**SUPPLEMENTARY INFORMATION:** The  
Department of Education (ED), in  
accordance with the Paperwork  
Reduction Act of 1995 (PRA) (44 U.S.C.  
3506(c)(2)(A)), provides the general  
public and Federal agencies with an  
opportunity to comment on proposed,  
revised, and continuing collections of  
information. This helps the Department  
assess the impact of its information  
collection requirements and minimize

the public's reporting burden. It also  
helps the public understand the  
Department's information collection  
requirements and provide the requested  
data in the desired format. ED is  
soliciting comments on the proposed  
information collection request (ICR) that  
is described below. The Department of  
Education is especially interested in  
public comment addressing the  
following issues: (1) Is this collection  
necessary to the proper functions of the  
Department; (2) will this information be  
processed and used in a timely manner;  
(3) is the estimate of burden accurate;  
(4) how might the Department enhance  
the quality, utility, and clarity of the  
information to be collected; and (5) how  
might the Department minimize the  
burden of this collection on the  
respondents, including through the use  
of information technology. Please note  
that written comments received in  
response to this notice will be  
considered public records.

*Title of Collection:* Form for  
Maintenance-of Effort Waiver Requests  
Under the Elementary and Secondary  
Education Act of 1965, as amended.

*OMB Control Number:* 1810-0693.

*Type of Review:* A revision of an  
existing information collection.

*Respondents/Affected Public:* State,  
Local, and Tribal Governments.

*Total Estimated Number of Annual  
Responses:* 20.

*Total Estimated Number of Annual  
Burden Hours:* 1,600.

*Abstract:* Section 8521(a) of the  
Elementary and Secondary Education  
Act of 1965, as amended by the Every  
Student Succeeds Act (ESEA) provides  
that a local educational agency (LEA)  
may receive funds under title I, part A  
and other ESEA "covered programs" for  
any fiscal year only if the State  
educational agency (SEA) finds that  
either the combined fiscal effort per  
student or the aggregate expenditures of  
the LEA and the State with respect to  
the provision of free public education  
by the LEA for the preceding fiscal year  
was not less than 90 percent of the  
combined fiscal effort or aggregate  
expenditures for the second preceding  
fiscal year. This provision is the  
maintenance of effort (MOE)  
requirements for LEAs under the ESEA.

The purpose of this extension request  
is to renew approval for the MOE waiver  
form; this MOE waiver form has been  
updated to reflect the statutory changes  
in the ESEA, as amended by the Every  
Student Succeeds Act. ED believes that  
the proposed form, which is slightly  
modified from the currently approved  
version, will enable an SEA to provide  
the information needed in an efficient

manner. This collection includes  
burden at the SEA level.

Dated: June 23, 2016.
