

DEPARTMENT OF EDUCATION**Applications for New Awards;
American History and Civics
Academies Program**

AGENCY: Office of Innovation and Improvement, Department of Education.

ACTION: Notice.

Overview Information

American History and Civics Academies Program.

Notice inviting applications for new awards for fiscal year (FY) 2016.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.422A.

DATES:

Applications Available: May 31, 2016.

Deadline for Notice of Intent to Apply: June 30, 2016.

Deadline for Transmittal of Applications: July 15, 2016.

Date of Pre-Application Webinar: June 9, 2016.

Deadline for Intergovernmental Review: September 13, 2016.

Full Text of Announcement**I. Funding Opportunity Description**

Purpose of Program: The American History and Civics Academies Program (Academies Program) supports the establishment of: (1) Presidential Academies for the Teaching of American History and Civics that offer workshops for both veteran and new teachers to strengthen their knowledge of American history and civics (Presidential Academies); and (2) Congressional Academies for Students of American History and Civics that provide high school students with opportunities to develop a broader and deeper understanding of these subjects (Congressional Academies).

Background

On December 10, 2015, the President signed into law the Every Student Succeeds Act (ESSA), Public Law 114–95, which reauthorized the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001 (NCLB). Among other things, the ESSA amends part B of title II of the ESEA to include a reauthorized Academies program, which was previously authorized under the American History and Civics Education Act of 2004. Under section 5(c) of the ESSA, however, the amendments made by the ESSA to the ESEA with respect to competitive grant programs (including the Academies program) take effect beginning with FY 2017 appropriations. Accordingly, the Department will use the FY 2016 funds

available for this competition to make Academies grants in accordance with the requirements of the American History and Civics Education Act of 2004, and not those of the ESEA, as amended by the ESSA. In addition, we intend to use FY 2016 funds to support the entire project period of awards made under this competition and expect that, consistent with section 5(c) of the ESSA, any funding provided by Congress in FY 2017 and future years for the Academies program would be for the new program as authorized by the ESEA, as amended by the ESSA.

Students who have an understanding of and engagement with American history and civics are more likely to be civically engaged and active participants in their community.¹ Moreover, students' understanding of American history and civics will likely be enhanced if their learning experiences are interesting, engaging, and relevant to students' perspectives and communities. It is therefore important to ensure that teachers have a thorough understanding of American history and civics and are well-equipped to implement effective teaching strategies that help their students master the necessary content knowledge and skills. Students who are engaged in learning in these content areas will be better equipped to be active members of their community and the world at large, and to participate fully in all forms of civic engagement.²

Recent studies indicate a critical need to improve teaching and learning in American history and civics. For example, only 18 percent of eighth-graders performed at or above the proficient level on the National Assessment of Educational Progress (NAEP) assessment in U.S. history, and only 23 percent performed at or above the proficient level on the NAEP assessment in civics.³

The Academies Program supports projects to raise student achievement in American history and civics by improving teachers' and students' knowledge, understanding, and

engagement with these subjects through intensive workshops with scholars, master teachers, and curriculum experts. Project activities should reflect the best available research and practice in teaching and learning. Presidential Academies will strive to enable teachers to develop further expertise in the content areas of American history and civics, teaching strategies, use of technologies, and other essential elements of teaching to rigorous college- and career-ready standards. Congressional Academies are intended to broaden and deepen students' interest in and understanding of American history and civics through the use of content-rich, engaging learning resources and strategies.

Offering a wide array of perspectives in teaching and learning American history and civics is essential to acknowledging students' rich and diverse perspectives and experiences, and to stimulating their long-term interest in these subjects. Accordingly, projects funded under this grant program might consider incorporating diverse historical perspectives and relying on an array of resources (e.g., historical documents, oral histories, and artifacts) that convey the full range of American experiences.

