[Docket Number USCG–2016–0010]

RIN 1625–AA08

Special Local Regulation; Bucksport/Southeastern Drag Boat Summer Extravaganza, Atlantic Intracoastal Waterway; Bucksport, SC

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a special local regulation on the Atlantic Intracoastal Waterway in Bucksport, South Carolina during the Bucksport/Southeastern Drag Boat Summer Extravaganza, on July 9, 2016 and July 10, 2016. This special local regulation is necessary to ensure the safety of participants, spectators, and the general public during the event. This regulation prohibits persons and vessels from being in the regulated area unless authorized by the Captain of the Port Charleston or a designated representative.

DATES: This rule is effective from July 9, 2016 through July 10, 2016.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG–2016–0010 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

II. Background Information and Regulatory History

On December 27, 2015, the Bucksport Marina notified the Coast Guard that it will sponsor a series of drag boat races from noon to 7 p.m. on July 9, 2016 and July 10, 2016. In response, on April 6, 2016, the Coast Guard published a notice of proposed rulemaking titled Bucksport/Southeastern Drag Boat

Summer Extravaganza, Atlantic Intracoastal Waterway; Bucksport, SC. There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this special local regulation. During the comment period that ended May 6, 2016, we received no comments.

Under good cause provisions in 5 U.S.C. 553(d)(3), we are making this rule effective less than 30 days after its publication in the **Federal Register**. The Coast Guard finds that good cause exists for making this rule effective starting July 9, 2016 because this special local regulation is necessary to ensure the safety of life and property during the Bucksport Summer Extravaganza and it would be contrary to public interest not to make this rule effective by July 9, 2016.

III. Legal Authority and Need for Rule

The legal basis for the rule is the Coast Guard’s authority to establish special local regulations: 33 U.S.C. 1233. The purpose of the rule is to insure safety of life on navigable waters of the United States during the two days of drag boat races.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published April 6, 2016. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

From July 9, 2016 through July 10, 2016, Bucksport Marina will host a series of drag boat races on the Atlantic Intracoastal Waterway in Bucksport, South Carolina during the Bucksport/Southeastern Drag Boat Summer Extravaganza. Approximately 75 powerboats are anticipated to participate in the races and approximately 35 spectator vessels are expected to attend the event. This rule establishes a special local regulation on certain waters on the Atlantic Intracoastal Waterway in Bucksport, South Carolina. The special local regulation will be enforced daily from noon until 7 p.m. on July 9, 2016 and July 10, 2016.

Except for those persons and vessels participating in the drag boat races, persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within any of the race areas unless specifically authorized by the Captain of the Port Charleston or a designated representative. Persons and vessels desiring to enter, transit through, anchor in, or remain within any of the race areas may contact the Captain of the Port Charleston by telephone at (843) 740–7050, or a designated

representative via VHF radio on channel 16, to request authorization. If authorization to enter, transit through, anchor in, or remain within the race areas is granted by the Captain of the Port Charleston or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Charleston or a designated representative. The Coast Guard will provide notice of the regulated areas by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive Orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive Orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, it has not been reviewed by the Office of Management and Budget. This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The economic impact of this rule is not significant for the following reasons: (1) Non-participant persons and vessels may enter, transit through, anchor in, or remain within the regulated area during the enforcement periods if authorized by the Captain of the Port Charleston or a designated representative; (2) vessels not able to enter, transit through, anchor in, or remain within the regulated area without authorization from the Captain of the Port Charleston or a designated representative may operate in the surrounding areas during the

enforcement period; (3) the Coast Guard will provide advance notification of the special local regulation to the local maritime community by Local Notice to Mariners and Broadcast Notice to Mariners; and (4) the safety zone will impact only a small designated area of the Atlantic Intracoastal Waterway for the 2 days of July 9, and 10, from noon to 7 p.m., and thus is limited in time and scope.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule may affect the following entities, some of which may be small entities: The owner or operators of vessels intending to enter, transit through, anchor in, or remain within the regulated area during the enforcement period. For the reasons discussed in Regulatory Planning and Review section above, this rule will not have a significant economic impact on a substantial number of small entities.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against

small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human

environment. This rule involves a special local regulation issued in conjunction with a regatta or marine parade. This rule is categorically excluded from further review under paragraph 34(h) of Figure 2–1 of the Commandant Instruction.

