**Statement of Findings: Crow Tribe  
Water Rights Settlement Act of 2010**

**AGENCY:** Office of the Secretary, Interior.

**ACTION:** Notice.

**SUMMARY:** The Secretary of the Interior  
is publishing this notice as required by  
section 410(e) of the Crow Tribe Water  
Rights Settlement Act of 2010  
(Settlement Act). Congress enacted the  
Settlement Act as Title IV of the Claims  
Resolution Act of 2010 (Pub. L. 111-  
291). The publication of this notice  
causes certain waivers and releases of  
claims to become effective as required  
by the Settlement Act.

**DATES:** This notice is effective June 22,  
2016.

**FOR FURTHER INFORMATION CONTACT:**

Address all comments and requests for  
additional information to Douglas Davis,  
Chair, Crow Water Rights Settlement  
Implementation Team, Department of  
the Interior, Bureau of Reclamation,  
Great Plains Region, P.O. Box 36900  
(GP-1230), Billings, MT 59107, (406)  
247-7710.

**SUPPLEMENTARY INFORMATION:** The  
Settlement Act was enacted to resolve  
the water rights claims of the Crow  
Tribe (Tribe) in the State of Montana  
(State). The Tribe and the State  
negotiated the Crow Tribe-Montana  
Water Compact (Mont. Code. Ann. 85-

20-901) (Compact) prior to enactment of  
the Settlement Act. As described in  
section 402 of the Settlement Act, the  
purposes of the Settlement Act are:

(1) To achieve a fair, equitable, and  
final settlement of claims to water rights  
in the State of Montana for the Crow  
Tribe and for the United States for the  
benefit of the Tribe and allottees;

(2) to authorize, ratify, and confirm  
the Compact;

(3) to authorize and direct the  
Secretary of the Interior (Secretary) to  
execute the Compact and to take any  
other action necessary to carry out the  
Compact in accordance with the  
Settlement Act; and

(4) to ensure the availability of funds  
necessary for the implementation of the  
Compact and the Settlement Act.

Section 415 of the Settlement Act  
provided for repeal of the Settlement  
Act and other consequences if certain  
conditions were not fulfilled on or  
before March 31, 2016, or by an  
extended date agreed to by the Tribe  
and the Secretary after reasonable notice  
to the State, whichever is later. On  
March 21, 2016, after providing  
reasonable notice to the State, the  
Secretary and the Tribe agreed to extend  
the deadline for publication to June 30,  
2016.

**Statement of Findings**

In accordance with section 410(e) of  
the Settlement Act, I find as follows:

1. The Montana Water Court has  
issued a final judgment and decree  
approving the Compact;

2. all of the funds made available  
under subsections (c) through (f) of  
section 414 of the Settlement Act have  
been deposited in the Crow Settlement  
Fund;

3. the Secretary has executed the  
agreements with the Tribe required by  
sections 405(a) and 406(a) of the  
Settlement Act;

4. the State has appropriated and paid  
into an interest-bearing escrow account  
any payments due as of the date of  
enactment of the Settlement Act to the  
Tribe under the Compact;

5. the Tribe has ratified the Compact  
by submitting the Settlement Act and  
the Compact to a vote by the tribal  
membership for approval or disapproval  
and the tribal membership voted to  
approve the Settlement Act and the  
Compact by a majority of votes cast on  
the day of the vote, as certified by the  
Secretary and the Tribe;

6. the Secretary has fulfilled the  
requirements of section 408(a) of the  
Settlement Act; and

7. the waivers and releases authorized  
and set forth in section 410(a) of the

Settlement Act have been executed by  
the Tribe and the Secretary.

**SUPPLEMENTARY INFORMATION:**

I. *Background:* The fourth round of the Trade Adjustment Assistance Community College Career Training (TAACCCT) grants program continues to provide community colleges and other eligible institutions of higher education with funds to expand and improve their ability to deliver education and career training programs that can be completed in two years or less and are suited for workers who are eligible for training under the Trade Adjustment Assistance for Workers program and other adults in need of new or upgraded skills. The evaluation of Round 4 funded by the Department of Labor will include an outcomes study, an implementation analysis, and a study of employer relationships.

This **Federal Register** Notice provides the opportunity to comment on a

proposed new information collection activity for the TAACCCT Round 4 National Evaluation: (1) Collecting updated participant contact information, (2) conducting a follow-up survey of participants enrolled in programs in the Round 4 grantees selected for the outcomes study, (3) surveying staff in all colleges that are part of a Round 4 grant, and (4) interviewing staff from employers that have partnered with Round 4 grantees.

The purposes of the outcomes study are to capture participants' training experiences while in their programs, receipt of job search assistance as they near program completion, and employment and wage outcomes upon program exit and, for shorter programs, several months thereafter. The employer study will seek to understand how DOL can encourage the workforce system to build productive and sustainable employer relationships through Workforce Innovation and Opportunity Act implementation and its grants programs.

II. *Desired Focus of Comments:* Currently, the Department of Labor is soliciting comments concerning the above data collection for the national evaluation of Round 4 of the TAACCCT grants program. Comments are requested to:

\* Evaluate whether the proposed collection of information is necessary

for the proper performance of the functions of the agency, including whether the information will have practical utility;

\* evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

\* enhance the quality, utility, and clarity of the information to be collected; and

\* minimize the burden of the information collection on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* At this time, the Department of Labor is requesting clearance for data collection for the national evaluation of Round 4 of the TAACCCT grants program via collection of updated participant contact information, survey data on participants and colleges, and employer discussions.

*Type of review:* New information collection request.

*OMB Control Number:* 1205-0NEW.

*Affected Public:* Participants enrolled in selected TAACCCT grant programs; staff associated with implementing TAACCCT grant programs, employers working with TAACCCT grantees.