Through a competitive preference priority, we encourage applicants to consider projects that will focus on serving high-need students and students from underserved populations to help ensure that these students have access to high-quality, interactive instruction that will help them become college- and career-ready and be better prepared to participate fully in civic activities. In addition, applicants may want to consider projects that are designed to recruit teachers and students from the same schools and school districts in order to promote a seamless delivery of training and instruction into a target district and maximize project benefits.

Grantees will be expected to measure the impact of their projects on teacher development and student learning. Early findings from grantee evaluations are expected to help guide the grantee's subsequent teacher professional development and student learning efforts over the three-year project period.

Priorities: This notice contains two absolute priorities and one competitive preference priority. Both absolute priorities are from the American History and Civics Education Act of 2004, Public Law 108–474. The competitive priority is from the Secretary's final supplemental priorities and definitions for discretionary grant programs, published in the **Federal Register** on

¹ American Academy of Arts and Sciences, *The Heart of the Matter: The Humanities and Social Sciences for a Vibrant, Competitive, and Secure Nation* (2013) via www.humanitiescommission.org/pdf/hss_report.pdf.

² Campaign for the Civic Mission of Schools, "Guardian of Democracy: The Civic Mission of Schools," (2011), via <http://civicmission.s3.amazonaws.com/118/f0/5/171/1/Guardian-of-Democracy-report.pdf>.

³ U.S. Department of Education, Institute of Education Sciences, National Center for Education Statistics, National Assessment of Educational Progress (NAEP), *The Nation's Report Card: 2014 U.S. History, Geography, and Civics at Grade 8* (NCES 2015112) via www.nationsreportcard.gov/hgc_2014/

December 10, 2014 at 79 FR 73425 (Supplemental Priorities).

Absolute Priorities: For FY 2016 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are absolute priorities. Under 34 CFR 75.105(c)(3), we consider only applications that meet both of the following priorities:

Absolute Priority 1—Presidential Academies for the Teaching of American History and Civics

Under this priority, an applicant must propose to establish a Presidential Academy for Teaching of American History and Civics that may offer workshops for both veteran and new teachers of American history and civics.

Absolute Priority 2—Congressional Academies for Students of American History and Civics

Under this priority, an applicant must propose to establish a Congressional Academy for Students of American History and Civics.

Competitive Preference Priority: For FY 2016 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(ii) we award up to an additional 10 points to an application depending on how well the application meets this priority. If an applicant wishes to be considered for these competitive preference points, it must clearly identify where in the project narrative section of its application it addresses this priority.

This priority is:

Competitive Preference Priority—Supporting High-Need Students (Up to 10 Points)

Projects that are designed to improve academic outcomes for high-need students (as defined in this notice).

Definitions

The following definitions are from the Supplemental Priorities and apply to this competition:

High-minority school means a school as that term is defined by a local educational agency (LEA), which must define the term in a manner consistent with its State's Teacher Equity Plan, as required by section 1111(b)(8)(C) of the Elementary and Secondary Education Act of 1965, as amended (ESEA). The applicant must provide the definition(s) of "high-minority schools" used in its application.

High-need students means students who are at risk of educational failure or

otherwise in need of special assistance and support, such as students who are living in poverty, who attend high-minority schools, who are far below grade level, who have left school before receiving a regular high school diploma, who are at risk of not graduating with a diploma on time, who are homeless, who are in foster care, who have been incarcerated, who have disabilities, or who are English learners.

Regular high school diploma means the standard high school diploma that is awarded to students in the State and that is fully aligned with the State's academic content standards or a higher diploma and does not include a General Education Development (GED) credential, certificate of attendance, or any alternative award.

Authority: American History and Civics Education Act of 2004, Pub. Law 108-474.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 82, 84, 86, 97, 98, and 99. (b) The Office of Management and Budget (OMB) Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grants.
Estimated Available Funds: \$1,785,000.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2017 from the list of unfunded applicants from this competition.

Estimated Average Size of Awards: \$600,000 per year.

Estimated Number of Awards: 1.

Note: The Department is not bound by any estimates in this notice.

Project Period: 36 months. The Department intends to fund the entire project period of a grant with FY 2016 funds.

