#### **SUPPLEMENTARY INFORMATION:**

##### **I. Background**

In the **Federal Register** of April 4, 2016 (81 FR 19194), FDA published a notice with a 60-day comment period to request comments on the draft guidance for industry entitled “Labeling for Biosimilar Products.” FDA is extending the comment period for an additional 60 days, until August 2, 2016. The Agency believes that a 60-day extension will allow adequate time for interested persons to submit comments without compromising timely publication of the final guidance.
