FOR FURTHER INFORMATION CONTACT: Contact Michel Smyth by telephone at 202–693–4129 (this is not a toll-free number) or by email at DOL_PRA_PUBLIC@dol.gov.

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks PRA authority to reinstate, with revisions, the Young Parents Demonstration Project (YPDP) Evaluation information collection. Information collected under this proposed ICR would be used to evaluate the YPDP, a grant program designed to provide educational and occupational skills training that fosters family economic self-sufficiency to young parents (both mothers and fathers) and expectant parents ages 16–24, including, as applicable, those in high-risk categories such as victims of child abuse, children of incarcerated parents, court-involved youth, youth at risk of court involvement, homeless and runaway youth, Native American youth, migrant youth, youth in or aging out of foster care, and youth with disabilities. YPDP grantees are required to develop a mentoring model, which includes an intensive professional staff mentoring specifically for education, employment, and training and specifically for pregnant and parenting teens and young parents. Grantees are to implement this intervention as an additional level of services in addition to existing services currently provided intended to increase an individual’s education, job training, and employment. Major information collections consist of a participant tracking system, field-based implementation site visits, and follow-up surveys with program participants.

The ETA temporarily discontinued this information collection in May 2015, the original expiration date, in order to ensure the agency met all PRA requirements before continuing data collection. This reinstatement would change the collection in two ways. First, the evaluation will no longer conduct the 36-month follow-up survey. Second, the evaluation team found it to be important to conduct a second set of visits to the sites to ensure they track any changes to implementation since 12 months after random assignment and to clarify any information as needed. Workforce Investment Act sections 171(b) and 172, as well as Workforce Innovation and Opportunity Act section 169 authorize this information collection. See 29 U.S.C. 2916(b), 2917, 3224.

This proposed information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition,
