DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

Newmarket Creek CAP Section 205, City of Hampton, VA, NEPA Scoping Meeting and Public Comment Period

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: NEPA Scoping meeting and public comment period.

SUMMARY: Pursuant to the requirements of section 102(2)(C) of the National Environmental Policy Act (NEPA) of 1969, as amended, 42 U.S.C. 4321-4370, as implemented by the Council on Environmental Quality Regulations (40 CFR parts 1500-1508), the U.S. Army Corps of Engineers (USACE) plans to prepare a Feasibility Study with an integrated Environmental Assessment (EA) to evaluate environmental impacts from reasonable project alternatives and to determine the potential for significant

impacts related to an evaluation of structural and non-structural measures that could be implemented as a part of a Federal project, under the Section 205 Continuing Authorities Program (CAP), to reduce the flood risk in the portion of the Newmarket Creek watershed within the City boundaries. The Newmarket Creek watershed is subject to flooding from both rainfall and tidal events, and there is a history of flood damage within the watershed. If the USACE determines that there is a potential for a significant environmental impact, the USACE will issue a Notice of Intent to prepare an Environmental

Impact Statement in the **Federal Register**.

DATES: Scoping comments may be submitted until July 14, 2016.

ADDRESSES: The public is invited to submit NEPA scoping comments at the meeting and/or submit comments to Mr. David Schulte, Department of the Army, U.S. Army Corps of Engineers, Norfolk District, Fort Norfolk, 803 Front St., Norfolk, VA 23510 or via email: David.M.Schulte@usace.army.mil. The project title and the commenter's contact information should be included with submitted comments.

FOR FURTHER INFORMATION CONTACT: David Schulte, (757) 201-7007.

SUPPLEMENTARY INFORMATION: The Newmarket Creek watershed is subject to flooding from both rainfall and tidal events, and there is a history of flood damage within the watershed. USACE is investigating measures to reduce future flood risk in ways that support the long-term resilience and sustainability of the surrounding communities, and reduce the economic costs and risks associated with flood and tidal events.

USACE is the lead federal agency and the city of Hampton will be the non-federal sponsor for the study. The city of Hampton has experienced an accelerating increase in nuisance flooding due to storms and tidal events of varying magnitude, with large storms (nor'easters and hurricanes) often causing major flooding in many areas of the City. The feasibility study will address potential structural and non-structural alternatives to mitigate impacts from flooding and determining the Federal interest in cost-sharing for those alternatives.

As required by Council on Environmental Quality's Principles, Requirements and Guidelines for Water and Land Related Resources Implementation Studies all reasonable alternatives to the proposed Federal action that meet the purpose and need will be considered in the EA. These alternatives will include no action and a range of reasonable alternatives for reducing flood risk within the Newmarket Creek and its watershed within the city of Hampton.

Scoping/Public Involvement. The public NEPA scoping meeting will be held on July 14, 2016, from 5 p.m.–8 p.m. It will be held at the West Hampton Community Center, 1638 Briarfield Rd., Hampton, VA 23661. Federal, state, and local agencies, Indian tribes, and the public are invited to provide scoping comments to identify

issues and potentially significant effects to be considered in the analysis.

Brenda S. Bowen,

Army Federal Register Liaison Officer.

BILLING CODE 3720-58-P

DEPARTMENT OF EDUCATION

Applications for New Awards; Undergraduate International Studies and Foreign Language Program

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice.

Overview Information:

Undergraduate International Studies and Foreign Language (UISFL) Program.

Notice inviting applications for new awards for fiscal year (FY) 2016.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.016A.

Dates:

Applications Available: June 13, 2016.

Deadline for Transmittal of Applications: July 22, 2016.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The UISFL Program provides grants for planning, developing, and carrying out programs to strengthen and improve undergraduate instruction in international studies and foreign languages in the United States.

Priorities: This notice contains two competitive preference priorities and two invitational priorities. Competitive Preference Priority 1 is from the notice of final priority, published in the **Federal Register** on June 11, 2014 (79 FR 33432). Competitive Preference Priority 2 is from 34 CFR 658.35(a).

Competitive Preference Priorities: For FY 2016, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award an additional two or three points depending on whether and how an application meets Competitive Preference Priority 1, and we award up to an additional two points to an application that meets Competitive Preference Priority 2.

These priorities are:

Competitive Preference Priority 1. (2 or 3 points)

Applications from Minority-Serving Institutions (MSIs) (as defined in this notice) or community colleges (as defined in this notice), whether as individual applicants or as part of a consortium of institutions of higher education (IHEs) (consortium) or a

partnership between nonprofit educational organizations and IHEs (partnership).

An application from a consortium or partnership that has an MSI or community college as the lead applicant will receive more points under this priority than applications in which the MSI or community college is a member of a consortium or partnership but not the lead applicant.

A consortium or partnership must undertake activities designed to incorporate foreign languages into the curriculum of the MSI or community college and to improve foreign language and international or area studies instruction on the MSI or community college campus.

For the purpose of this priority:

Community college means an institution that meets the definition in section 312(f) of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1058(f)); or an institution of higher education (as defined in section 101 of the HEA) that awards degrees and certificates, more than 50 percent of which are not bachelor's degrees (or an equivalent) or master's, professional, or other advanced degrees.

Minority-Serving Institution means an institution that is eligible to receive assistance under sections 316 through 320 of part A of title III, under part B of title III, or under title V of the HEA.

Note: We will award either two or three points to an application that meets this priority. If an MSI or community college is a single applicant, or the lead applicant in a consortium or partnership, the application will receive three additional points. If an MSI or community college is a member of a consortium or partnership, but not the lead applicant, the application will receive two additional points. No application will receive more than three additional points for this priority.

Note: You may view lists of title III- and title V-eligible institutions at the following link: <https://www2.ed.gov/about/offices/list/ope/dues/t3t5-eligibles-2015.pdf>. The eligibility status is still current for institutions listed at the link above. You may also view the list of Historically Black Colleges and Universities at 34 CFR 608.2.

Competitive Preference Priority 2. (2 points)

Applications from an institution of higher education (IHE), a consortium of institutions of higher education (consortium), or a partnership between nonprofit educational organizations and IHEs (partnership) that require entering students to have successfully completed at least two years of secondary school foreign language instruction or that require each graduating student to earn two years of postsecondary credit in a