An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 100

Marine Safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Add a temporary § 100.35T07–0010 to read as follows:

§ 100.35T07–0010 Bucksport/Southeastern Drag Boat Summer Extravaganza, Atlantic Intracoastal Waterway; Bucksport, SC.

(a) *Regulated Area.* All waters of the Atlantic Intracoastal Waterway encompassed by a line connecting the following points: Point 1 in position 33°39′13″ N, 079°05′36″ W; thence west to point 2 in position 33°39′17″ N, 079°05′46″ W; thence south to point 3 in position 33°38′53″ N, 079°05′39″ W; thence east to point 4 in position 33°38′54″ N, 079°05′31″ W; thence north back to point 1. All coordinates are North American Datum 1983.

(b) *Definition.* As used in this section, “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port Charleston in the enforcement of the regulated areas.

(c) *Regulations.* (1) All persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area, except persons and vessels participating in Bucksport/Southeastern Drag Boat Summer Extravaganza or serving as safety vessels. Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated area may contact the Captain of the Port Charleston by telephone at (843) 740-7050, or a designated representative via VHF radio on channel 16, to request authorization. If authorization to enter, transit through, anchor in, or remain within the regulated area is granted by the Captain of the Port Charleston or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Charleston or a designated representative.

(2) The Coast Guard will provide notice of the regulated area by Marine Safety Information Bulletins, Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) *Enforcement Date.* This rule will be enforced daily on July 9 and July 10, 2016, from noon until 7 p.m.

Dated: June 13, 2016.

G.L. Tomasulo,

Captain, U.S. Coast Guard, Captain of the Port Charleston.

Safety Zone; Misery Challenge, Manchester Bay, Manchester, MA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for certain waters of Manchester Bay to be enforced during the Misery Challenge marine event, which will involve swimmers, kayakers, and stand-up paddlers. This safety zone ensures the protection of the event participants, support vessels, and the maritime public from the hazards associated with the event. This regulation prohibits persons and vessels from entering into, transiting through, mooring, or

anchoring within this safety zone during periods of enforcement unless authorized by the Coast Guard Sector Boston Captain of the Port (COTP) or the COTP's designated representative.

DATES: This rule is effective from 7:00 a.m. to 12:30 p.m. on July 23, 2016.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2016-0004 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

II. Background, Purpose, and Legal Basis

On October 23, 2015, the Coast Guard was notified of a swimming and stand up paddling event from 7:30 a.m. to 12 p.m. on July 23, 2016 with a weather date on July 24, 2016 named the Misery Challenge. The participants will launch from Tucks Point in Manchester Bay, Manchester, MA and continue around Greater Misery Island returning to Tucks Point. In response, on March 2, 2016, the Coast Guard published an NPRM titled Safety Zone; Misery Challenge, Manchester Bay, Manchester, MA (81 FR 10820). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this event. During the comment period that ended April 1, 2016, we received no comments.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The COTP Boston has determined that potential hazards associated with the event on July 23, 2016 will be a safety concern for the participants and support vessels. The purpose of this rule is to ensure safety of participants, vessels and the navigable waters in the safety zone before, during, and after the scheduled event.

IV. Discussion of Proposed Rule

As noted above, we received no comments on our NPRM published on March 2, 2016. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a safety zone from 7:00 a.m. to 12:30 p.m. on July 23, 2016 with a weather date on July 24, 2016. The safety zone will cover all navigable waters within specific geographic locations specified in the regulatory text on the navigable waters of Manchester Bay, Manchester, Massachusetts. Vessels not associated with the event shall maintain a distance of at least 100 yards from the participants. The duration of the zone is intended to ensure the safety of event participants, support vessels, and the maritime public before, during, and after the event scheduled from 7:30 a.m. to 12 p.m. No vessel or person would be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. The regulatory text appears at the end of this document.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, it has not been reviewed by the Office of Management and Budget.

We expect the economic impact of this rule to be minimal. This regulation may have some impact on the public, but that potential impact will likely be minimal for several reasons. First, this safety zone will be in effect for only 5 and ½ hours in the morning when vessel traffic is expected to be light. Second, vessels may enter or pass through the safety zone during an enforcement period with the permission of the COTP or the designated representative. Finally, the Coast Guard