III. Eligibility Information

1. **Eligible Applicants:** Eligible applicants include:

- Local educational agencies;
- Institutions of higher education;

- Other public and private agencies, organizations, and institutions, including cultural institutions and museums.

To be eligible to receive an award, an applicant must include in its application evidence of its expertise in historical methodology or the teaching of history.

Note: If more than one eligible entity wishes to form a consortium and jointly submit a single application, they must follow the procedures for group applications described in 34 CFR 75.127 through 34 CFR 75.129.

2. **Cost Sharing or Matching:** This program does not require cost sharing or matching.

IV. Application and Submission Information

1. **Address to Request Application Package:** Christine Miller, U.S. Department of Education, 400 Maryland Avenue SW., Room 4W205, Washington, DC 20202-5970. Telephone: (202) 453-6740 or by email: Christine.Miller@ed.gov.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1-800-877-8339.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting the program contact person listed in this section.

2. **Content and Form of Application Submission:** Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Notice of Intent to Apply: June 30, 2016.

The Department will be able to develop a more efficient process for reviewing grant applications if it has a better understanding of the number of entities that intend to apply for funding under this competition. Therefore, the Secretary strongly encourages each potential applicant to notify the Department by sending a short email message indicating the applicant's intent to submit an application for funding. The email need not include information regarding the content of the proposed application, only the applicant's intent to submit it. The Department requests that this email notification be sent to the Academies Program inbox at: Academies@ed.gov. Applicants that fail to provide this email notification may still apply for funding.

Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. We recommend that you limit the application narrative to no more than 50 pages, using the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions. However, you may single space all text in charts, tables, figures, and graphs.

- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).

- *Use one of the following fonts:* Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will not be accepted.

The recommended page limit does not apply to Part I, the cover sheet; Part II, the budget section, including the narrative budget justification; Part IV, the assurances and certifications; or the one-page abstract, the resumes, the bibliography, or the letters of support. However, the recommended page limit does apply to all of the application narrative.

b. Submission of Proprietary Information: Given the types of projects that may be proposed in applications for the Academies Program, your application may include business information that you consider proprietary. In 34 CFR 5.11 we define “business information” and describe the process we use in determining whether any of that information is proprietary and, thus, protected from disclosure under Exemption 4 of the Freedom of Information Act (5 U.S.C 552, as amended).

Because we plan to post the project narrative section of funded Academies Program applications on our Web site, you may wish to request confidentiality of business information.

Consistent with Executive Order 12600, please designate in your application any information that you believe is exempt from disclosure under Exemption 4. In the appropriate Appendix section of your application, under “Other Attachments Form,” please list the page number or numbers on which we can find this information. For additional information please see 34 CFR 5.11(c).

3. Submission Dates and Times:

Applications Available: May 31, 2016.

Deadline for Notice of Intent to Apply: June 30, 2016.

Date of Pre-Application Webinar: June 9, 2016.

Deadline for Transmittal of Applications: July 15, 2016.

Applications for grants under this program must be submitted electronically using the *Grants.gov* Apply site (*Grants.gov*). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to *Other Submission Requirements* in section IV of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: September 13, 2016.

4. *Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. *Funding Restrictions:* We specify unallowable costs in 2 CFR 200, subpart E. We reference regulations outlining funding restrictions in the Applicable Regulations section of this notice.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management:* To do business with the Department of Education, you must—

- Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

- Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry), the Government’s primary registrant database;

- Provide your DUNS number and TIN on your application; and

- Maintain an active SAM registration with current information while your application is under review

by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following Web site: <http://fedgov.dnb.com/webform>. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

Note: Once your SAM registration is active, it may be 24 to 48 hours before you can access the information in, and submit an application through, *Grants.gov*.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a *SAM.gov* Tip Sheet, which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>.

In addition, if you are submitting your application via *Grants.gov*, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with *Grants.gov* as an AOR. Details on these steps are outlined at the following *Grants.gov* Web page: www.grants.gov/web/grants/register.html.

