

cause to promulgate this rule without first providing for public comment.

Similarly, BOEM finds that there is good cause to waive the usual 30-day delay in the effective date for this correction. This correction will not require any party to adjust its conduct and will not change the effect of the already published final rule. For these reasons, BOEM believes that the public does not need 30 days advance notice of this correction and that a delay in effectiveness is unnecessary. If this correction is not made effective on the same date, it would not become effective until after the erroneous language in the already published rule becomes effective, May 31, 2016. This could cause confusion to anyone potentially affected by § 556.403, making a 30-day delay in effectiveness impracticable. Therefore, pursuant to 5 U.S.C. 553(d), BOEM has determined that a 30-day delay in the effective date is unnecessary and impractical, and there is good cause to waive the delayed effective date for this final rule.

Dated: May 16, 2016.

Amanda C. Leiter,

Acting Assistant Secretary—Land and Minerals Management.

For the reasons stated in the preamble, BOEM amends 30 CFR part 556 (as amended by the final rule published on March 30, 2016, at 81 FR 18111) as follows:

PART 556—LEASING OF SULFUR OR OIL AND GAS AND BONDING REQUIREMENTS IN THE OUTER CONTINENTAL SHELF

■ 1. The authority citation for part 556 continues to read as follows:

Authority: 30 U.S.C. 1701 note, 30 U.S.C. 1711, 31 U.S.C. 9701, 42 U.S.C. 6213, 43 U.S.C. 1331 note, 43 U.S.C. 1334, 43 U.S.C. 1801–1802.

■ 2. Revise § 556.403 to read as follows:

§ 556.403 Under what circumstances may I be disqualified from acquiring a lease or an interest in a lease on the OCS?

You may be disqualified from acquiring a lease or an interest in a lease on the OCS if:

(a) You or your principals are excluded or disqualified from participating in a transaction covered by Federal non-procurement debarment and suspension (2 CFR parts 180 and 1400), unless the Department explicitly approves an exception for a transaction pursuant to the regulations in those parts;

(b) The Secretary finds, after notice and hearing, that you or your principals (including in the meaning of “you,” for

purposes of this subparagraph, a bidder or prospective bidder) fail to meet due diligence requirements or to exercise due diligence under section 8(d) of OCSLA (43 U.S.C. 1337(d)) on any OCS lease; or

(c) BOEM disqualifies you from acquiring a lease or an interest in a lease on the OCS based on your unacceptable operating performance. BOEM will give you adequate notice and opportunity for a hearing before imposing a disqualification, unless BSEE has already provided such notice and opportunity for a hearing.
