Abstract: Section 8521(a) of the **Elementary and Secondary Education** Act of 1965, as amended by the Every Student Succeeds Act (ESEA) provides that a local educational agency (LEA) may receive funds under title I, part A and other ESEA "covered programs" for any fiscal year only if the State educational agency (SEA) finds that either the combined fiscal effort per student or the aggregate expenditures of the LEA and the State with respect to the provision of free public education by the LEA for the preceding fiscal year was not less than 90 percent of the combined fiscal effort or aggregate expenditures for the second preceding fiscal year. This provision is the maintenance of effort (MOE) requirements for LEAs under the ESEA.

The purpose of this extension request is to renew approval for the MOE waiver form; this MOE waiver form has been updated to reflect the statutory changes in the ESEA, as amended by the Every Student Succeeds Act. ED believes that the proposed form, which is slightly modified from the currently approved version, will enable an SEA to provide the information needed in an efficient manner. This collection includes burden at the SEA level.