7. Other Submission Requirements:

Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications

Applications for grants under the Academies Program, CFDA 84.422, must be submitted electronically using the Government wide *Grants.gov* Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Academies Program at www.Grants.gov. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.422, not 84.422A).

Please note the following:

- When you enter the *Grants.gov* site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by *Grants.gov* are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the *Grants.gov* system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the *Grants.gov* system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from *Grants.gov*, we will notify you if we are rejecting your application because it was date and time stamped by the *Grants.gov* system after 4:30:00 p.m., Washington, DC time, on the application deadline date.
- The amount of time it can take to upload an application will vary depending on a variety of factors,

including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through *Grants.gov*.

- You should review and follow the Education Submission Procedures for submitting an application through *Grants.gov* that are included in the application package for this program to ensure that you submit your application in a timely manner to the *Grants.gov* system. You can also find the Education Submission Procedures pertaining to *Grants.gov* under News and Events on the Department's G5 system home page at www.G5.gov. In addition, for specific guidance and procedures for submitting an application through *Grants.gov*, please refer to the *Grants.gov* Web site at: www.grants.gov/web/grants/applicants/apply-for-grants.html.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a read-only, non-modifiable Portable Document Format (PDF). Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF (e.g., Word, Excel, WordPerfect, etc.) or submit a password-protected file, we will not review that material. Please note that this could result in your application not being considered for funding because the material in question—for example, the project narrative—is critical to a meaningful review of your proposal. For that reason, it is important to allow yourself adequate time to upload all material as PDF files. The Department will not convert material from other formats to PDF.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from *Grants.gov* an automatic notification of receipt that contains a *Grants.gov* tracking number. This notification

indicates receipt by *Grants.gov* only, not receipt by the Department. *Grants.gov* will also notify you automatically by email if your application met all the *Grants.gov* validation requirements or if there were any errors (such as submission of your application by someone other than a registered Authorized Organization Representative, or inclusion of an attachment with a file name that contains special characters). You will be given an opportunity to correct any errors and resubmit, but you must still meet the deadline for submission of applications.

Once your application is successfully validated by *Grants.gov*, the Department will retrieve your application from *Grants.gov* and send you an email with a unique PR/Award number for your application.

These emails do not mean that your application is without any disqualifying errors. While your application may have been successfully validated by *Grants.gov*, it must also meet the Department's application requirements as specified in this notice and in the application instructions. Disqualifying errors could include, for instance, failure to upload attachments in a read-only, non-modifiable PDF; failure to submit a required part of the application; or failure to meet applicant eligibility requirements. It is your responsibility to ensure that your submitted application has met all of the Department's requirements.

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through *Grants.gov*, please contact the *Grants.gov* Support Desk, toll free, at 1-800-518-4726. You must obtain a *Grants.gov* Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the *Grants.gov* system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in

section VII of this notice and provide an explanation of the technical problem you experienced with *Grants.gov*, along with the *Grants.gov* Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the *Grants.gov* system and that the problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. We will contact you after we determine whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the *Grants.gov* system. We will not grant you an extension if you failed to fully register to submit your application to *Grants.gov* before the application deadline date and time or if the technical problem you experienced is unrelated to the *Grants.gov* system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the *Grants.gov* system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the *Grants.gov* system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Christine Miller, U.S. Department of Education, 400 Maryland Avenue SW., Room 4W205, Washington, DC 20202–5960. FAX: (202) 205–5630.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail

If you qualify for an exception to the electronic submission requirement, you

may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.422A), LBJ Basement Level 1, 400 Maryland Avenue SW., Washington, DC 20202–4260.

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

We will not consider applications postmarked after the application deadline date.

c. Submission of Paper Applications by Hand Delivery

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.422A), 550 12th Street SW., Room 7039, Potomac Center Plaza Washington, DC 20202–4260.

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department—

- (1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and
- (2) The Application Control Center will mail to you a notification of receipt of your

grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245–6288.

