endorsement of loans and collection of IMIP and MMIP. The claims process includes the filing of claims for insurance benefits and disbursement of funds to lenders of loans insured under the HECM program. Servicing activities include maintaining the data necessary to support performance requirements of servicing for FHA-insured and Secretary-held first and second mortgages. The major activities include acceptance of assignment and title review, servicing requests for HECM endorsed cases from mortgagees (due and payable, short sale, preservation and protection costs, subordination extension requests, and partial releases), accounting functions, collections according to the Fair Debt Collection Practices Act, disbursement of payment, annual recertification, foreclosure activities, bankruptcy activities, and compliance monitoring. HERMIT provides HECM mortgagees with the ability to interact with HUD's National Servicing Center (NSC) to improve HECM loan servicing and to provide an automated claims filing process.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. Section 552a(b) of the Privacy Act, all or

a portion of the records or information contained in this system may be disclosed outside HUD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

(c) The disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with HUD's efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm for purposes of facilitating responses and remediation efforts in the event of a data breach.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is

encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.