V. Application Review Information

1. **Selection Criteria:** The selection criteria for this program are from 34 CFR 75.210. An applicant may earn up to a total of 100 points based on the selection criteria. The maximum score for addressing each criterion is indicated in parentheses. Each criterion also includes the factors that the reviewers will consider in determining how well an application addresses the criterion.

Selection Criteria

A. Quality of the Project Design (up to 35 points). In determining the quality of the design of the proposed project, the Secretary considers the following factors—

- (i) The extent to which the proposed project represents an exceptional approach to the priority or priorities established for the competition.
- (ii) The extent to which the services to be provided by the proposed project involve the collaboration of appropriate partners for maximizing the effectiveness of project services.
- (iii) The extent to which the design of the proposed project reflects up-to-date knowledge from research and effective practice.

B. Significance (20 points). In determining the significance of the proposed project, the Secretary considers the following factors:

- (i) The extent to which the proposed project is likely to build local capacity to provide, improve, or expand services that address the needs of the target population.
- (ii) The importance or magnitude of the results or outcomes likely to be attained by the proposed project, especially improvements in teaching and student achievement.

C. Quality of the Management Plan (30 points). In determining the quality of the management plan for the proposed project, the Secretary considers the following factors:

- (i) The adequacy of the management plan to achieve the objectives of the proposed project on time and within budget, including clearly defined responsibilities, timelines, and milestones for accomplishing project tasks.

(ii) The adequacy of mechanisms for ensuring high-quality products and services from the proposed project.

D. Quality of the Project Evaluation (15 points). In determining the quality of

project evaluation, the Secretary considers the following factors:

(i) The extent to which the methods of evaluation include the use of objective performance measures that are clearly related to the intended outcomes of the project and will produce quantitative and qualitative data to the extent possible.

(ii) The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress toward achieving intended outcomes.

2. *Review and Selection Process:* We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Risk Assessment and Special Conditions:* Consistent with 2 CFR 200.205, before awarding grants under this competition the Department conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose special conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify

administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

4. Performance Measures

The Department has established the following Government Performance and Results Act of 1993 (GPRA) performance objective for the Academies Program:

Participants will demonstrate through pre- and post-assessments an increased understanding of American history and civics that can be directly linked to their participation in the Presidential Academy or Congressional Academy.

We will track performance on this objective through the following indicators:

Presidential Academies: The average percentage gain on an assessment after participation in the Presidential Academy.

Congressional Academies: The average percentage gain on an assessment after participation in the Congressional Academy.

We advise an applicant for a grant under this program to give careful consideration to these indicators in

conceptualizing the approach and evaluation of its proposed project. Each grantee will be required to provide, in its annual and final performance reports, data about its performance with respect to the performance objective and these indicators.

VII. Agency Contact

FOR FURTHER INFORMATION CONTACT:

Christine Miller, U.S. Department of Education, 400 Maryland Avenue SW., Room 4W205, Washington, DC 20202-5960, telephone (202) 453-6740. Or by email: Academies@ed.gov.

If you use a TDD or a TTY, call the FRS, toll-free, at 1-800-877-8339.

VIII. Other Information

Accessible Format: Individuals with disabilities can obtain this document and a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) on request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice.

Electronic Access to This Document: The official version of this document is the document published in the **Federal Register**. Free Internet access to the official edition of the **Federal Register** and the Code of Federal Regulations is available via the Federal Digital System at: www.gpo.gov/fdsys. At this site you can view this document, as well as all other documents of this Department published in the **Federal Register**, in text or PDF. To use PDF you must have Adobe Acrobat Reader, which is available free at the site.

You may also access documents of the Department published in the **Federal Register** by using the article search feature at: www.federalregister.gov. Specifically, through the advanced search feature at this site, you can limit your search to documents published by the Department.

Dated: May 25, 2016.

Nadya Chinoy Dabby,

Assistant Deputy Secretary for Innovation and Improvement.
